Grand Master's Address
Donald A. Campbell
July 2015

To the Officers and Member of the Most Worshipful Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

WELCOME

Brethren, as your Grand Master, I welcome each of you to the 160th Annual Communication of your Grand Lodge. As we come to an end of my term as Grand Master, it has been of great pleasure for me to travel throughout the Province, have the opportunity to meet, renew friendship and to make many new friends. As we gather together it is time to reflect on what we have done during the past Masonic year.

It is an honour and a privilege to welcome the leaders, distinguished guest and friends from other Grand Jurisdictions along with the brethren from the Family of Freemasonry. Welcome one and all. Brethren, the common thread with the leaders of our respective organizations, they are always looking ahead, being proactive and are not being satisfied with things as they are. They have developed their visions and make them compelling and convincing. I have been fortunate to work with, and be associated with many great and proven leaders in Freemasonry. Many of them are seated within this Annual Communication.

We should be proud that we all share membership in an organization well respected for its commitment to excellence. I encourage each of you to contribute in some manner in its operations. Your active participation can make a significant impact on the well-being of our organization and at the same time broaden our commitment to the communities we serve.

I am convinced the world today needs Freemasonry, its philosophy, and its fundamental principles of brotherly love, relief and truth. This perspective reminds me how historically important Freemasonry has been in the formation and maintenance of a civil society.

NECROLOGY

Although, last year, we took time to celebrate the initiation of 1,042 new members into our Craft, we are still in a state of decline with respect to our overall membership numbers. One mitigating factor that is completely out of the control of our lodges, are when these brethren have taken their final journey. And many were the back bone of their lodge and Grand lodge, brethren like:

M.W. Bro. Robert E. Davies:

Grand Master – 1979

Robert Edwin Davies was born in Mount Forest, Ontario on October 5, 1931. He received his elementary and secondary school education in Mount Forest. Robert was always a good scholar and a fine athlete. In 1948, during his final school year, owing to the sudden illness and subsequent passing of his father, he took over the family retail business and operated it most successfully. In 1954 he married Annabelle Christie of Hopeville, Ontario. Robert and Annabelle had three children, Kathy, Robert and Lynn.

M.W. Bro. Robert Davies was initiated, passed and raised in St. Alban's Lodge No. 200 in Mount Forest, ON in 1952. He was installed as Worshipful Master in

1960. In 1961 he was elected the District Deputy Grand Master of Grey District. In July 1964 he was appointed a member of the Board of General Purposes of our Grand Lodge, a position to which he was subsequently elected for five successive two year terms. In July 1975, M.W. Bro. Davies was elected as Deputy Grand Master and installed as Grand Master in 1977. M.W. Bro. Davies served as Grand Secretary from July of 1979 to July of 2002. Robert E. Davies was the youngest District Deputy Grand Master in this Grand Jurisdiction and at 45 years of age was one of the youngest Masons to be elected Grand Master of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario. He passed to the Grand Lodge above on December 14, 2014. "Sixty-two years a Mason".

R.W. Bro. Christopher John Woodburn

D.D.G.M. – 1974

R.W. Bro. C. John Woodburn, after a short illness at Cambridge Memorial Hospital, peacefully passed away on May 23, 2015. R.W. Bro. Woodburn was initiated into Masonry on February 18, 1963 in Kingsway Lodge No. 655, installed as Worshipful Master on November 16, 1970 and served as the District Deputy Grand Master, Toronto 2 District in 1974. He was first elected as a Member of the Board of General Purposes in 1978. He served and chaired many committees, such as Condition of Masonry, Public Relations, Special Events, Policy, Blood Donors, and Committee on Warrants and the Regalia Committee. A long-time Director of the Masonic Foundation of Ontario and served as President from 1990-1992.

R.W. Bro. Woodburn retired from the Board of General Purposes in 1994. To mark the 125th Anniversary of our Grand Lodge, R.W. Bro. Woodburn, with the cooperation of his Committee, district leaders, lodge leaders and all Masons, had skillfully guided Project H.E.L.P. (Hearing for Every Living Person) to such a resounding success. Project H.E.L.P. not only reached its goal of raising \$350,000 but surpassed its monetary goal by over \$150,000. That is the legacy of R.W. Bro. C. John Woodburn, a man who was known to get the job done.

R.W. Bro. Earl James Scarborough

D.D.G.M. – 1976

R.W. Bro. James Scarborough was initiated into Hanover Lodge No. 432 on June 25, 1956. He was installed as the Worshipful Master on December 27, 1962, elected as the District Deputy Grand Master, Bruce District in July 1976. He was a Member of the Board of General Purposes from 1990 to 1997, serving on the Blood Donors Committee, Masonic Holdings, Chairman of Seminars and Workshop Committee and a Director of the Masonic Foundation of Ontario. Jim was the Master of Ceremonies at the Annual Hanover Steak Fry, held on the last Monday in June for approximately 50 years. Jim had extensive corporate knowledge on the inner workings of Grand Lodge. He was a quiet, unassuming, committed Mason who seldom missed a meeting in his own lodge. R.W. Bro. Scarborough was truly portrayed as the ideal of a Freemason.

R.W. Bro. Gordon Wesley McNaughton

D.D.G.M. – 1990

R.W. Bro. Gordon McNaughton passed to the Grand Lodge above October 30, 2014 at the age of 90. Although his Mother Lodge was St. Francis Lodge No. 24 of Smiths Falls, he was a very active member in the district and an affiliate member of many Lodges. Acting as a mentor to many he was greatly respected by all Masons throughout the District and this Grand Lodge Jurisdiction. He served as the District Deputy Grand Master of St. Lawrence District on 1990 and a member of Tunis

Shrine working endless hours with the Shrine Clowns and the McNaughton Clowns Degree Team. He was also a Member of the Ottawa Valley Scottish Rite and a 33rd Degree Honorary Inspector General, a 50 year Member of the Royal Arch, a Member of the Eastern Star and received the Grand Masters Meritorious Award in 2004. His compassion for others was shown in the many hours he spent visiting the sick and shut-ins.

R.W. Bro. Edward (Ted) Williams

D.D.G.M. – 1994

R.W. Bro. Ted Williams served his country in time of need. He was a career Military veteran serving with the Royal Canadian Air Force from 1951 to 1974, retiring with the rank of Warrant officer. R.W. Bro. Williams was instrumental in raising public awareness to support our Canadian Soldiers when we entered the Afghanistan mission, shortly after 9-11. Through his efforts, Ontario Masons came together and purchased \$10.00 Tim Horton's coffee cards to be distributed to each Canadian soldier serving in Afghanistan.

As a Mason, R.W. Bro. Williams was initiated into Stability Lodge No. 29, France. After his military career, he affiliated with Edinburgh Lodge No. 736, Westboro, Ontario in 1983. He was installed as Worshipful Master in 1990 and in 1994, served as the District Deputy Grand Master for Ottawa 1 District, the same year as M.W. Bro. D. Garry Dowling and I served as District Deputy Grand Masters in our respective Districts. Ted and his late wife Bev, Garry and Wendy Dowling and my wife and I travelled many parts of Ontario as members of Drew's Crew Too.

Brother Charles Robert (Bob) Townshend

Master Mason 1971

Bishop Townshend's Masonic career began when he was initiated into Tuscan Lodge No. 437 on May 19, 1971 and was raised to a Master Mason in the same year in Sarnia, Ontario. He was a member of Parthenon Lodge No. 267 in Chatham and is a life member in Centennial Lodge No. 684 in London. Bishop Townshend was coroneted Honorary Inspector-General at St. John's Newfoundland in September, 1990. In September 1994, he was crowned Sovereign Grand Inspector-General at the annual session of Supreme Council in Halifax, Nova Scotia. Bro. Townshend was elected and installed to the Office of Sovereign Grand Commander at the Annual Session in Halifax, Nova Scotia on September 16, 2003. He is a Past Provincial Grand Master for the Royal Order of Scotland for Ontario and served as President of the Scottish Rite Charitable Foundation of Canada. Bishop Townshend passed away at his home in Arva, Ontario on March 14, 2015.

To all the family members of brethren who passed to the Grand Lodge above, we will cherish their memory in our hearts, outstanding Masons who will be long remembered.

Pursuant to Section 73 of the Book of Constitution, I recommend the rank of Past Master be conferred upon the following brethren who were unable to serve 12 months as Worshipful Master:

W. Bro. Paul Goodfellow, Granite Lodge No. 352, Parry Sound

W. Bro. Ian Gardner, Mississauga Lodge No. 524, Mississauga

Further, pursuant of Section 73, I recommend that the rank and title of Past Grand Senior Warden (Honorary) be conferred upon **V.W. Bro. Paul R. A. E. He has worked diligently as a valued member of the Audit and Finance Committee and as Chairman of the Benevolence. V.W. Bro. Skazin we thank you for your support and your continued service to the Craft.

WILLIAM MERCER WILSON MEDAL

The William Mercer Wilson Medal is awarded only to a Brother who will not become a Worshipful Master or Past Master, but who has rendered service far beyond the call of duty. Each brother has had to demonstrate outstanding loyalty and dedication to the Craft and his community and have received the endorsement of his peers. They have given their time and energy to Freemasonry, to their communities and church that have earned them the respect of their brethren which prompted them and the Grand Lodge Awards Committee to recognize their achievements.

It was my pleasure to personally present 5 William Mercer Wilson Medals this Masonic year to the following brethren:

Brother Lawrence (Larry) C. Cooper, Mystic Tie Lodge No. 276, Waterloo. (Waterloo District). Wednesday, October 15, 2014.

Brother Ron A. Mark, North Entrance Lodge No. 463, Haliburton. (Victoria District). Tuesday, October 28, 2014.

Brother Terrance James Alderson, Tuscan Lodge No. 99, Newmarket. (York District). Wednesday, November 17, 2014.

Brother John Douglas Kennedy, Golden Star Lodge No. 484, Dryden. (Western District). Tuesday, April 7, 2015.

GRAND MASTER'S MERITORIOUS SERVICE AWARD

It has been said that the consciousness of duty done is a great reward. These brethren carried out their duties as a Mason and a mentor faithfully and well. They have maintained their fraternal manner towards all the brethren, regardless of distinction of rank or position. Their unfailing attention to detail, and ready devotion of time and energy, have been actuated solely by their desire to advance the best interests of the Lodge in every way possible. These qualities have earned them the admiration and respect; indeed, it is no exaggeration to say the esteem and affection of all their brethren.

The Meritorious Award is to recognize exceptional Service rendered by members of the Grand Lodge. Originally established by M.W. Bro. William R. Pellow (1987-1988) as a personal award of the Grand Master. I am pleased to announce three recipients who have each contributed in their own way to the betterment of their lodge, district, and community and to Grand Lodge.

AMALGAMATIONS AND SURRENDER OF WARRANTS

While every attempt has been made to avoid a lodge going into darkness or amalgamating, we must accept the decision of the membership and assist in every way possible to retain our membership rather than worry about the number of lodges we have in this jurisdiction.

The Ceremony of Amalgamation was approved and presided over at Chesterville Lodge No. 320 and Henderson Lodge No. 383 became North Dundas Lodge No. 320, Eastern District on November 4, 2014.

Statistically, I have been informed when a lodge surrender's its Warrant, we retain a larger percentage of the membership than those lodges who amalgamate. The following lodges surrendered its Warrant:

Brotherhood Lodge No. 723, Waterloo	Waterloo District
Atomic Daylight Lodge No. 686, Pembroke	Ottawa 2 District
Temple Lodge No. 690, Waterloo	Waterloo District
King Solomon Lodge No. 394, Thamesford	London East District

To the members of Grand Lodge who chaired the joint committees for the amalgamations and surrender of warrants, on behalf of your Grand Lodge, please accept our thanks and appreciation.

MASONIC FAMILY EVENTS

MASONIC LEADERS - ONTARIO

Every attempt is made for the leaders of the Family of Freemasonry in Ontario (Grand Lodge, Scottish Rite, and Royal Arch Masons, along with Mocha, Rameses and Tunis Shriners) to meet twice a year to discuss matters of mutual concerns and

exchange information. This year we met in Barrie on September 18, 2014 and in Hamilton on May 11, 2015. These meetings were necessary and we recommend the continuation and active participation of the leaders of our respective organizations.

INTERNATIONAL PLOWING MATCH

On September 18, 2014, the Grand Secretary, Deputy Grand Master and I attended the International Plowing Match which was hosted by the brethren of Georgian Districts. I congratulate the committee's enthusiasm in hosting the 2014 Masonic Display Marquee and the Meet and Greet reception. It was a good day for all in the Georgian Districts.

ROYAL ARCH MASONS GRAND CHAPTER

On Thursday, April 16 and Friday, April 17, 2015 in Woodstock, Ontario, it was my privilege to attend the 157th Annual Convocation of Royal Arch Masons of Canada in the Province of Ontario with Past Grand Masters Gary Atkinson and Alan Petrisor. On Saturday, April 18, 2015, the Deputy Grand Master, R.W. Bro. John C. Green was present while I attended another Masonic function. Thank you M.E. Comp. Brian Van Sickle and to your lady Carol for your generous hospitality and kind invitation. Further, I wish to express my sincere thanks to M.E. Comp. Van Sickle for appointed me as the Grand Senior Sojourner.

IMPERIAL SHRINE SESSION

It was a pleasure and privilege to attend the 141st Imperial Session of Shriners International, Houston, Texas, July 3 - 5, 2015, with many of the Nobles from our three Shrine Temples located in Ontario. The exhilarating Shriners parade was enjoyed by all, especially the community of Houston. It was important to attend this Session and participate in meaningful discussions with the Imperial Divan, Nobles and the many other Grand Masters in attendance. My personal thanks are extended to our host, Illustrious Potentate James T. Rennie and all the Nobles of Rameses Temple.

PRINCE HALL GRAND LODGE ANNUAL COMMUNICATION – ONTARIO AND JURISDICTION

On Saturday, August 9, 2014 I had the privilege to attend, with several Masons from our Grand Lodge, the Prince Hall Grand Lodge, F & A.M., Ontario and Jurisdiction Annual Communication held in Mississauga. I was presented to the Grand Master by a dear friend, the dean of Prince Hall Grand Masters, M.W. Brother C. Arthur Downes, a 50 year Past Grand Master. I also thank the membership by making me an Honorary Past Grand Master of their Grand Lodge, being presented with the jewel of Past Grand Master by M.W. Bro. Arthur Downes. I will wear the jewel with pride as our two bodies meet as friends and brothers.

CONFERENCES

Conference of Grand Masters of North America: The Deputy Grand Master and I attended the Conference of Grand Masters of North America, held in Vancouver, British Columbia, February 14 – 18, 2015. I was honoured to serve as the Vice Chairman of the Conference and Chairman of the Nominating Committee. The

theme chosen for this Conference was “Building a Stronger Tomorrow”. Our important discussions centred on a rapidly changing world. Freemasonry must recognize the changes and find ways to evolve, while retaining our heritage and its core values, but continue to build a stronger fraternity.

All Canada Conference of Canadian and District Grand Lodges of Canada: The Grand Secretary, Deputy Grand Master and I also attended the All Canada Conference of Canadian and District Grand Lodges of Canada, March 27-28, 2015. Congratulations to our own Past Grand Master and Grand Secretary, M.W. Bro. Terence Shand who was the President of this conference. Many Canadian Masonic leaders said, by far, this was one of the best sessions they attended. The theme of this conference was “*Wither are we Directing our Course.*” This year we had breakout sessions, discussing relevant topics such as: How we administratively address our declining membership; Do we have a long range; During your term as Grand Master, give an example of an issue you had to deal with and how you solved it. Unfortunately, the Grand Lodge of Prince Edward Island decided not to attend conference for their own personal reasons. Hopefully they will reconsider and attend this worthwhile conference in 2016.

COMMUNICATIONS OF OTHER GRAND LODGES

I was fortunate to be able to attend the following Annual Communications outside of Ontario.

Grand Lodge of North Carolina, September 2014

Grand Lodge of Newfoundland and Labrador, October 2014

Grande Loge Nationale Francaise, Paris, France,
December 2014

Grand Lodge of Michigan, May 2015

The Deputy Grand Master attended;

Grand Lodge of Quebec, June 2015

The Grand Secretary and I attended the Grand Lodge of Newfoundland and Labrador. The night before Most Worshipful Brother Larry Grandy was installed as Grand Master, he received sad news from Bolton, Ontario. His son-in-law, a Mason, had passed away. His passing was expected and Larry’s wife was already in Bolton with her daughter. This is what I believe is the greatest strength of Freemasonry. A simple phone call was made to R.W. Bro. Paul Egan, Past District Deputy Grand Master, who is a funeral director / owner in Bolton, Ontario and everything that needed to be done, was done. M.W. Bro. Grandy, on behalf of our Grand Lodge, please accept our most sincere condolences.

GRAND MASTER’S BANQUET

One of the highlights of our Grand Lodge Communication is the Grand Master’s Banquet. The speaker this year is Chief William Blair (Ret) C.O.M. Chief Blair started his 39 year policing career as a beat officer in downtown Toronto, and continued with assignments in drug enforcement, organized crime units, and major criminal investigations. Promoted to the senior ranks of the Service, his postings included Divisional Commander, Community Policing Programs, and Detective Operations, responsible for all specialized investigative units. As Toronto's Chief of Police, he has overseen the development of the Toronto Anti-Violence Intervention Strategy (TAVIS) to combat violent crime. For the past 10 years, Bill

Blair was the Chief of Police of the largest Municipal Police Service in Canada with over 8,000 uniform and civilian employees. Further, Chief Blair lectures at the University of Toronto and at the Rotman School of Management. We welcome him and look forward to his address.

Ladies attending Grand Lodge will be invited to a presentation by Computer Crime Section, Toronto Police Service on Wednesday, July 15th from 1:30 pm to 3:00 pm. The presentation is titled: “*@wareness is the key to security*”. Discussions will be on identity theft, computer virus scams which include telephone tech support scams, telemarketing scams and charity scams. Besides the PAN AM Games, it should be an exciting time at Grand Lodge.

DISCIPLINE

I am happy to report, for the second time, there were no Reviewing Committees or Trials conducted this Masonic Year. However, I am still concerned at the number of private piques and quarrels that exist within our jurisdiction. The Grand Secretary, the Deputy Grand Master and I are spending far too much time addressing private piques and quarrels. Each and every complaint is preventable and solvable. It is not the role of Grand Lodge to settle private disagreements. Grand Lodge should not and will not be a mediator. Further, alleged criminal offences will not be investigated by Grand Lodge. That is the role of your local Police Service. Obviously, Grand Lodge did not initiate or cause the dissention. Brethren involved in long disputes have tarnished the reputation of Freemasonry, both internally and externally. Do these brethren really care about Freemasonry or just themselves? Too much self and not enough compassion! Lodges must be places where members feel free to discuss their concerns openly, honestly and achieve a compromise. Surely a little bit of common sense would produce a much better result.

GRANITE LODGE NO. 352 WARRANT PERMANENTLY REVOKED.

On Friday, June 6, 2014, I attended Granite Lodge and held a private meeting with the Worshipful Master, Wardens and Secretary. As Grand Master, I was satisfied there was clear and convincing evidence to arrest the Warrant of Granite Lodge and suspend the operations thereof until 159th Grand Lodge Annual Communication held last July 16, 2014.

On a motion proposed by the Deputy Grand Master, supported by the Past Grand Masters, Grand Lodge directed the members of Granite Lodge if no written acceptable solution is brought before the Grand Master, Deputy Grand Master and Grand Secretary on or before December 31, 2014, the Warrant shall be permanently revoked and the Lodge shall cease to exist. Unfortunately, I have to report that no written acceptable solution was received by the Grand Master, Deputy Grand Master and or the Grand Secretary. As a result, on January 1, 2015, Granite Lodge No. 352 Warrant was permanently revoked and the Grand Secretary issued a Certificate of Standing to each member of the said lodge.

CONDITION OF MASONRY

MEMBERSHIP

First and foremost, the quality of our membership must always remain foremost, in our hearts and minds. We must not lose the true perspective of the function of a Masonic Lodge. Its function primarily, is not to initiate candidates or merely to

enlarge its membership. Its chief concern is, or should be, education, learning, being happy within ourselves but more importantly, communicating that happiness to others. And that is what Masons do.

We don't need to develop our members to be benevolent men, or to cultivate their social and moral virtues, because we had those values before we became a Mason. Men should not be allowed to cross the west gate until we are certain they possess those values. Freemasonry success is measured by the quality of its membership and by the contribution we make to civilization and society.

The first Masonic symbol encountered by the petitioner for Freemasonry is the application form for which he has requested from a 'friend' in the Craft. The Craft asks no man for his petition. Other non-Masonic organizations, clubs and many other worthy groups may attempt to win members by advertising and persuasion. But a man must come to the door of a lodge of his own free will and accord, and can only be the aid of a friend whom he has enlisted on his behalf.

Why has membership attendance declined among fraternal organizations? At best we can only speculate about why anyone joins an order like Freemasonry. To find an answer to this question, Masonic Leaders have questioned their membership. There are some difficulties with interpreting the results. Nevertheless, it may be instructive to examine what these surveys show, whether or not we can directly relate to them, the reasons most frequently mentioned were: time conflict with work; no longer live in the area of their Lodge; unsafe meeting locations/buildings; inconvenient meeting times; dull, long, uninteresting meetings; and no transportation.

When asked what would entice attendance, most replied that they would like more Masonic education. They would also like to see regular attendees be more sensitive to the embarrassment non-attendees may feel upon returning to lodge after prolonged absence. Critics from within complain that members sometimes make the ritual the be-all and end-all of Freemasonry. Others object to the requirement of evening wear. I can say quite confidently, an active lodge is a healthy lodge. I believe a lodge that is known for its good ritual, will retain and attract new members. It takes work to be a Mason.

I've read with interest an article in the Niagara B District Newsletter, dated March 2015, the District Deputy Grand Master had an interesting point and a challenge to the membership. He states the average attendance of members on Lodge night is between 20 to 25%. This means there are 75 – 80% of members not attending. He challenged the Masters and Wardens to try to get the number to 30% attendance. I support this and I think that is a realistic goal and something we can all strive to accomplish in each of our lodges.

As a young lad growing up in Niagara Falls, I was intrigued with Masonry because of the men who belonged to it. People I admired and respected. They had a direct impact on my life and I wanted to be just like them.

I always remembered the first time I entered a lodge building. It was on Van Alstyne. I don't know why I remember it so clearly. I was only 10 or 11 years old and that was the time many lodges had a "Father and Son" banquet. After the banquet, the boys were brought upstairs to the lodge to see what it looked like. The Masons were proud of their building and proud of their lodge.

Back then, a close friend of our family, W. Bro. Bosco Masonovich, was the Master of his lodge. He didn't have a son, so my older brother and I accompanied him to their annual Father and Son Banquet. That was a great experience, and I

thought the lodge room was the biggest room I had ever seen, and that building was a mansion. The results were simple. My brother and I became Masons and eventually became Masters of our Lodge, and I guess I can say, I am a very active Past Master.

***“If you want to make a good impression, it is critical that it is done in person”
(Jeremy Piesanz PhD).***

I believe first impressions will influence a man who is considering joining Freemasonry. Perhaps the simplest example of the application of this rule, everything counts. You’ve heard it said that you never get a second chance to make a good first impression. The fact is that when you meet a person, he makes a judgement about you in approximately four seconds, and his judgment is finalized largely within 30 seconds of the initial contact.

I support and believe in informal Masonic social clubs and or associations. Their members are united by a common interest or goal. These informal Masonic groups, for example, exist for voluntary charitable activities. They have a purpose to help others in need. Communities rely on volunteer charitable groups to make their communities a better place.

These informal clubs and association must remember, it is important to know the proper dress code while in Lodge. There is no such thing as “Casual Dress” in this jurisdiction. The dress code in Lodge is under the direction of the Worshipful Master who may consider: 1) Business Dress, 2) Semi-formal Dress, 3) Morning Suit and 4) Formal Dress. It has become an established practice, the Worshipful Master may permit Highland Dress and or Mess Kit or likeness as Semi-formal Dress.

There is a philosophy in the way we dress while inside the Lodge. Its principle is good taste. Its practice is to wear such dress as shows respect to the membership and expresses the dignity of the Craft.

***“You will find the key to success under the alarm clock”
(President Benjamin Franklin)***

Everyone has experienced meetings that took up far too much time and accomplished far too little. Unfortunately, this sad state of affairs has happened so often that you may find yourself becoming numb to the fact that your meetings aren't as good as they should be or could be. You can make your meetings better. The power is within you, whether you are the Worshipful Master or a member. Start on time and end on time. Everyone has suffered through meetings that went way beyond the scheduled ending time. That situation would be fine if no one had anything else to do.

Lodge meetings can easily get off track and stay off track. The result? Meetings do not achieve their goals. Worshipful Masters and members must actively work to keep meetings focused on the purpose of the meeting, i.e.: Installation of the Worshipful Master.

An example of good time management was at Georgina Lodge No. 343 Installation. I attended, along with three Past Grand Masters, the District Deputy Grand Master and numerous other Grand Lodge Officers. It was one of those special occasions where a father (R.W. Bro. George McCowan) installed his son (Bro. Kenneth McCowan).

The Installation of the Worshipful Master should be a very memorable event for the Master-Elect and his family. It was important to Bro. McCowan to have his mother, aunt, uncle, wife and children present. It was important for the family to

present Bro. McCowan his new regalia and gavel. All presentations took place at the banquet before the Installation, allowing his young family and visitors to leave at a reasonable time prior to the Installation. Congratulations Georgina Lodge for considering others when making plans to install your new Worshipful Master.

I have asked the 548 Worshipful Masters in this province and I ask you to follow these three simple objectives, with our new and senior members:

Create a welcoming, friendly and supportive environment to all our members, but especially to our newest members, to create a positive atmosphere for learning. New members do not want to be ignored. If you were ignored, would you come back? I don't think so.

Utilize the skills of your membership. This generation has skill sets beyond imagination. We need to ensure we utilize their skills. I believe an active lodge is a healthy lodge, whether you're building it up with new members or engaging current members.

Give them the opportunity to lead, not just being the Worshipful Master, but also taking a leadership role in our ritual. Mentor them to learn a new piece of work that "you always do" and get them involved in the management of your lodge and your lodge building.

NEW TECHNOLOGY:

"As you cherish the things most worthwhile in your family life, cherish the things most worthwhile in your company."

(Wm. B. Given, Jr.)

When Y2K arrived (Year 2000), many were ready to party while others predicted catastrophe at the end of the year from a small assumption made long ago when computers were first being programmed. The problem existed because most dates in computers were programmed to automatically assume the date began with "19". But when the date was to turn from December 31, 1999 to January 1, 2000, it was prophesied that computers would be so confused that they would shut down completely. Others worried specifically about banks, traffic lights, the power grid and airports, all of which were run by computers. Some doomsayers warned that the Y2K bug was going to end civilization as we know it. However, when the date changed to January 2000, very little actually happened.

The message of Freemasonry is eternal and never needs changing! Yet, how we communicate Freemasonry must continually change.

Forward thinking organizations, be it the Eastern Star, Freemasonry or your church of worship, realize that they must continually reinvent themselves. These same organizations meet the changes with a positive message and championed new technology. Freemasonry needs to overcome its fear of change or run the risk of being viewed as antiquated.

Technology has given other organizations a wonderful opportunity to connect with their customers; which I suggest, improved customer service satisfaction.

I think much of the discomfort of Masons with technology, and possible ill effects can be ascribed to the social and cultural turmoil that accompanies a paradigm shift of this scope. Are we wholly ill equipped to manage information with new technology with old constructs? Has this led to confusion, inefficiencies and many stressed out lodge secretaries? Are we on a collision between new technology and those who are still in the analog world, causing a paradigm clash?

I believe we have no choice but to become a Digital Grand Lodge or we will be left

behind. Today's Mason must use the digital road that lies in front of them. The world is digital, so we must become a Digital Mason. Like it or not, technology is here and it is continuing to play a bigger part in our lives. You can't ignore it. You must embrace it, especially if it enhances the customer service satisfaction. If we don't, I fear this generation will not be part of Freemasonry. I acknowledge it may be difficult at first, both procedurally and financially to become a Digital Grand Lodge.

We are fortunate to have four dedicated full time employees at Grand Lodge. To become a Digital Grand Lodge in today's environment, we need to ensure our office staff receives the necessary training and give them the tools to become more efficient and prepare them to take on added responsibilities, such as an office supervisor. Training our office staff is an important issue that deserves our time and consideration. There are several federal and provincial laws for which employee training is either required or recommended. After all, when you invest in employee training, you are investing in your employees and our organization's future. Providing employee training and development can provide a valuable return in both the short-term and long-term. I strongly recommend when preparing our budget for next year, don't forget to include employee training.

Grand Lodge has invested a lot of funds to improve our electronic communications. The time is now and I recommend all aspects of the administration of the Grand Lodge website be under the direction of Grand Secretary and his office staff. In my opinion, the Communications Committee should only be responsible for the content and not the administration of the website or signing multi thousand dollar contracts with outside providers on behalf of Grand Lodge. To accomplish this, and following the previous recommendations of your Grand Lodge, the hiring of an office manager should be considered. This person must be a Mason who has corporate knowledge and the necessary skill set to make us a Digital Grand Lodge. The selection committee, I recommend, should consist of the Deputy Grand Master (chairman), the Grand Secretary and a Board Member(s) selected by the Management Committee.

“Never give up. Today is hard, tomorrow will be worse, but the day after tomorrow will be sunshine” (Jack Ma, founder of Alibaba Group).

EMAIL/FACEBOOK/SOCIAL MEDIA:

Think! Before you press Send! I should also like to mention here that the internet is not the place to discuss personal disputes. We all pledged to support our brethren's good names in their absence as we would do in their presence. Some thoughts are better when not shared. Once your email is sent, anything can happen, and sometimes, this “anything” is not necessarily good for Masonry. The main lesson that one should learn from this, every time you send an email you are putting your personal reputation into play and the reputation of all Masons.

I remind the brethren, the Standard Logo of Grand Lodge as described in Section 3.1 of the Constitution of Grand Lodge is a Registered Trade Mark logo. Further, we have received complaints that brethren are using some type of symbols or logos to identify themselves as Freemasons while transmitting messages over the internet, including emails, Facebook, Twitter or other social media mediums. No one really has a problem with that, as long as the message is appropriate and of good taste. The test should be, before sending a message: “Would I want this message printed on the front page of the Toronto Star?” Or, “Would I want my

mother, wife, sister or child to read this message?" If the answer is no, you should not be sending the message.

Brethren, take the time and read Section 409 of the Constitution of Grand Lodge: A member of the Masonic Order accepts the responsibility for maintaining a mode of life and conduct that is not only above reproach but is an example of good behaviour within the community.

TAKE LEADERSHIP SERIOUSLY

"It's not what you are that's important, the issue is what you are willing to become." (John MacArthur Jr. President Master's Seminary).

When I was installed as Grand Master on July 18, 2013, I said to you: "I know how much work it takes to get here, and I will never take the responsibility lightly. But since experience is what you gain when you don't get what you want, I can now safely say I have gained the experience to lead this organization. I know the joys of winning and the hurt of losing and this has made me ready, with your continued support, to be your humble servant."

As a senior manager/leader in my private and professional avocation, nothing is more important than developing the necessary organizational skills around you. Developing organizational skills is more than just sending your future leaders on a training course. The real foundation for leadership development is found in the daily activities of management. These activities consist of assessing what our members need in order to develop, give them the opportunity to lead while at the same time getting the work done. Provide positive feedback that will give them the value of your input while also showing them you appreciate their best efforts.

Thirty years ago, when M.W. Bro. Ronald Groshaw was our Grand Master, we had a membership of 106,000, in 650 lodges in 47 Districts. There were 16 Grand Lodge Committees comprising of 83 members. Today, we have an actual membership less than 40,000 Masons in 541 lodges in 43 Districts. We have 41 Grand Lodge Committee and Sub-Committees with more than 260 committee members.

The math is simple. Something is not working. It wasn't too long ago, the Board of General Purposes consisted of 10 elected Board Members and 10 Appointed Board Members, five elected and appointed each year, serving a two year term. They didn't have Honorary Members. Are we top heavy? Do we have too many Lodges? Do we have too many Districts? Do we have too many Committees and Sub-Committees? These are serious questions that need to be addressed.

LET'S SET THE EXAMPLÉ, NOT BE THE EXAMPLE.

The world about us is becoming increasingly uncivil. A 2013 nationwide survey found that Americans encounter various acts of incivility an average of 17 times during the course of a week. I don't think this is purely an American phenomenon. We tolerate being talked at, instead of talking with each other. Listening has become an endangered skill. We have allowed divisions to grow into an abyss so deep that simply getting people into the same room to talk has become difficult, and at times impossible. We have allowed intolerance to evolve into self-righteousness, condemnation and, ultimately, persecution. And we all know that's wrong.

Civil dialogue is the cornerstone that allows us to see things from a more enlightened perspective. This is not about avoiding difficult and complex topics. It

is not about just “being nice” and keeping the dialogue on a superficial level. It does not silence those who wish to be heard. Instead, civil dialogue allows all voices to be valued, including those that may be of a perceived minority view.

Let’s look at our fraternal organization. We are taught to be good citizens and to welcome the opinions of others, we have learned how to be civil and respectful, and we respect all religions and welcome all believers in The Great Architect of the Universe, in whatever form that belief may take.

So if society hungers for a return to civility, and if we have the common language, tools, values and desire to create a better world, isn’t it our duty to do all that we can to breed civility back into society?

APPRECIATIONS

PAST GRAND MASTERS

Our Past Grand Masters for several years have been serving this Grand Lodge in various advisory positions, ready and able to assist any Grand Lodge Chairmen, including your Grand Master. They have done so admirably. They have won the esteem of the entire membership by their efficiency and devotion, and we are not only proud of them, but would like them to know that they have won our esteem. M.W. Past Grand Masters, the Deputy Grand Master and I thank each of you for the wise counsel you have freely given to us over the past two years.

I wish to personally thank M.W. Bro. Ronald E. Groshaw, as Chairman of the Grand Lodge Awards Committee for attending Golden Star Lodge No. 484 in Dryden, Ontario (Western District), assisting me in presenting the William Mercer Wilson Medal to Brother John Kennedy. I know the brethren in Dryden appreciated your attendance and participation.

CUSTODIAN OF THE WORK

M.W. Bro. D. Garry Dowling, Custodian of the Work and his team completed another successful series of Lodges of Instruction. This year they visited lodges as far north as North Bay. From there to Ottawa then returning to Toronto. In 11 days his team completed 9 sessions. I encourage all Master Masons, including Lodge Officers, Past Masters and even Past Grand Lodge Officers to seek out and attend one of the sessions offered by the Lodges of Instruction under the direction of the Custodian of the Work. Take advantage of what the Lodges of Instruction has to offer you. You won’t be disappointed and you will learn something new.

The Custodian of the Work answers all questions relating to our Ritual. His written interpretations of the Ritual were logical, intelligible and clearly communicated. Thank you M.W. Bro. Dowling for taking on this very important responsibility and congratulations on your reappointment as Custodian of the Work.

DEPUTY GRAND MASTER

As the President of the Board and Chairman of the Management Committee R.W. Bro. John C. Green, Deputy Grand Master has championed the various Masonic programs to advance Freemasonry. As an example, at our last Annual Communications of Grand Lodge, the brethren directed the Board of General Purposes to focus its attention on the specific goals that make up the Yearly Tactical Plan for 2014-2015. All committee work, mandates, roles and responsibilities are important and we are obligated to ensure we address those issues. The Yearly Tactical Plan priorities our work for the coming year. Through

the leadership of the Deputy Grand Master, 6 of the 8 Strategic Imperatives were completed, one partially completed (2014-08) and the other (2014-04) will continue to be worked on and be part of our 2015-2016 Yearly Tactical Plan.

It has been a great honour and privilege to work with the Deputy Grand Master for the past two years. I am grateful for the advice I have received from R.W. Bro. John C. Green. I have maintained a close association with him as he served this Grand Lodge with honour and distinction. I can comfortably say, I know him to be a good man. We all look forward to working with our new leader, he who undoubtedly will be Grand Master, an office in which he so deeply deserves.

MEMBERS OF THE BOARD

My sincere thanks are offered to the Members of the Board of General Purposes for their dedication and commitment to serve the brethren of Ontario. My job was easier because of the work they have done serving the membership. I am proud to say, I have worked with true leaders and I appreciate your accomplishments.

Our Grand Lodge has been fortunate to have benefited from the excellent leadership of R.W. Bro. Scott Drummond, chairman of the Lodge Resources Committee. R.W. Bro. Drummond will be retiring from the Board after this Communication. During his time on the Board, he was a dedicated member who served with distinction. His leadership will be missed. We all wish you good health and continued success in your present avocation.

Reluctantly, I accepted the resignation of R.W. Bro. Robert Kliaman as an Honorary Member of the Board of General Purposes. I appreciated the assistance he has given to the Board of General Purposes when he was an active member. R.W. Bro. Kliaman continues serving Grand Lodge as the Assistant to the Grand Secretary.

DISTRICT DEPUTY GRAND MASTERS

I would also like to thank the 43 District Deputy Grand Masters as the Grand Master's representative in your respective Districts. It was a pleasure working with you this year. The knowledge and skills you received during your year as the Grand Master's representative become more valuable now than ever before. I can assure you, "your value will be NOT what you know; it will be what you share." I thank you for your service.

ELECTED GRAND LODGE OFFICERS

I thank the Grand Senior Warden, R.W. Bro. Terrance Van Horne, the Grand Junior Warden, R.W. Bro. Richard H. Cadotte and the Grand Registrar, R.W. Bro. Roger J. Hillier for your dedication to your respective office. You performed your duties and responsibilities with equality and uprightness, bringing dignity and integrity to your office.

GRAND CHAPLAIN

The Grand Chaplain, R.W. Bro. Edward (Ted) Morris, I thank you for your dedication to your office. You have delivered your pastoral duties with energy and enthusiasm attending several of the dedication ceremonies. I personally thank you for your contributions to the Craft.

GRAND DIRECTOR OF CEREMONIES AN ASSISTANT GRAND DIRECTOR OF CEREMONIES

Words cannot adequately explain the contributions of the Assistant Grand Director of Ceremonies, V.W. Bro. John Demonkos and his wife Elizabeth with all they gave to support this Grand Lodge and the Grand Master throughout this Masonic year. Travel throughout this large province was made easier when the Assistant Grand Director of Ceremonies has his own personal turbo twin prop airplane that comfortably seats 8 persons. A five hour flight was a lot easier than an 18 hour drive. Please give my thanks to your co-pilot, Mr. Florin Popa. Thank you John and Elizabeth, you made my term as Grand Master very special.

There is so much I can say about our Grand Director of Ceremonies. I will start with a heartfelt thank you. I have been fortunate and honored again, to have a hard working and committed Grand Director of Ceremonies. R.W. Brother William (Bill) Utton and Brenda became household names around the province. They are a true, sincere, down to earth, and gracious couple who were well liked by all. R.W. Bro. Utton performed his duties with honour and dignity as an "*Aide de Camp*". His strength was his meticulous filing system ensuring every detail was carefully preplanned on every scheduled event. All I really needed to do, was just show up. Thank you Bill and Brenda. I will always treasure our friendship.

GRAND SECRETARY

I have benefited from our Grand Secretary's experience, wise counsel and knowledgeable advice. M.W. Bro. Terence Shand, well known around the world for his fraternal manner towards all the brethren, regardless of distinction of rank or position, his courtesy and tact, his unfailing attention to detail, and ready devotion of time and energy, have been actuated solely by his desire to advance the best interests of this Grand Lodge in every way possible. These qualities have earned him the admiration and respect of all who know him or heard of him. Thank you for guiding me through my years as Deputy Grand Master and ultimately, Grand Master. But more importantly, our friendship. Also please send my personal thanks to your daughter Kim for all her assistance she gave me over the past two years.

For the past four years, I relied on the support of our office staff. They are truly amazing people who work far beyond our own high standards. I will always appreciate your guidance and assistance. Thank you Gail, Stacey, Kathy, and Jennifer. It was my pleasure working with you.

CONCLUSION

I have been given the greatest opportunity in a life time being elected and installed as your Grand Master. My only regret, I had to do this journey on my own. So before I leave, I would ask each of you to consider your life balance. I know what it's like losing someone you truly love. That happened to me 5 years ago and it seems like yesterday. Thank you all for being there when I needed you the most. I will always cherish our friendship.

The services I have been able to render to this Grand Lodge and to the membership have been possible mainly because of the co-operation and accord which I have always received. My reward truly has been as continuous as my service, for I have watched the progress and advancement of my brethren as partly the result of my assistance and advice.

And finally, you need to ask yourself, “How is my life?”, because if it is not balanced, you cannot give Freemasonry your best. If you’re not a good father, husband, brother, son, friend or neighbour, chances are you won’t be a good Mason. Remember family and work obligations come first, but work hard for your lodge.

I worry that many great leaders won’t take on the challenge to be District Deputy Grand Master or a Member of the Board of General Purposes, or ultimately, Grand Master, because they think they must be out every night. Brethren, live life wide but stay in balance.

My plea to you at this time is to keep the faith, learn from those leaders who have gone before and making our Masonry of today the badge of truth and honour, the icon of justice and virtue. Brethren, as I move on, let’s be the Mason you want Grand Lodge to represent. It certainly has been my pleasure representing you and being your humble servant. Thank you for the memories!

Donald A. Campbell
Grand Master

Independent Auditor's Report

To the Most Worshipful Grand Master, Officers and Members of Grand Lodge of Ancient, Free and Accepted Masons of Canada in the Province of Ontario Inc.

Most Worshipful Sir and Brethren:

We have audited the accompanying financial statements of Grand Lodge of Ancient, Free and Accepted Masons of Canada in the Province of Ontario Inc., which comprise the statement of financial position as at April 30, 2015, and statement of operations and change in fund balance, statement of operations and changes in fund balances for the General and Segregated Funds, statement of expenses – General Fund, and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Grand Lodge of Ancient, Free and Accepted Masons of Canada in the Province of Ontario Inc. as at April 30, 2015 and the results of its operations, changes in fund balances and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Notes to the financial statements

April 30, 2015

1. Description of the Organization

The Grand Lodge of Ancient, Free and Accepted Masons of Canada in the Province of Ontario Inc. (the "Organization") is a not-for-profit organization which serves as the central administrative body for Masonic Lodges in the Province of Ontario.

The Organization is exempt from income tax under section 149 of the Income Tax Act.

2. Significant accounting policies

Fund accounting

The Grand Lodge of Ancient, Free and Accepted Masons of Canada in the Province of Ontario Inc. follows the restricted fund method of accounting for contributions.

The General Fund reports the Organization's administrative activities.

Revenues and expenses related to the 175th Anniversary Fund, Special Retirement Fund, Commutation Fund and Memorial Fund are combined and reported in the Segregated Fund.

Cash and cash equivalents

Cash and cash equivalents include cash on hand, balances held with banks, and highly liquid temporary money market investments with original maturities of three months or less from the date of the acquisition.

Capital assets

Capital assets are recorded at cost less accumulated amortization. Only expenditures in excess of \$5,000 are capitalized. Amortization is provided using the straight-line method over the useful life of the assets as follows:

Computer equipment and workstations	3 years
-------------------------------------	---------

Revenue recognition

Restricted contributions related to general operations are deferred or recognized as revenue of the General fund in the year in which the related expenses are incurred. All other restricted contributions are recognized as revenue of the appropriate restricted fund.

Unrestricted contributions are recognized as revenue of the General Fund in the year received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Financial instruments

The Organization's financial instruments are comprised of cash and cash equivalents, funds held for committees, accrued dues, receivables, investments, notes receivable and accounts payable and accruals.

Cash and cash equivalents, funds held for committees and investments are initially recognized at fair value when the Organization becomes a party to the contractual provisions of the financial instrument. Subsequently, they are carried at fair value with changes in fair value recorded in the statement of operations. All other financial instruments are measured at amortized cost.

Grand Lodge of Ancient, Free and Accepted Masons of Canada in the Province of Ontario Inc.

Notes to the financial statements

April 30, 2015

2. Significant accounting policies (continued)

Financial instruments (continued)

Transaction costs related to financial instruments measured subsequent to initial recognition at fair value are expensed as incurred. Transaction costs related to other financial instruments are added to the carrying value of the asset or netted against the carrying of the liability and are then recognized over the expected life of the instrument using the effective interest method. Any premium or discount related to an instrument measured at amortized cost is amortized over the expected life of the item using the effective interest method and recognized in operations as interest income or expense.

With respect to financial assets measured at cost or amortized cost, the Organization recognizes in operations an impairment loss, if any, when there are indicators of impairment and it determines that a significant adverse change has occurred during the period in the expected timing or amount of future cash flows. When the extent of impairment of a previously written-down asset decreases and the decrease can be related to an event occurring after the impairment was recognized, the previously recognized impairment loss is reversed to operations in the period the reversal occurs.

Use of estimates

In preparing the Organization's financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the period. Actual results could differ from these estimates. Significant areas requiring management estimates include amortization of capital assets, determination of useful lives of assets and calculation of accrued liabilities.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Committee is pleased to report that the finances of your Grand Lodge are in excellent shape following the close of the Masonic year 2014 – 2015. At this time last year we were forecasting a balanced budget for the year. Instead of a balanced budget we ended the year in a surplus position due to two factors. As usual your Grand Lodge Committees have been very prudent with the funds allotted to them. Only approximately 68.5 % of the funds allocated to your Grand Lodge Committees was spent during the past Masonic year. The main reason for the surplus was that the funds budgeted for a Grand Lodge Office manager were not spent. Your committee has for several years recommended that there is a need to look at how our Grand Lodge office is organized and run for the future. The committee is convinced that the hiring of a skilled Office Manager with a background in Information Technology is a necessary first step in the planning for the future operation of the Grand Lodge Office.

Once again your Grand Lodge has benefited from strong stock market gains which have led to an increase in the assets of Grand Lodge. The Audit & Finance Committee along with Grand Treasurer in the coming Masonic year will study the possibility of postponing the Grand Lodge Assessment scheduled for introduction in 2016 due to our present financial position. When the last Grand Lodge Assessment was implemented in 2011 a commitment was made to not increase the Assessment for 5 years.

The following tasks were completed by your Audit & Finance Committee during the past Masonic Year.

- 1) Financial Statements of all Grand Lodge Funds were reviewed on a monthly basis.
- 2) The annual reports of the Grand Secretary and the Grand Treasurer were reviewed and the committee recommends the adoption of these reports.
- 3) The Investment Policy Statement was reviewed and updated.
- 4) Financial Statements for the College of Freemasonry and the Newsletter Reflections were monitored quarterly. As of April 30, 2015 Grand Lodge held in trust for the College of Freemasonry \$40,130 and for the Newsletter Reflections \$13,004.
- 5) The Grand Lodge insurance policies, the Grand Lodge Insurance Program and the Grand Lodge Pension Plan were reviewed. As of January 1, 2015 the rates for property coverage under the Grand Lodge Insurance Program were increased on average by 2%. The rate increase is the first since the program was introduced in 2009. The rate increase was due to several large losses that occurred under the program during the past Masonic year. Rates for liability coverage remain unchanged.
- 6) Grand Lodge staff salaries were reviewed and adjusted as needed.
- 7) The rolling 5 year Budget for Grand Lodge was updated.
- 8) A budget was established for Grand Lodge for the 2015-2016 Masonic year.
- 9) The committee adopted a new financial policy of doing an independent review of supporting documents for Grand Lodge Expenditures in the Spring and the Fall. The first review was done May 12, 2015. Everything was found to be in order.

Committee Recommendation:

- 1) Your committee recommends that a new debenture of \$150,000 be given to Masonic Holdings at an interest rate of 3 % to be repaid to Grand Lodge over 6 years. The Grand Lodge building in Hamilton requires some major repairs. By issuing a debenture we can finance the repairs at a more favorable rate than can be obtained from commercial sources.
- 2) The committee once again recommends the need to look to the future and plan a restructuring of the Grand Lodge Office to prepare for succession planning and changing circumstances.

Investment Portfolio:

The committee met with 1832 Asset Management L.P. (formerly Scotia Asset Management) three times during the year to review our investments and the income generated by those investments. As of April 30, 2015 the General Fund of Grand Lodge stood at \$2,836,369 as compared to \$2,432,199 on April 30, 2014. The other Funds under the purview of this committee totaled an additional \$3,224,695 which is detailed in the notes of the audited financial statements. The overall Investment Portfolio of Grand Lodge as of April 30, 2015 stood at \$6,061,064 compared to \$5,448,097 on April 30, 2014. All investments have been expressed as market value. We recommend, along with the Grand Treasurer, that 1832 Asset Management L.P. continue to be engaged as the Grand Lodge portfolio manager.

Financial Statements:

The audited financial statements of Grand Lodge for the year ended April 30, 2015 were reviewed and discussed in detail with our auditors, Deloitte L.L.P. at a June 3, 2015 meeting of the Audit & Finance Committee. These audited financial statements can be found elsewhere in the Annual Proceedings. For the year ended April 30, 2015, the General Fund of Grand Lodge experienced before the application of unrealized capital gains or losses on investments an excess of revenue over expenses of \$98,422 for fiscal 2014 to 2015. This compares with an excess of revenue over expenses of \$240,399 for fiscal 2013 to 2014. The consolidated financial statement for all our funds shows an excess of revenue over expenses of \$128,390 before the application of unrealized capital gains or losses on investments.

The committee recommends that the audited financial statements for the year ended April 30, 2015, be adopted as submitted. We also recommend the continued engagement of Deloitte L.L.P. as our auditors. We thank our auditor David Tonin CA and his team for conducting the audit to meet the time lines required by Grand Lodge.

Budget:

The requirements of all Grand Lodge Committees were used in the preparation of the annual budget for Grand Lodge for the year ending April 30, 2016. The requirements of the Grand Lodge Committees for the coming Masonic year total \$112,400.

The budget for the General Fund for the coming year is set out in the appendix of this report which reflects anticipated revenue of \$996,300 and expenses of \$1,014,600 before the application of unrealized gains or losses on investments. The anticipated budget deficit is \$18,300.

Your committee submits for your consideration and approval the estimate of revenue and expenses as they relate to the General Fund for the period ending April 30, 2016. The committee believes that the budget set out in this report is realistic and provides for items that can be reasonably foreseen to meet the obligations, financial responsibilities and commitments of the General Fund of Grand Lodge for the coming year.

Charitable Donations:

No donations were made by the Grand Master on behalf of our Grand Lodge during the past fiscal year.

My sincere thanks go to the members of my committee, R.W. Bros. Norman McCarthy, Thomas Hogeboom, Patrick McGrenere, Brian Koivu, Randy Hawken, V.W. Bros. Paul

Skazin and Alan Stoddart for their support and dedication during the past Masonic year. The assistance provided to the committee by the Grand Secretary and the staff of Grand Lodge during the past year is greatly appreciated. To the Ex-Officio members M.W. Bro. Donald A. Campbell, R.W. Bros. John C. Green, David Armstrong and Edward Standish your attendance and input was valued and appreciated by the committee. Respectfully and fraternally submitted on behalf of the committee.

JAMES C. SUTHERLAND, Chairman

REPORT OF THE GRAND TREASURER

This Report was presented by R.W. Bro. T. W. Hogeboom, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. T. W. Hogeboom, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Again I have the pleasure and honour at this, our 160th session of our Annual Communication, to submit the Grand Treasurer's Report for the Masonic year 2014 – 2015. And once again, I can assure you, that as the 'Financial Conscience of our Grand Lodge,' the finances of our Grand Lodge are in a sound and satisfactory state and that the bottom line indicates further growth in our financial assets. It also gives me a great deal of pleasure to be able to repeat my comment from last year that those responsible for the administration of the affairs of your Grand Lodge are worthy of much credit for the excellent financial statements and unmodified audit that is printed in these Proceedings.

The foundation of our sound financial position is due in no small part to the professional management of the Grand Lodge investment portfolio under the direction of our Portfolio Manager, Marcia Wisniewski, of Scotia Private Client Group 1832 Asset Management L.P. Again, we have been most pleased with the wisdom and care exhibited in the management of these funds and recommend the approval of our continuing this relationship on the existing terms.

As for the Grand Lodge investment strategy, our asset allocation ranges in our Investment Policy Statement have not changed over the last year but the benchmark mix continues to fluctuate as the market changes. Our current Investment Policy for the General, Commutation and Memorial Funds restricts our Portfolio Manager to set the minimum and maximum allocation for bond investment between 10 and 65% with a benchmark target of 40% - we are currently holding 36% of our investments in bonds; the equities investment portion between 30 and 70% with a benchmark of 55% - we are currently holding 61% of our investments in equities; and with a cash allowance of 0 to 20% and a benchmark of 5% - we are currently holding 3% of our resources in cash. These numbers are current to the close of the fiscal year ending April 30, 2015. Our Investment Policy stipulates that the fixed income securities must be rated at least BBB by a recognized rating agency; that the equity portion of our investments must be on the approved list of 1832 Asset Management L.P.; and that while the use of pool funds is permitted, derivative instruments and hedge funds are not. With these parameters and restrictions of our Investment Policy, you can rest assured that your Grand Lodge will continue to invest prudently and conservatively enough to never risk the advantages made in this area by our predecessors.

At our last investment portfolio review on June 3 for the year ending April 30, 2015, Scotia noted an increase in our portfolio percentage yield at year end of 7.7%. Our combined portfolio asset base in the last fiscal year increased by \$553,543, after some interest withdrawals to run our Grand Lodge and our fund management fee, to a closing market value of \$6,067,170. For those of you who have been listening to this report for the last twenty-five years since we enlisted a fund management firm, our portfolio has increased by over 260% from \$2,310,967 on October 1, 1990 to today's value as previously mentioned.

For the 2015 – 2016 portfolio year, Scotia is again projecting a modest rate of return of 3.74% or a cash return of \$226,912 less the management fees of 65 basis points.

Those of you who have been listening to the report of your Grand Treasurer for the last five years will remember a promise first made at our Annual Communication of 2011 when the Grand Lodge assessment was last increased that we would endeavour to not have

an increase for the next five years. During that period, this has been an annual item of discussion as V.W. Bro. Paul Skazin runs the financials during the annual budgeting process. You have to know that without this plan in place, your Grand Treasurer would never be in favour of a projected budget deficit of \$18,300 for the coming year. The surpluses generated during the first part of the five year plan were planned to cover the deficits during the last years of the period. We are most appreciative of all of the staff and Grand Lodge Chairman that have played a part in this plan coming together as predicted. That being said, the warning lights should be going off that the Grand Lodge assessment will be going under review in the coming year to avoid another year of deficit financing and to set the example for our lodges as prudent fiscal managers.

We wish to express our sincere appreciation to the Grand Secretary, M.W. Bro. Terence Shand, and his staff again this year for having a 'clean/unmodified' audit by Deloitte. It is very comforting to your Grand Treasurer to hear David Tonin report from our audit firm that the significant accounting practices, selected and applied by management are, in all material respects, acceptable under Canadian accounting standards for Not-For-Profit Organizations and are appropriate to the particular circumstances of Grand Lodge.

The Audit and Finance Committee of our Grand Lodge, under the chairmanship of R.W. Bro. James Sutherland, continues to review monthly, report to the Management Committee and the Board of General Purposes of our Grand Lodge when called upon and reports annually to the membership as a whole on all sources of income and items of expenditure. This job of managing every financial aspect of what is a very successful business with a budget in excess of \$957,000 per year is a daunting task and we must recognize all those volunteers involved, the Grand Lodge Committee Chairman and the Grand Lodge staff who monitor and manage within these boundaries. We commend each of those involved for their stewardship and commitment to the financial stability of our Grand Lodge. I continue to pledge my support and thanks to each and every Grand Lodge Committee, Chairman and the Grand Secretary who spend so much time detailing accurate and accountable annual budgets and then living within them as approved by the Management Committee and the Grand Master.

Sincerely and fraternally submitted.

THOMAS W. HOGEBROOM, Grand Treasurer

REPORT OF THE MANAGEMENT COMMITTEE

This Report was presented by R.W. Bro. J. C. Green, Chairman, and on motion of R.W. Bro. D. M. Sheen seconded by R.W. Bro. J. C. Green it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

As president of the Board of General Purposes and Chairman of the Management Committee I want to thank the members of the Board who have exercised significant time and effort to our various programs. These Committee Chairmen and Team Leaders have

played a valuable role in the progress of our Grand Lodge. The Management Committee thanks you for all you have accomplished along with the many committee members in moving our fraternity forward in any number of areas. Your efforts are greatly appreciated. I would be remiss if I didn't thank our Past Grand Masters for their support and advice. Their experience is a valued resource that should never be overlooked or forgotten. Grand Secretary you are a wealth of information and your assistance is greatly appreciated. Grand Master your support and confidence in my abilities is greatly appreciated and you have made my duties an enjoyable experience which I will carry with me well into the future.

The Management Committee met five times in the last year, addressing many items which are important to our Grand Lodge and Freemasonry in general. The Grand Lodge Management Committee conducts business in accordance to the Book of Constitution Section 136(1). The appointed members of the committee are: R.W. Bros. David Cameron and Ed Standish. The elected members are R.W. Bros. John Hay, David Sheen and Paul Todd. Also by virtue of their office M.W. Bro. Terence Shand [Grand Secretary], R.W. Bros. Tom Hogeboom [Grand Treasurer] and Jim Sutherland [Chairman of Audit and Finance] are members of the committee. This came about by the Constitutional amendments that were past at Grand Lodge last year. I want acknowledge the contributions of these brethren who act in an advisory role to the Grand Master as well as our Grand Lodge. As a Grand Lodge we are very appreciative of the effort that these dedicated individuals spend on our behalf.

The appointed and elected members act as liaisons to all Grand Lodge Committees and their respective Chairmen which are extended across five pillars.

1. CRAFT STEWARDSHIP; Liaison R.W. Bro. Paul Todd
Craft Stewardship includes the following: Long Range Planning, Condition of Masonry, Fraternal Correspondence, DDGM Orientation and Seminars & Workshops.
2. COMMUNICATIONS; Liaison: R.W. Bro. John Hay
Communications, Internal Communications, Website, Publishing Review and the Ontario Mason. These communicating vehicles provide venues of dispersing information to the lodges and their membership on a wide variety of Masonic interests for the benefit of everyone.
3. MEMBERSHIP; Liaison: R.W. Bro. David Cameron
Leadership Development, Lodge Resources which includes [Brother to Brother, Friend to Friend, Mentors, Officer Progression and Cornerstone], Masonic Education involves Library, Museum and Archives, College of Freemasonry, Reflections Newsletter and Book Sales. This pillar also includes Protocol & Etiquette which work closely with the Custodian of the Work.
4. OPERATIONS; Liaison: R.W. Bro. Ed Standish
This pillar works in two distinct areas, Finance and Operations. Finance pertains to Audit & Finance and Lodge Finance Advisory. Operations include the following: Constitution & Jurisprudence, Discipline, Benevolence, Building Infrastructure and Fraternal Relations.
5. COMMUNITY OUTREACH; R.W. Bro. David Sheen
This pillar is a valued public relations branch of our Grand Lodge operations because they are the committees that are exposed to the general public in many situations such as Blood Donors, Brock University Partnership, Youth Initiatives and Public Awareness. There is another venue where Freemasonry has public presence which is the MasoniChIP Program that operates as a separate program on behalf of Grand Lodge.

2014-2015 TACTICAL PLAN

The 2014-2015 Tactical Plan included 8 specific items that were assigned to a varied number of knowledgeable masons to address and report their findings as follows:

1. **2014 OFFICER PROGRESSION**
 Progress continues however at this time the project is not complete. The committee's report of April 15 indicates that a comprehensive report and recommended actions will be submitted by the 1st of June 2015. This project will likely be extended for another year or the recommendations coming out of the final report will spawn a new project for 2015-2016.
2. **2014 LONG RANGE PLANNING at the LODGE LEVEL**
 The Long Range Planning Committee has met the requirements of the project deliverables and measurements. This project is complete.
3. **2014 SEMINARS AND WORKSHOPS**
 The Seminars and Workshops Committee have met the requirements of the deliverables and measurements. Two well organized workshops were held in St. Thomas and Campbellford. The project is deemed complete.
4. **2014 PLANNED COMMUNICATIONS**
 The Communications Committee has answered the requirements of the deliverable and measurements. Identifying target audiences in future years is a planned process. The project is completed.
5. **2014 RE-WRITE THE APPLICATION FORMS**
 The committee managing this project is recommending that it may be appropriate to make changes to the application forms, however it would be premature without first having a Grand Lodge Privacy Policy. The recommendation is to strike a committee of masons knowledgeable in privacy laws to create a privacy policy before changing the application forms. This will be a project for the 2015-2016 Tactical Plan. This item is completed.
6. **2014 NEW BOARD MEMBER INTEGRATION**
 Leadership Development Committee has met the requirements of the project deliverables and measurements. Further implementations are subject to Constitutional changes. This project is deemed complete.
7. **2014 BEST PRACTICES FOR DEVELOPING NEW MASONS**
 The committee managing this project has met the requirements of the project deliverables and measurements. In the foreseeable future we will be introduced to a document entitled THE FIVE STEPS TO INITIATION. This project is complete.
8. **2014 WEBSITE E-COMMERCE**
 The Communications Committee has met the requirements of the project deliverables and measurements. This project is deemed complete. Implementation of the e-commerce plan will continue into the next Masonic year without need of a Tactical initiative.

At this time seven of the eight Tactical plan projects are complete. One will continue into next year. There will be a couple of new items for the next plan that will be necessary to complement what we have achieved this past year. I wish to thank all those who participated in bringing these proposed modifications to our Grand Lodge.

I would like to bring attention to our Grand Lodge and its membership some of the following items I think are important to the future of Freemasonry in Ontario.

After many years, SEMINARS and WORKSHOPS committee leaders went back on the road again by organizing two workshop events in St. Thomas and Campbellford. These days involve one hour presentations on a variety of items of Masonic interest. After an absence over many years the Management Committee is pleased with the success of these events. We always encourage our members to acquire as much Masonic knowledge as possible from various venues, but I believe that face to face communication is still one of the foremost endeavours to acquire knowledge. It includes the fellowship of other like-

minded individuals who are eager to learn where you can ask pertinent questions and receive the response while in attendance. I don't think we can ever replace the benefit of personal communications.

We also held TWO EDUCATIONAL EVENTS that were organized by the Masonic Education Committee. These were full day functions that included a number of different presentations, some from outside masonry, that talk about leadership, enthusiasm and technical approaches that benefit any opportunity that we may face, not only in Freemasonry but in our daily lives. One was held at Humber College and the other at the Barrie Masonic Centre. I was very impressed by the comments and compliments related to me by those in attendance. Again the person to person exchange of questions, thoughts and ideas, along with the fellowship, was a great experience for all who attended.

When you received the annual mailing from Grand Lodge office informing you of the various events and meetings at the Annual Grand Lodge Communication, at the Royal York in July, you will note there a number of CONSTITUTIONAL PROPOSALS submitted under my name on behalf of the Management Committee. I would ask everyone attending to consider the value of those proposed amendments as we endeavor to move forward as a Grand Lodge in these ever changing times. I will not try to sway you how to vote, although I might at Grand Lodge tell you that the Management Committee spent a considerable amount of time developing those amendments for presentation in July.

Further development of our COMMUNICATIONS STRATEGY is ongoing each year so we, as a fraternity, can proceed well into the future with communicating venues required by today's society.

The SANKEY LECTURES are now planned to continue at Brock University in future years. There is ongoing cooperation between Brock and Grand Lodge to host World Wide Masonic education forum at Brock in St. Catharines in later 2016 with a number of guest lecturers and scholars from many parts of the globe.

Interest continues to grow for the ONTARIO MASON MAGAZINE on the Grand Lodge website and we look forward to that continuing. I can assure you that any information and photos about any Masonic events in your lodge or district would be well received and published by the brethren preparing Ontario Mason.

2015-2016 TACTICAL PLAN is being developed at this time and it will be finalized and completed for consideration by early June. Some of items being considered are as follows:

- How to engage demitted and suspended brethren, as well as current but not attending members.
- Grand Lodge privacy policy (which will lead to further review of the application forms).
- Developing a five year marketing plan for Masonry in Ontario.
- Central membership database maintained through the Grand Lodge website.
- Creation of a unified resource for candidates (as a coordinated effort of the Membership pillar).
- Review and possibly rewrite of the Leadership Module of the College of Freemasonry.
- Development of educational videos for internal use within the Grand Jurisdiction and Creation of a document to teach memorization techniques.

There are still other possibilities being considered as well.

I also want to take a moment to thank all members of the board for their genuine interest and generosity of time they spend on committee work as well as all those committee members who serve our Grand Lodge voluntarily because of their dedication to Masonry. Our progress in Freemasonry would not be possible without the effort invested by these brethren. I would be remiss if I didn't mention the Board also invested valuable time on a three day retreat to discuss and strategize forward thinking for Grand Lodge. This was a retreat in the true sense [NO TELEVISION, NO WORK COMMITMENTS

and VERY LITTLE OUTSIDE CONTACT. JUST DEDICATING THREE DAYS TO MASONRY]. This was a challenging and enjoyable experience to further extend our combined effort for FREEMASONRY in the future.

Brethren, as we walk down this path in life as Masons always remember – BE PROUD OF WHO YOU ARE. BE PROUD OF WHAT YOU DO. BE PROUD TO BE A MASON.

Respectfully submitted

JOHN C. GREEN, Chairman

Secretary Seminars

During the past Masonic year a Lodge Secretary Seminar was conducted on October 25, 2014 for Chatham, Erie, Sarnia and Windsor districts. Lodge Secretaries attended a half-day symposium dealing with recent constitutional changes and a review of the responsibilities of Lodge Secretary relative to our Book of Constitution. The sessions provide an excellent forum for friendly interaction of ideas and information to address concerns, and to overview the operations of our Grand Lodge office and its staff. Secretary seminars in the coming year, if requested, can be arranged through the District Deputy Grand Master.

Conferences

In February 2015, I attended 'The Conference of Grand Secretaries in North America,' held at Vancouver, British Columbia. Several presentations and group discussions included; "Information and Data Security", "Social Media: Boon or Bane?". "Inter-Jurisdictional Communication", "Civility", the "Kansas Survey", and "Demit vs NPD".

In April 2015, I accompanied our Grand Master and Deputy Grand Master to the "All Canada Conference" held at Winnipeg. The theme, "Wither Are We Directing Our Course". Two presentations were made; one entitled, "Development of Masonic Leaders" and another regarding bullying, entitled "The Element" (Silent until Stirred). Jurisdictional questionnaire reports; on specific issues, concerning their present office were presented by each Grand Master and Deputy Grand Master. Reports were received on: the Western Canada Conference, Conference of Grand Masters in North America, the Conference of Grand Secretaries in N.A. and Commission on Information for Recognition. The conference concluded with a four group break out discussion followed by four presentations of issues relevant to the Grand Masters, the Deputy Grand Masters, the Grand Secretaries and the attending Observers.

Semi Annual Returns

As of this writing, seven Semi-Annual Returns, due January 8, 2015, have not been received at the Grand Lodge office. Subsequently, the July 8th return forms have not been mailed, negating the three principal officers an opportunity to vote at this Communication. A reminder . . . Section 300, Book of Constitution states, "Each lodge shall mail or otherwise deliver to the Grand Secretary, its returns and payments to Grand Lodge, semi-annually, on or before the 8th day of January and the 8th day of July each year." Please consider this responsibility an important one, particularly when considered in relation to Section 152 (p) Constitution of Grand Lodge, adopted July 2009. It is essential that the replacement of the Lodge Secretary receive adequate information and training prior to assuming his arduous duties and not just left with several boxes of secretary data at his feet. Lodge Secretary Seminars are available to lodges, upon request of the District Deputy Grand Master.

Closing Remarks

It is evident at your Grand Lodge office there are escalating instances of private Piques and Quarrels amongst certain of our membership. I share some comments on the topic, in part, from a U.G.L.E. publication of some years ago that is now published annually.

“There are from time to time instances of one Brother pursuing a grievance against another Brother or group of Brethren in so single-minded a manner, that, however well-founded some aspect of his grievance may have originally been, all sense of proportion has been lost and his actions have crossed the line between what is reasonable and what is not, so that they become vexatious and wholly unreasonable.”

Freemasonry; put in the language of today, is founded upon the principals of:

Kindness

Charity & Generosity, and

Integrity and Honesty.

Those principles – if they are to mean anything – clearly require the maintenance of the highest standards of behavior by Freemasons today.

Brethren

Be part of the Solution by Resolution, and not part of the Problem by Intolerance.

Respectfully and fraternally submitted.

TERENCE SHAND, Grand Secretary

On motion of the Deputy Grand Master, seconded by the Grand Secretary, the Report was adopted by Grand Lodge.

REPORTS OF THE DISTRICT DEPUTY GRAND MASTERS

Forty-three reports of the District Deputy Grand Masters were presented to the Deputy Grand Master and, on motion of Grand Secretary, seconded by R.W. Bro. R. E. Groshaw they were referred to the Board of General Purposes.

REPORT OF THE DISCIPLINE COMMITTEE

This Report was presented by R.W. Bro. D. E. Jacklin, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. D. E. Jacklin, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This year there were no Masonic trials, and no Appeals from verdicts at Masonic trials. Consequently no reviews by this committee are necessary.

Two Certificates of Severance were approved and issued. This procedure continues to work well saving both lodge and individual brother potential embarrassment and unwanted publicity.

Private piques and quarrels continue to be brought to Grand Lodge resulting in unnecessary waste of time and resources.

Your committee fully endorses and supports the actions of the Grand Master and Grand Secretary in dealing with the discipline issues which came to their attention this year.

Respectfully submitted on behalf of the committee.

DAVID E. JACKLIN, Chairman

REPORT OF THE GRAND CHAPLAIN

This Report was presented by R.W. Bro. Edward R. Morris, Grand Chaplain

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Thank you, Most Worshipful Brother Campbell, for widening the circle of my Masonic experience and providing the opportunity of meeting brethren throughout the jurisdiction. This has been a year of dialogue, primarily with the district and craft lodge chaplains.

I had the pleasure of attending the Grand Master's receptions in several districts, the dedication of buildings, cornerstones, and artifacts, and the convening of Grand Lodge to coincide with these events. My travels included the celebration of 100th anniversaries, installations, presentations of honours and long service jewels, and being called as a substitute chaplain for ailing brethren. I was ably assisted by Assistant Grand Chaplains when I was unable to attend some functions.

My goal was to be visible and available, to listen, and to learn as well as assist.

Our lodge Chaplains are invested with the responsibility of maintaining the universal tolerance that marks our institution and to teach lessons of morality. But the job comes with no other instructions. The Toronto West District Chaplain, Brother The Reverend Doctor Neville Smith, conducted a Chaplain's seminar that was instrumental in my completing a guide for Lodge and District Chaplains. This booklet is now in the hands of the Grand Master.

We display visible lights in East, South, and West, but the chair in the North has an aura of its own, subtle and gently persuasive. Thank you

Respectfully and fraternally submitted.

REPORT OF THE COMMITTEE ON THE GRAND MASTER'S ADDRESS

On motion of the Deputy Grand Master, this Report was presented by M.W. Bro. C. Edwin Drew, seconded by M.W. Bro. G. L. Atkinson, and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is my privilege, on behalf of the Committee composed of the Past Grand Masters, to present the report on the Grand Master's address.

We heartily endorse the welcome extended to our members and the invited guests and share in the hope that all will enjoy their time spent with us.

We are saddened by the passing of so many distinguished brethren.

Our congratulations are extended to the William Mercer Wilson recipients, to those who are appointed to the Board, to the Grand Representatives and the recipients of the Meritorious Service award.

Our Grand Master is commended for the many visitations and recognitions, special anniversaries, dedications, conferences and communications he attended on our behalf. The International Plowing match, the Royal Arch Masons and the Shrine Ceremonial were also favoured with his presence.

We share his concern over the number of private piques and quarrels which he dealt with during his term.

We are pleased with the emphasis that he has placed on Masonic Education, proper protocol and etiquette and attention to timing. His encouragement to utilize the skills of our members, and to embrace the new technology which is available, and a timely reminder on the care to be exercised in the use of e-mail.

The kind remarks directed to the Past Grand Masters are very much appreciated.

We are pleased to endorse his recognition of the contributions made by the Custodian of the Work, the Deputy Grand Master, the Grand Secretary, the District Deputy Grand Master, the Grand Officers, the members of the Board of General Purposes and the Ladies in the Grand Lodge Office Staff.

The Grand Master recommends consideration of the appointment of an Officer Manager for the administrative duties of Grand Lodge, this echoes the recommendations made by several of his predecessors.

In the opinion of the Committee, immediate steps should be taken to embark on this process.

The Grand Master concludes with an admonition to balance all of the challenges in your life, which he himself has done so well in so many areas over so many years.

We urge our members to read and digest the printed copy of the address by our Grand Master, it contains so much valuable information which may be missed in the condensed oral presentation.

Respectfully and fraternally submitted.

ANNOUNCEMENTS REGARDING REPORTS

The following remaining Committees were adopted for printing as written.

REPORT OF THE LIBRARY, MUSEUM and ARCHIVES COMMITTEE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the Committee it is my pleasure to report on the activities of the Library, Museum and Archives Committee for the past Masonic year.

Library

This year your Committee consisted of R.W. Bro. Lanny Salmon (Team Leader), James Ford (Grand Librarian), Ron Bivens, V.W. Bros. Tom Peddle, Don Falconer and W. Bros. Milan Cobanov and Louis Jansurik. They were supported by the following volunteers, V.W. Bro. Rick Rutherford, Chas. Willmore and W. Bro. Robert Todd.

Objectives/Projects

- Arrangements were made for the Library to be open for the months of Sept-Nov 2014, Feb-May 2015 (Monday's – Tuesday's – Wednesday's – Thursday's from 10:00 am to 2:00 pm).
- Arranged for Brethren who could not visit the Library during the hours it was opened with a special contact telephone number to set up an off hours visit.
- Arranged for volunteers to be on duty at the Library during the stated days and times.
- We continued to catalogue and scan onto the Library website all books and materials for the Lending and Resource Libraries.
- We continued to restore books from the Reference Library for a fourth year.
- Renewed membership into the MLMA Association of North America.

However, we did have some problem areas:

- Computer system went down and took some time to replace and set up a new one:
- Some of the Brethren called and informed us that the Library Museum and Archive website was difficult to find on the Grand Lodge website.
- Over the course of the last three years the Library Committee has become increasingly frustrated with our Library World Managing System. We strongly feel that they have been unable to meet all of their objectives due to the system limitations. We are presently searching out other Library Management Systems.

Museum and Archives

This year the Committee comprised of V.W. Bro. Daniel Glenney (Team Leader, Grand Archivist), R.W. Bro. Michael Jenkyns (Grand Historian).

Objectives/Projects

- Web Site Development: contribution to development of Museum and Archives section: actual web site implementation project on hold, pending technical development of web site for Library, Museum and Archives, but research continues to collect historical data as background for eventual inclusion.
- Grand Masters Graves Commemoration: project continues emphasis now on Toronto - Hamilton area, legal issues of privacy and publication of on line images of gravestones is being considered. Deceased Grand Masters = 64 ; Graves visited and confirmed by volunteer = 33 ; Graves photographed = 21.
- Cornerstones: ongoing, list of cornerstones and other monuments dedicated by Masonic Order, examining Annual Proceedings now on line for relevant entries.
- Military Masons: ongoing, backgrounds on Canadian soldiers with a Masonic connection; most recent areas of focus are: Private Robert James Meekren, Canadian Army First World War, and Major John Norton, British Indian Department, War of 1812.

- Grand Lodge Coat of Arms: research into heraldic significance of Coat of Arms: project was temporarily put on hold to give extra time to Masonic Aprons project, but with completion of that project, work will now re-focus on Grand Lodge Coat of Arms.
- Masonic Aprons: research into pre 1855 era Ontario regalia and aprons: project completed, concentration was initially on the apron as worn by Sir John A Macdonald when he was initiated in 1844, but a definitive answer was not possible; however, considerable data was gathered on the general topic.
- Grand Lodge Artifact/Archives Collection: update inventory, photograph significant pieces; project to get under way, later this year.
- Museological projects: ongoing, includes Masonic education in regional Masonic Lodges and Royal Arch Chapters, advice on historical projects to local DDGM, preparation under way for major presentation to Heritage Lodge in October, 2015, and support to Ontario Mason Magazine.

Respectively submitted on behalf of the Committee.

CHARLES H. REID, Chairman

REPORT OF THE COMMITTEE ON SEMINARS AND WORKSHOPS

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behave of the members of the Seminars and Workshops committee I am pleased to submit our report for the period July 2014 to July 2015.

Mandate

“Providing, informative, instructional and interactive seminars and workshops on timely topics of importance to the Masons of Ontario”

2014 Review

Nine sessions were presented during the 2014 Annual Communication, they included:

- P & E- The Gordie and Georgie Show- R.W. Bro. Gordon Crutcher and R.W. Bro. George McCowan
- The Brock Partnership- R.W. Bro. Gareth Taylor
- Libraries, Museums and Archives- R.W. Bro. Charles Reid
- Blood Donor- R.W. Bro. Les Armstrong
- Officer Progression- V.W. Bro. Kevin Smith
- Mentors Program- R.W. Bro. Lenard Feldt
- Communications- R.W. Bro. Ian Wates
- Masonic Debate- R.W. Bro. John Forster and Adam Nesrallah
- Engaging the New Mason Revisited: R.W. Bro. Sam Kalinowsky

This is the first time we have filled the nine hours with nine different workshops, feedback received about this format suggested that having one or two of the more important topics repeated during the afternoon is preferred by the attendees, this is to maximize the benefit of each session, and not force attendees to choose between two sessions that both may have benefit to the Brother or the Lodge. Overall the evaluations once again show a large number of the Brethren enjoyed the sessions and found them of value. Suggestions for improvement were noted and several will be incorporated into the 2015 session.

Attendance this year was high, however some workshops were full to overflowing and others although they scored high on the evaluations, attendance could be term disappointing. The committee does not believe this is an indication the Brethren are not

interested in a particular topic, nor that the subject or presentations were sub-standard, it may be attributed to the fact that we just stretched our attendance too thin on this occasion by having so many topics.

2014 Meet the Nominees

The Seminars and Workshops committee once again coordinated this event in 2014, due to the fact I was a Candidate for office last year R.W. Bro.'s Geoff Clays, Gary MacGregor and Jamie Ireland handled this session. This has become an important opportunity for the voting Brethren to meet those who were letting their name stand for the various Grand Lodge positions. Held once again in Salon A from 7:00 pm to 8:30 pm, with an attendance of 145 based on comment card being returned; again probably 10% did not take a card. Although we only get a small percentage of those who cast ballots, over 85% of those who filled out evaluations found the session worthwhile. We would again like to thank all the Nominees for come out to this event.

Seminar Saturdays

As a project in the 2014-2015 Grand Lodge Tactical Plan the Seminars and Workshops Committee was tasked with holding at least one road show. The Committee held two such events termed "Seminar Saturdays", one on November 29th 2014 in St. Thomas and the other May 9th in Campbellford.

Seminar Saturday I, St Thomas

The Seminars and Workshops committee in deliberation after Grand Lodge and with input from the Deputy Master has planning on 2 Road Shows under the title of "Seminar Saturdays". The first of which was held at the Central Elgin Masonic Centre in St Thomas District. R.W. Bro. Wayne Dunn, District Deputy Grand Master of St Thomas District acted as the facilities and catering coordinator for the sessions, his help and contacts in the St Thomas area were extremely valuable to the committee. This session was aimed at targeting the lodges in the following nine districts:

- St Thomas
- London East and West
- Wilson North and South
- Sarnia
- Erie
- Chatham
- Windsor

The following topics and presenters were selected:

- The Cornerstone Program- R.W. Bro. Jamie Ireland, Team Leader
- Long Range Planning Tool Kit- R.W. Bro. Steven Warren, Chairmen, R.W. Bro. William Bowick, Presenter
- Officer Progression- V.W. Bro. Kevin Smith, Team Leader
- Brother to Brother- R.W. Bro. Leyland Muss, Team Leader

The format of the day was to have all four Seminars presented twice, once in the morning, a break for lunch and then again in the afternoon with the goal to have the day end by 2:00. Attendance was in the 80 range, and all reports coming back were that the overall impression was very favorable from the participants.

With any event a few things were noted from the committee members in attendance, the presenters and the participants that could be improved on:

- We allocated an hour and twenty minutes per session, this was a bit long. For future events we will cut it back to one hour.
- As we were targeting a specific area, namely the nine districts listed above we limited our preliminary promotion of this event to the District Deputy Grand Masters of those districts only engaging the Communications committee in the 2 weeks prior. This will not be the case for a spring event, although more focus will be placed on the districts in the target area it will be broadcast and promoted jurisdiction wide right from the start.

- The facility was ideal in that it provided us with the opportunity to run all four sessions at the same time; however this may not always be the case. A future session may involve only three topics, an hour each, by starting at 9:30 am it would allow us to run twice in the morning, lunch and once in the afternoon and still have people on the way home by 14:00, this would allow all participants to take in all 3 sessions.
- This endeavor showed that even with easy electronic communication it's paramount to have a person or two in the district to act as the committee's behalf.

As the Seminars and Workshop Chairmen, great care is taken in selecting committee members, this past event shone a favorable light on those who have agreed to serve our Grand Lodge as committee members. Due to an early week flu bug I had missed two and a half days work that week and was not in a position to leave my public avocation in order to travel to St Thomas, hence the tremendous effort put forth by members of the Seminars and Workshops committee needs to be noted as a reason for a successful event. R.W. Bro. Bob Cresswell, member of the Board of General Purposes and a committee member along with R.W. Bro's. Neil Dolson, Geoff Clays, Jeffery French, and Brian Simpson.

The contribution and assistance of R.W. Bro. Wayne Dunn can also not be understated as our "boots on the ground" in St Thomas he attended to a number of small details, not the least of which was organizing the lunch.

Seminar Saturday II, Campbellford

We held our second Seminar Saturday on May 9th at the Campbellford Masonic Hall, Campbellford. This location was chosen to serve the districts of:

- Peterborough
- Victoria
- Frontenac
- Ontario
- Prince Edward

This date was chosen to coincide with the Grand Masters Reception in Prince Edward district, as those travelling a distance would have the opportunity to take in 2 events with one trip.

The attendance was a bit disappointing with only 45 attending, all target districts were represented but Prince Edward, however those who did attend were very appreciative of the efforts of the presenters, and all sessions were very well received, they also expressed thanks to the Seminars and Workshops Committee for coordinating this day of workshops.

The numbers enabled us to run each session once, within one room, starting at 9:45 with some opening remarks by myself and then by our Deputy Grand Master R.W. Bro. John C. Green 10:00 to 11:00, 11:10 to 11:55, lunch was served then we reconvened at 12:40 to 1:30, with some closing remarks and everyone was on the road by 1:45.

The following workshops were presented:

- The Cornerstone Program- R.W. Bro. Jamie Ireland.
- Mentorship- R.W. Bro. Lenard Feldt.
- Long Range Planning Tool Kit- R.W. Bro. William Bowick.

The committee would like to sincerely thank Bro. Lawrence Cave the custodian of the Campbellford Masonic Hall for all his assistance, having him as our "boot on the ground" in Campbellford really contributed to a successful day. Also the committee chairmen and team leaders who came out and presented the workshops, your dedication to your committee and to Grand Lodge in presenting your various topic, has been a benefit to the membership this year. Finally I would like to say a big thank you to committee members R.W. Bro's. Gary MacGregor and Brian Simpson for coming out and helping with the some of the tasks of the day, and to the several members of the Board of General Purposes who attended, your presents and feedback is most appreciated.

The Seminars and Workshops committee is once again privileged to have the opportunity to present these several topics for the benefit of the members of our Grand Lodge. Over the last number of years we have received very positive reviews on all the various session we have presented. A big thank you must go out to our Grand Master M.W. Donald A. Campbell and our Deputy Grand Master R.W. John C. Green for their encouragement and support of the committee's activities.

The room assignments and times are highlighted in the grid below:

REPORT ON THE MASONIC FOUNDATION OF ONTARIO

This Report was presented by R.W. Bro. Allan C. (Al) Dvorak, President.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This Report does not appear in the Preliminary Reports and Fraternal Reviews of Grand Lodge.

It is my privilege to present my first report as President, on behalf of the Board of Directors to the Fifty-second Annual Meeting of the Masonic Foundation of Ontario, being held at the Fairmont Royal York Hotel, in the City of Toronto, Ontario, on Tuesday, July 14, 2015.

I extend a special celebratory welcome to all Masons, as the Masonic Foundation of Ontario salutes the Grand Lodge of Canada in the Province of Ontario continued support of the Foundation.

Introduction: Every Mason in Ontario has experienced, either directly or indirectly the impact of having a "brother", friend, acquaintance or family member stricken by the horrendous disease of cancer. To combat this deadly scourge on humanity and find a cure, our Grand Master Most Worshipful Brother Donald A. Campbell made the decision to support three highly respected research projects to provide meaningful funding for Prostate Cancer Research in Ontario. The conclusion is to make the funding of prostate cancer research the primary activity to celebrate the Foundation's Fiftieth Anniversary, which is in progress and will continue for two more years.

Right Worshipful Brother John C. Green, Deputy Grand Master, has pledged his full support of this initiative for the coming two years.

The Board of Directors of your Foundation, after many submissions, suggestions, consultations and committee reviews, adopted “**Prostate Hope**” as the name of the Grand Masters prostate cancer research project to celebrate the Foundation’s Fiftieth Anniversary. The target is to provide funding to the three identified researchers for ten years by raising over one million dollars over the next two years. Not only will the monies raised and donated to these highly regarded researchers work to find a cure for prostate cancer, but a discovery of its cure will greatly help towards discovering a cure of other types of cancers.

Prostate cancer is one of the most common cancers in men. Genetics, age, diet, race, family history—even sedentary lifestyle—may all play a part in contributing to prostate cancer risks. The risk of developing prostate cancer increases **after the age of 50 years**. Majority of prostate cancer are diagnosed in men over 65 years.

Appreciation: Change is constant to keep up with the times. Last July, we welcomed three new Directors, Darren Byrne from Lindsay, James Anderson from Barrie and Thomas Siemiernik of Innerkip, each bringing to the Board extensive knowledge, experience and skills.

Last year, the Communication of Grand Lodge, Paul Skazin, was appointed Chairman of the Grand Lodge Benevolent Committee, and by virtue of his office became an ex-officio Director of the Foundation.

At the conclusion of the 2014 Annual General Meeting, the then President A. Douglas Nichols retired after completing thirteen years as President, Vice-president and Director of the Foundation. Under his leadership the Foundation grew from a capital base of \$10.6 Million to \$14.6 million. His enthusiasm, steady and sure professional expertise and dedication have been an inspiration to the Board, and myself, personally.

This year marks the conclusion of the six year term of Director and Vice-president Ivan Elliot; and Director Robert McBride. Directors John Hanna and Gary Bryan have decided not to continue and retire.

By virtue of his office, John C. Green, retired from the Board. We thank all of these brethren for the time, talents and dedication they so freely contributed to the Foundation.

Your Foundation has enjoyed the unqualified support of our Grand Lodge and our Grand Master.

Most Wor. Bro. Donald A. Campbell and our Deputy Grand Master Right Wor. Bro. John C. Green, who regularly reminded the brethren of their charitable obligations. They also reinforce the position of the Foundation as the “Charity of Choice” for all Ontario Masons.

The Foundation recognizes and commends the multitude of individuals who implement and

promote its programs and information by their dedication. Who contribute regularly to the Yellow and Grey Envelope appeals and who passionately communicate the Foundation story. The vast inter-related family of District Deputy Grand Masters, along with their District and Lodge Representatives, but above all, **you the Brethren**.

Our founders and dedicated leaders have over the first fifty years of our Foundation’s history established and built it to the present levels. Now it is our responsibility to continue their work and take our Foundation to much higher levels so we can benefit

unforeseen society needs and set the standards for our future generations of individuals who have yet to become our future Masonic brethren.

I want to recognize the regular and invaluable contributions that your Foundation receives from its Secretary, Melvyn J. Duke and his assistant, Marlene Victor.

Please take the time to read the progress of research and charitable works funded by the Masonic Foundation of Ontario, in the pages which follow – **YOUR FOUNDATION – AT WORK.**

It is my goal and desire to have every new Entered Apprentice Mason receive a copy of the Foundation's Annual Report, at the time of his Initiation, to experience immediately "Masons giving...For the Cause of Good".

All of which is respectfully submitted on behalf of the Board of Directors, Officers, and Committee Chairmen of The Masonic Foundation of Ontario.

ALLAN C. (Al) DVORAK, President

REPORT OF THE BUILDING INFRASTRUCTURE COMMITTEE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

With respect to the AD HOC Committee on building compliance with the Ontario Fire Code I am pleased to report that I have been contacted by a representative of each of the Districts and although not all Lodges in particular have submitted a final Fire Inspection Report I am confident that at least everyone is now aware of the importance of this project and will accomplish the task in the coming months. It has been a long and drawn out process that received quite a variety of responses from the Lodges. In many cases it was the first time that anyone had a serious look at the "bricks and mortar" of the Lodge building some of which were more than one hundred years old.

Although some required thousands of dollars in repairs many buildings passed the inspections easily and some required only a new battery or a change in a light bulb. In some cases the building was closed and the Lodges found new homes with other Lodges or built new multipurpose buildings to the benefit of all. When these initial inspections are finished and any necessary repairs are completed to the satisfaction of the local Fire Services it should not be difficult to maintain them.

In those cases where a new Lodge room was constructed or major renovations occurred the Committee was able to provide direction and guidelines so that the members could ensure that the room itself would conform to Grand Lodge specifications. It is important to maintain both tradition and the Masonic history in our Lodge rooms.

The condition of the lodge rooms and the buildings themselves are very important and should be a priority each year as new officers take over the operations and the responsibilities of their positions. The District Deputies also have a responsibility to each Lodge in their District to monitor the progress of the inspections and to keep copies close at hand in case of any incident that may occur at those properties.

We all have a responsibility to help keep everyone safe while using our buildings whether it is our own members on a regular basis or the general public on those special occasions.

Respectfully submitted.

REPORT OF THE COMMITTEE ON FRATERNAL RELATIONS

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

A request for mutual recognition has been received as follows:

May 17, 2014 - the 'Gran Logia Occidental Mexicana (of the West of Mexico) of Ancient Free and Accepted Masons' was founded in 1912. It consists of 25 lodges and lists a membership of 590 members. It is listed in the 2004 Directory of Mexican Grand Lodges and recognized by that Confederation; however, it does not appear to be recognized by Grand Lodges in North America. Sources indicate some 130 Grand Lodges exist in Mexico of which this Grand Lodge maintains amity with three. It is recommended the application be held in abeyance.

December 9, 2014 – the 'Grand Lodge of Albania' has been operating since 2008 and was constituted and consecrated in 2011. It is deemed to meet the standards for recognition and is presently in amity with 36 Regular Grand Lodges, including the U.G.L.E. It is recommended that recognition be granted.

February 15, 2015 – the applicant 'Gran Logia Simbolica Del Paraguay' indicates that it is the only recognized Grand Lodge in that Country. A 2010 report indicates an agreement was reached by the two Grand Masters of identically named jurisdictions had resolved their differences and planned unification. A 2012 report indicates the agreement was broken. A 2014 report indicates a six year study of the split has determined only one jurisdiction meets the standards for recognition and it not the applicant's jurisdiction. It is recommended this application be rejected in this instance.

Respectfully submitted.

REPORT OF THE ADVISORY COMMITTEE ON LODGE FINANCES

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Finance Advisory Committee continues its focus on providing Financial Guidance for both Lodges and Temple Boards in our Grand jurisdiction when called upon and as stipulated in our mandate. It has been most gratifying that many of the e-mails being received have been letters of encouragement and support for the advice our committee has afforded them, through our Newsletters, personal recommendations and proper financial direction. We truly feel that the current information distributed through our Newsletters and formal financial procedures shared on the Grand Lodge website, if they are followed and understood, give those in charge of the financial stability of their Lodges and Temple Boards sufficient financial guidance.

This year has been a very busy and productive year for our Committee, handling numerous e-mail questions on Lodges finances; dealing with many Hall Boards guiding them to organize their financial recording in order to properly report to Revenue Canada. I would like to personally thank some of my group of professional committee members who selflessly volunteer their time to answer our many inquiries: R.W. Bros.: Robert Collins and Syd Schatzker (advisor), V.W. Brother Harris Jones, W. Bro. Neil Freidman and Bro. Allan Freedman.

Brethren, there are certain fundamental pillars that must exist in every organization to underpin its success. One of these is financial stability. This is true of every company, government and family household. We, as Freemasons, must also ensure a strong and stable financial foundation in our Lodges, in our Temples and our Grand Lodge to ***“Ensure the Timeless Vitality of Freemasonry in Ontario”***.

The Finance Advisory Committee was asked by the Chairman of the Condition of Masonry to develop a Financial Report called an L4 form. In the past information had been developed and recorded through returns of the Lodge Master's/Secretary's Report form called a (DDGM L1). Unfortunately, this information was shared with our committee nearly a year late. Our Finance Advisory Committee has developed a two page financial report (called a DDGM L4 Form) to be filled out by the Treasurer and Secretary of a Lodge and supplied to the District Deputy Grand Master or his secretary during their Official Visits. We have delivered this completed L4 form to the Chairman on the Condition of Masonry and I am told that the Committee will be instituting this document going forward. We have also agreed to supply the Condition of Masonry a document to be used by the DDGM's during their term of office to direct any Lodge financial concerns within their District directly to the Grand Lodge Office for furtherance to the Finance Advisory committee for financial assistance to a Lodge as requested by their DDGM. Through this process we will keep the District Deputy and Grand Lodge informed of the progress being achieved and hopefully ultimate resolution of the issues.

The L1 Survey document introduced this year by the Condition of Masonry has and will be an excellent information source to feed all our Committees with timely information. I am sure you will hear their findings explained in the Report from the Condition of Masonry. Figures like 70% of our Lodges in Ontario have members twelve months or more with dues in arrears and only 50% of the Lodges have developed an annual budget. We need to encourage the other 50% this will become our job going forward. Our hope as a Committee is that through our new L4 financial form and timely information from the L1 Survey, this information will become the backbone of financial understanding and information to our Lodges, security for our Masonic homes and the future financial stability of our Grand Lodge.

Newsletters:

We have reduced our number of Newsletters for this year. We felt that the L4 form required our undivided attention, plus what more can be said in more newsletters that has not already been written. We have a newsletter coming out in May, focusing on dues, collecting arrears and the reality of failing to follow sound business practices.

Our committee feels strongly that we need to re-address all the issues published in our past Newsletters especially those that relate to the challenges ahead. To that end, the Finance Advisory Committee is hosting a table top on the Convention Floor on Wednesday July 15th re-addressing the understanding of having proper Insurance coverage for Lodges and Temple Corporations and ensuring that a professional on this subject is available to answer any questions that might arise. We are also planning to put together an information seminar program available for personal presentations in the coming year.

Lodge Corporations:

We are still receiving requests from Corporations regarding filing issues, finance and a general understanding of the law on “Not-for-Profit Institutions”. The Deputy Grand Master has asked our Committee to present a two hour seminar workshop at our Annual Communication in July. Our Topic will be:

“It's Your Money”

Financial Issues that Lodges and Temple Boards need to contend with in the 21st Century.

Here are the important issues – both the Federal and Provincial governments are reassessing the rules governing Not-for-Profit Organizations. We need a good understanding of H.S.T and how it could affect our lodges and Temples. It has and will

become a challenge. Our declining membership, rising costs, costly upkeep of our fraternal homes – no one group has all the answers, but if we all had a better understanding and prepared proper long range planning. The tasks at hand wouldn't be as difficult or as costly.

On behalf of the members of the Finance Advisory Committee this year, be assured these dedicated professional volunteers will continue to communicate their sound financial advice when it is requested.

Respectfully submitted on behalf of the 2014-2015 Finance Advisory Committee: R.W. Bro. Robert Collins; V.W. Bros. William Birdsall, Harris Jones and John Scott; W. Bro. Neil Freidman; and Bro. Allan Freedman. Advisors: R.W. Bro. Syd Schatzker and V.W. Bro. Paul Skazin.

Respectfully and fraternally submitted

WILLIAM DAVID ARMSTRONG, Chairman

REPORT OF THE COMMITTEE ON PUBLIC AWARENESS

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Public Awareness Committee has focused primarily on three areas. First is the International Plowing Match which this past year was held in Georgian South District. While many have questioned whether or not Masonry should be participating in this event, the consensus on this committee is an unequivocal yes. Masonry's roots in this jurisdiction are in the rural farming community and, while a large portion of our members now reside in urban areas, the rural community still plays a significant role in, and makes up a large portion of, our membership. The objective at this event is not necessarily to recruit new members. Certainly there is ample opportunity for that to happen and when it does, it may be considered a bonus. With upwards of 100,000 people coming through the gates at the Plowing Match, this is an unequalled opportunity to present ourselves to the community-at-large. But when we do so, we need to be putting forth our best effort. We need proper display materials, not just the pamphlets and printed materials but also the display boards. For this reason, we need to invest in the proper materials in order to let the public know who we are and what we do and we need to do that in the most professional manner possible.

Our second area of focus has been on trying to encourage lodges to promote themselves and their members by involving local media in their various community activities. However, it appears that our membership is of the opinion that we should not "blow our own horns" or otherwise draw attention on what we are doing. Specific requests in response to dispensation approvals have so far gone unanswered.

This has led to the third point which is the need to provide information on utilization of Public Relations activities. In response to a suggestion/request from a keen young Mason, the committee has been working with that individual to prepare a video/PowerPoint presentation that could be used for familiarizing interested individuals with maximizing media relations at both the lodge and the district level. When completed, it is hoped that this material can be uploaded to the website for any Mason to access. In conjunction with this, the committee has also been preparing templates that could be used as a guide for media releases.

In preparation for the 300th Anniversary of the formation of the Grand Lodge of England, there is the feeling that we should be using this time to promote our own Grand

Jurisdiction through activities such as “a Masonic Minute” wherein there would be a radio or TV ad about someone or something Masonic, or a short biographical note about famous Canadian Masons. The timing is such that Freemasonry in general, as well as the many lodges within this jurisdiction, in particular, is going to be in the spotlight. For this reason, some preparation in media relations is essential. The thinking is that perhaps the time is now when we should be considering bringing in a professional Public Relations expert to provide the guidance to do this in the most effective and efficient manner.

In considering these points, it has become apparent that there are many roadblocks or hurdles that must be overcome along the way. Communications get blocked or are not passed on at several different levels, including some within our own Grand Lodge committee structure. These need to be addressed if we are to be successful.

On a somber note, it must be reported that the committee was shocked and saddened by the sudden death of our team member, R.W. Bro. James “Sandy” McTavish who passed away after piping the swans to the river in Stratford on April 13th. He was a great friend and Mason and will be sorely missed by all who knew him.

There is much that can be done and much to be done in promoting Masonry and its members throughout this province. The committee looks forward to continuing these efforts in the future.

Respectfully submitted on behalf of the members of the Public Awareness Committee.

REPORT OF COMMITTEE3 ON MASONIC EDUCATION

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Toronto - Ontario Masonic Education Conference (OMEC)

The Committee on Masonic Education held a Conference on Saturday, September 27, 2014, at Humber College, Toronto. The following is a list of the speakers and topics covered:

Dr. Ken Jones:	“Leadership and Development”
Dr. Steven Joordens:	“Transferable Skills in Education”
Dr. Glenn Baumann and Dr. Aaron Ward:	“Prostate Cancer Research Breakthrough”
R.W. Bro. Dale Graham:	“The Ancient Landmarks”
W. Bro. Rob Lund:	“The Hidden Code in Freemasonry”
R.W. Bro. David Cameron:	“Rudyard Kipling’s Gavel”
R.W. Bro. Lindsay Reiach:	“Tomorrow Is Now”
R.W. Bro. Ron Hubbard:	“The North East Angle”
V.W. Bro. Michael Locke:	“Navigating the Grand Lodge Website”

The reviews were overwhelmingly positive from the 130 attendees and we believe the venue, speaker content and fraternal interaction made it a great success. The problem is that we should have had 250 attendees which the venue could have accommodated and was the number we initially budgeted for.

We feel that the event information was as well publicized as possible through the usual media available in the GL website, CME Newsletter, direct contact too many DDGM’s (which was difficult due to not having the contact information for the DDGM’s available after the Annual Communication). In any case, the DDGM’s, perhaps due to their busy schedules, may not be the best method for disseminating information forwarded to them as I found out when I contacted some lodges to ask if they had seen the flyer on

the Conference from the District Secretary or DDGM, or Lodge Secretaries. There were a disturbing number of masons who had not seen the flyer along with the CME Newsletter which is distributed in a timely manner using Eric Lakien’s network.

Direct social media is recognized to attract younger Masons.

Videography and photography, although costly, enabled the event to be available to all brethren in the Jurisdiction through the GL website, but the burden of cost is born by the actual attendees. The value of this should be discussed for the future.

Special thank you to W. Bro. Matt Hofland, W. Bro. David Lewis, W. Bro. Robert Hakim, Bro. Kevin Furlong, Bro. Ken Bugley and Bro. Greg Durst for their behind-the-scenes help in making this conference a success.

Barrie - Ontario Masonic Education Conference (OMEC)

An Ontario Masonic Education Conference is planned for Saturday, May 30, 2015, to be held at the Masonic Temple in Barrie. There are seven speakers scheduled for the day: Dr. Ken Jones: “Leadership Development”

R.W. Bro. Leyland Muss: “The Five Steps to Application”

CME Newsletter

CME newsletters were issued in September, December and March and issues are planned for May and June.

As with the Reflections Newsletter, there is a challenge in obtaining new and interesting material for publication and producing a newsletter every month is, therefore, an onerous task. Perhaps, as mentioned previously, an essay contest of original researched works by the brethren with some meaningful prizes might stimulate and encourage a larger number of interesting articles.

College of Freemasonry

R.W. Bro. Brian Koivu, Team Leader

It has again been a very busy, record-setting year for the College of Freemasonry with 24 graduates from the Masonic Arts and Sciences course who have been granted the use of the appellation “F.C.F.”. The former record of 22 graduates was set in 1989. This shows that the brethren of our jurisdiction are finding value in what the College of Freemasonry has to offer.

Following is a list of those graduates who, through their hard work and perseverance have completed their advancement in Masonic Education. Congratulations to each of you!

We also wish to announce the recent retirement of R.W. Bros. Jacques Lacourse and Bob Broom from mentoring. They have put in many good years in helping the future leaders of our Craft. Thank you both for your time and talents.

A new Power Point presentation on The College of Freemasonry, developed by R.W. Bro. Rick Cadotte, was recently approved by the Publications Committee.

This past year, the College worked closely with the Custodian of the Work, M.W. Bro. D. Garry Dowling to ensure the College material delivers a quality education. The only changes that were required were cosmetic in nature.

The College added to its curriculum, a module on “Esoteric Studies”, which may be taken as a module of interest and is not a part of the established courses of study. Thank you R.W. Bro. David Cameron FCF for helping to create this module.

A special thank you goes to the administrative team of the College of Freemasonry for the smooth running of the day-to-day operations: R.W. Bro. Rick Cadotte FCF, Principal of the College, Bro. Mark Kapitan FCF, Secretary/Mentor Coordinator, and R.W. Bro. George Warner FCF, Treasurer.

Book Sales

R.W. Bro. George Warner, FCF, Team Leader

Books were available for sale at the Toronto – Ontario Masonic Education Conference which took place at Humber College on September 27, 2014, with the help of W. Bro. Robert Hakim and Bro. Kevin Furlong. A booth was also present and manned by a number of brethren at the Grand Lodge Communication in July, 2014, and books will be available also at the Ontario Masonic Education Conference scheduled for May 30, 2015 in Barrie. An order of 36 titles has been placed for availability at the Annual Communication of Grand Lodge in July, 2015.

The mandate of the Book Sales Team Leader is to liaise with the District Librarians to inform them of the titles and availability of books and publications. Online book sales were, unfortunately delayed due to various problems with the Grand Lodge website and e-commerce, but hopefully online book sales will become a reality in 2015-16 for the benefit of all Brethren in our Jurisdiction, particularly those enrolled in the College of Freemasonry courses.

Reflections Newsletter

R.W. Bro. Lindsay Reiach, Team Leader

During this last year, we have been able to normalize the subscription list and consolidate the financial position of the publication. Currently, there are 78 paid-up subscriptions, this number appearing to be considerably lower than in previous years; however, it was discovered, through careful auditing, that a large number of brethren, while still receiving the Reflections, had not paid for their subscriptions even though the cost is only \$18/year. Throughout the year, we have managed to publish 3 issues of the newsletter and are working on a fourth issue to be published before the Annual Communication of Grand Lodge in July. Unfortunately, the problem of finding suitable articles to include in the newsletter is becoming increasingly more difficult as the mandate of the newsletter, “for Masons of Ontario, by Masons of Ontario”, severely limits the sourcing of material.

Although discussed on several occasions this past year, we have not been able to arrange for electronic publication of the newsletter.

Due to the difficulty in sourcing articles and the low number of subscriptions, we continue to consider whether the Reflections Newsletter is viable in its current format. Subscriptions could be increased considerably if the newsletter could be published electronically – which would also reduce the cost considerably.

Acknowledgements

As Chairman of the Committee on Masonic Education, I wish to thank all the Team Leaders and members of the Committee for their dedication and hard work for the Committee, in particular, and the Craft, in general. I would also like to thank all those brethren who have so selflessly given of their time when called upon in order to help with a variety of tasks required to make the conferences a success.

A special thank you to M.W. Bro. Raymond S. J. Daniels for his kindness in sharing his wealth of Masonic knowledge and his guidance to the Committee on Masonic Education.

Respectfully submitted on behalf of the Committee on Masonic Education.

Our goal is to encourage donations and heighten the awareness of how important it is to give blood. We are also stressing the need for our younger Brethren to donate as we are slowly becoming an aging donor force. The committee is always committed to showing our appreciation to all our volunteers who work extremely hard helping with our clinics.

Partners for Life – P F L

This program remains to be an extremely important part of the committees mandate and a very strong relation exist between your Grand Lodge and Canadian Blood Services. It is very important that all the Brethren in all districts are registered with PFL. By registering with PFL you can be assured that all our Blood Donations can be counted. Everyone is reminded that members, family, friends and other who are willing to donate on behalf of the Masonic District can register in this program as well.

We certainly applaud the above donors for their outstanding dedication and time taken to give the Gift of Life. We continue to encourage all Brethren to promote the giving of blood, if possible, whether it is through conversation, setting up an information station at a community event or sharing education material they have received from an information session themselves. This has proven to be a great benefit for the Canadian Blood Service. It is one of the many ways that they may reach out to all ages of the public. Personal contact has proven to increase the numbers of those that inquire and act upon giving the Gift of Life for those in need.

Observations

Our clinics around the Province are doing well; however, we must strive to encourage our Brethren, of younger ages, to seriously consider taking the time to donate if they are able. We as a Committee strongly encourage that Masons continue to participate in this very worthwhile program of charity. The Province wide blood donor drive went well with over 400 donations in total. The committee is aware of the fact that there may be donations that are not recorded with the PFL program; however, we appreciate the efforts of all donors that continue to make a difference in the lives of people in our communities.

Recognition

Plaques of Awards:

\$London West – Most Donations on P.F.L

\$South Huron– Greatest increase in the Blood Donations in P.F.L

\$South Huron – Most blood donations during the Provincial Donor Month

Conclusion

The giving of blood is just one of the many ways we can practice charity. It only cost time. Time that is well spent when you realize the number of lives it affects. We must applaud our older members for long standing dedication and support at the blood clinics. Every donation can affect 3 lives or more. It is my hope we can continue to give the gift of life and bring happiness and health to all who need it.

Respectively Submitted on behalf of the Blood Donor Committee.

REPORT OF THE COMMITTEE ON THE CONDITION OF MASONRY

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am pleased to present the report from the Committee on the Condition of Masonry to this One Hundred and Sixtieth Annual Communication of Grand Lodge. It has been my distinct pleasure and honour to lead this Committee of dedicated, knowledgeable and experienced masons. The constitutional mandate of the Committee is to, “examine the reports of the District Deputy Grand Masters and to study the condition of Masonry in General and make recommendations arising there from for the benefit of the Craft”¹.

¹ Sec. 136(c) Book of Constitution

Herein are the recommendations derived from our examination of the reports of the forty-three District Deputy Grand Masters and our study of freemasonry in general.

This report details five specific recommendations to address significant issues that the Committee has identified. The Committee's recommendations are detailed in this report, the following is a summary of the recommendations:

- 1) That material be developed for applicants that clearly defines what Freemasonry is and isn't, and that the memorization and reciting of our ritual is a cornerstone of our fraternity.
- 2) Specific recommendations are directed to the Financial Advisory Committee to address the lack of financial stability of a significant number of our lodges. These recommendations include having a member of the Financial Advisory Committee contact all lodges that respond indicating they are not financially stable.
- 3) The third recommendation addresses that indifference lodges have for the material developed by the Lodge Resources Committee. We have developed some excellent material to support membership growth, retention and development of our leadership that is being under-utilized and underappreciated.
- 4) The Cornerstone Project was introduced approximately five years ago. Those lodges participating in this project have improved results. This recommendation addresses some of the concerns expressed by the membership regarding the reporting requirements and to consider incremental recognition of achievement.
- 5) The final recommendation is directing Grand Lodge to offer support and assistance to lodges that are identified as "struggling". For many years we have collected information and have not acted upon it. This Committee is recommending that Grand Lodge begin to offer its expertise to assist lodges in addressing and resolving the issues and challenges that our lodges are having.

UPDATE ON 2014 RECOMMENDATION

At the Annual Communication held in July 2014 the following recommendation was passed, "Additional resources be added to this Committee for the purpose of analyzing all data obtained from the yearly reports from the several District Deputy Grand Master and "make recommendations arising for the benefit of the Craft" (Section 136 d)."²

Additional resources have been added to the Committee on the Condition of Masonry in the form of the Condition of Masonry Analytics Team under the Leadership of R.W. Bro. Wes Libbey. The Teams reports as follows:

This is an ongoing project to analyze the previous five years of Condition of Masonry reports. To date there has been a preliminary review of business analytics using data from one year. The next step is to use as many of the analysis tools the Condition of Masonry Team has developed this year in order to have a consistent review over a longer time line.

The Analytics Team has undertaken an analysis of the data collected from those lodges actively participating in the Cornerstone Project. This analysis confirms that lodges actively following even a portion of the Cornerstone Project are more stable and successful lodges.

This full report is available on the Grand Lodge website – Members Area – Craft Stewardship – Planning – Condition of Masonry – 2014/2015 Reports.

THE CONDITION OF MASONRY³

As Chairman of the Committee on the Condition of Masonry I am pleased to report that I have received all reports in accordance with Section 104 (b) of the Book of Constitution from the forty-three District Deputy Grand Masters.

² Grand Lodge Proceedings 2014 – Page 114

³ All Statistics are from reports and information received as at April 30th, 2014

The reports submitted by the District Deputy Grand Masters have been reviewed by the members of the Committee, to whom I wish to offer thanks personally and on behalf of Grand Lodge for their service, and their willingness to share their time and talent so freely! These reports are reviewed with the intent of assessing the Condition of Masonry of the lodge. I am pleased to report that 65% of our lodges meet or exceed the expectations of the Committee in our quest to *ensure the timeless vitality of Freemasonry in Ontario*.

The Committee revised the manner in which the “L Forms” were completed and submitted for review. The “L Forms” were submitted on-line using survey technology effective September 1st, 2014. Although this change was abrupt, it was embraced by the lodges, District Secretaries and District Deputy Grand Masters who submitted their reports within 14 days of the Official Visit 95% of the time. I wish to express my thanks to the District Deputy Grand Masters and District Secretaries for their support in making this technology transition so smooth! We also thank the Lodge Secretaries for their support of the change in technology, most finding this method of reporting easier, faster and beneficial.

This change in technology was essentially necessary to allow for greater analysis of the data collected to form and support recommendations that this Committee has been constitutionally charged to present to Grand Lodge for the benefit of the Craft. This change has also allowed this Committee to publish the aggregated anonymous data collected via the “L Forms”. This report is available to every member on the Grand Lodge website (Members Area) in electronic (PDF) format for download. This is the first step in a three year plan to provide feedback to the lodge. The purpose of the feedback is to assist the lodge in assessing the “Condition of Masonry” within their lodge.

DETAILS of RECOMMENDATIONS

- 1) When a candidate makes application to join a Masonic Lodge he and we have expectations of the experience, the Craft and of the man. Based on the study conducted by the Lodge Resources Committee, Brother 2 Brother Team that studied the progress and retention of Initiates, July 1, 2010 to December 31, 2013, they report one in three (35%) men who join Freemasonry in this jurisdiction do not advance beyond their initiation.

The following reasons were cited for leaving the Craft prior to the advancing beyond initiation: 55.1% - Work or family time conflict, 26.9% - Difficulty memorizing the work, 21.8% - Moved away, 16.7% - Not what I expected and 14.1% - I had difficulty figuring out what Masonry really means. This Committee concurs with the findings of the Project Team that moving away and conflicting priorities are not within the influence of the Craft to effect. However, the remaining three reasons expressed by the respondents are in the direct influence and control of the Craft.

Therefore, this Committee makes the following recommendations to improve the advancement and retention rates of initiates: the Lodge Resources Committee review and update the material for seekers in Section 4.9 of the Brother 2 Brother Manual entitled “RETAIN – Retention Of Active Members Less Than 1 Year” to more clearly define what Freemasonry is, what is expected of a man when he joins Freemasonry and plainly state that the memorization and reciting of our ritual is a cornerstone of our fraternity and expected of our members advancing through the various degrees.

We further recommend that the applicant receive and review this material with his sponsors and that he acknowledge receipt and understanding of the material provided prior to a ballot being collected on his application for initiation.

We further recommend that this material be packaged and marketed to our constituent Lodges independently of the Brother 2 Brother manual.

- 2) There are certain foundational pillars that must exist in every organization to

underpin its success. One of these pillars is financial stability. This is true of every organization, government and family. We as Freemasons must also ensure a strong and stable financial foundation in our Lodges and our Grand Lodge to *Ensure the Timeless Vitality of Freemasonry in Ontario*.

The Committee having reviewed the reports of the District Deputy Grand Master's find that 8.8% of our Lodges when asked, "Is your Lodge financially sound?" responded that they do not consider the Lodge financially sound. Further, the Committee has great concern at the number of Lodges that have members with dues more than twelve months in arrears. Only 26.9% of our Lodges report that all dues are collected! Alarming, 366 Lodges in this jurisdiction are owed \$ 391,803 in outstanding dues! (Average \$1,070.50 per lodge).

The Committee also finds that 72.5% of the Lodges develop an annual budget, 80.0% act on the budget they prepare and 81.6% have an active Financial Committee. Therefore, in reality only 58.0% of the Lodges set an annual financial course and endeavour to adhere to their budget. This Committee receives the financial statements of the Lodges for review and examination. Based on the variety and variation of presentation of the financial information by our Lodges reinforces the concern that this Committee has for the overall financial stability of the Craft.

The reports of the District Deputy Grand Masters inquire as to the level of knowledge the Lodge has regarding the financial stability of the Temple Corporation and their compliance with government reporting requirements. The results can only be interpreted as apathy on the part of Lodges as to the financial operations of their respective Temple Corporations. Approximately 50% of meeting facilities are managed by Temple Corporations, which are incorporated under the laws of the Province and subject to reporting and regulatory requirements of all levels of government. The members and Corporate Officers of these corporations are the masons of the constituent Lodges of this jurisdiction. The well ruling and governing of these corporations is materially dependent upon an active, engaged and informed membership of the Lodges.

The Committee also reports that 20.4% of the Lodges continue to offer Life Memberships in accordance with Sections 185 thru 189 of the Book of Constitution. The review of the reports of the District Deputy Grand Masters reveal that the large number of Life Members in a handful of the Lodges are contributing to the adverse financial position that the Lodge finds themselves. A significant number of Lodges have discontinued offering Life Memberships for a variety of individual reasons, with the general tone of the responses indicating that the practice of offering Life Memberships is no longer financially feasible.

Therefore, this Committee makes the following recommendations to improve the financial stability of the Lodges: the Financial Advisory Committee contact all Lodges that have responded that they do not consider the Lodge financially sound when completing the Condition of Masonry Reports to offer assistance and support to return them to financial soundness.

We further recommend that the Financial Advisory review the material currently made available to the lodges from the Financial Advisory Committee. The material should be re-developed with the view of creating a plain language Lodge Financial Guide of Best Practices. This manual should include advice and guideline on the collection of dues, including the practice of providing an invoice to each member for the Lodge dues. As well as guidelines for the collection of dues complete with timelines.

We further recommend that Section 199 of the Book of Constitution be amended to ensure that appropriate and timely action can be taken by Lodges

when dues are not paid when due. That the Financial Advisory Committee draft such amendments to the Constitution as they deem appropriate to empower lodges to deal with the non-payment of dues in a timely manner so as to not adversely affect the financial position of the Lodge.

We further recommend that Sections 185 thru 189 of the Book of Constitution regarding the granting of Life Memberships be reviewed and due consideration be given to repealing these sections and thereby discontinue the granting of Life Memberships in this jurisdiction.

We further recommend that such amendments be presented at the One Hundredth and sixty-first Communication of this Grand Lodge for due consideration.

- 3) Over the years a tremendous amount of time and effort has gone into the development of our Lodge Resources materials. The District Deputy Grand Master's reports ask if the Lodge use the Programs from our Lodge Resources Committee. The Lodges report as follows:

<u>Program</u>	<u>Use the Program</u>	<u>Use Something Else</u>	<u>Do Not Use the Program</u>
Friend 2 Friend	48.1%	12.6%	39.3%
Brother 2 Brother	46.9%	8.8%	44.3%
Mentors	72.3%	13.4%	14.3%
AVERAGE	55.8%	11.6%	32.6%

These numbers highlight an issue with the uptake and use of these programs by the Lodges. This Committee believes that in general the content of the programs are robust, informative and benefit those that use them.

The report also asks the Lodges to rank their satisfaction with the above programs. The Lodges rate these programs "neither satisfied nor dissatisfied" – 50.7% of the time. (Friend 2 Friend – 54.9%, Brother 2 Brother – 59.9% and Mentors – 37.4%) These results can only be interpreted as general apathy towards these programs and what they have to offer in spite of at the apparent use of the these programs by 54.9% of the Lodges on average.

It is the observation of this Committee that many of our lodges are unable to implement the programs recommended in the Lodge Resources materials. As our overall membership continues to decline many individual lodges have become too small or lack the number of active members to effectively execute these numerous mandates. Many lodges have enough challenges filling the chairs, let alone committees, and although they want to do more can't possibly properly resource programs like Mentoring, Brother 2 Brother or Friend 2 Friend. Many Lodges no longer have the critical mass to deploy the necessary resources to effectively implement these programs. Therefore member retention and development programs become haphazard and unstructured, relying on individual members stepping into the "gap". This can result in new members falling between the cracks, or end up with an experience that does not meet their expectations, and they leave the craft unfulfilled.

Therefore, this Committee recommends that the Lodges Resource Committee undertake a complete and thorough review of the contents of the Programs under its mandate to ensure that the material is timely, accurate and reflects current and up to date knowledge and best practices.

We further recommend that the organization, presentation and branding of this material be revamped and updated. The outcome of this process should be a harmonized and modernized presentation of this material. Further, they ensure that access to the material is compatible with modern technology, which would include tablets and mobile devices.

We further recommend that the Lodge Resources Committee prepare and execute a marketing and communications plan to inform the Lodges what is

available and how to access it and most importantly the value of using this material to address challenges the Lodge maybe facing.

We further recommend that the Lodge Resources Committee consider developing a model of delivering these programs using the resources of the District to deliver the Lodge Resources programs to the benefit of all Lodges in the District.

- 4) The Cornerstone Project currently has similar results as other Lodge Resources programs. Only 28.7% of lodges are participating in the Project with 17.4% achieving the Cornerstone Designation. When lodges are asked about their level of satisfaction with the Project 61.1% are neither satisfied nor dissatisfied. The reports of the District Deputy Grand Masters reveal that those lodges participating are reaping benefits. One lodge commented, "The Cornerstone Project has given the Lodges a working format for a business plan." In fact the Cornerstone Project offers many benefits to the lodges that participate, even if the full requirements for designation are not achieved!

Comments for improvement are directed towards the reporting requirements and process, the lack of members and/or interest to implement the requirements and a general lack of information about the Project.

When comparing the results of lodges that have earned the Cornerstone Designation to non-participating lodges, the trends are vastly improved. For example, Past Masters serving as the principle officers is reduced on average 11%, the numbers of applications received, attendance and number of degrees conferred are all increased, rating of the ritual is increased 15%, the number of members owing dues is reduced and the number of lodges with active financial committees is increased and the lodges that consider themselves "not financially sound" drops to 3.8% from 8.8%. The conclusion that must be drawn from these improved results across the board is that participation in the Cornerstone Project improves stability and overall success of a lodge.

Therefore, this Committee recommends that the Lodges Resource Committee undertake a review of the Cornerstone Project with the view of streamlining and modernizing the reporting requirements and methods. That the Committee gives serious consideration to incremental recognition to the lodges, creating Gold, Silver and Bronze levels of achievement and corresponding recognition. An effort to link existing programs (Friend 2 Friend, Brother 2 Brother & Mentors) to the achievement of Cornerstone requirements. Thus creating a fully integrated suite of Programs directly linked to achievement and Grand Lodge recognition.

We further recommend that the Lodge Resources Committee prepare and execute a marketing and communications plan to inform the Lodges what is available and how to access it and most importantly the value of using this material to address challenges the Lodge maybe facing.

- 5) The Committee on the Condition of Masonry is composed of dedicated and experienced masons, most who have served Grand Lodge and this Committee faithfully for many years. This Committee reviews each report submitted from the 540 Official Visits conducted by the forty-three District Deputy Grand Masters, summarizing the contents and providing to the Chairman observations and recommendations. Most of our lodges are healthy and should be encouraged to continue on their path of success. There are some lodges that do not enjoy the level of success of the majority, and they communicate via the "L Forms" their struggles and challenges.

Historically the reports of the District Deputy Grand Masters following their review were filed. Only a handful prompted a letter of concern being issued to the District Deputy Grand Master directing them to suggest to the lodge using

some of our Grand Lodge Programs to address their issues and challenges.

Based on the years of experience and feedback from the Committee members themselves the following recommendation is made: that a Team be formed with the express purpose of offering assistance to those lodges that are identified by the Chairman of the Committee on the Condition of Masonry from the review of the "L Forms" submitted by the lodges, that could benefit from being offered "assistance" to resolve their issues and challenges.

As this Team would only offer assistance, the lodge would be under no obligation to accept such an offer. Further, this Team would be mandated to guide the lodge and be a point of external accountability to any plan the lodge would form to address their issues and challenges. At no time would this Team dictate direction to a lodge, nor should they be expected by the lodge to do the work for the lodge.

In summary, some lodges use the "L Forms" to reach out for assistance and this Committee believes that Grand Lodge has an obligation to respond by extending a hand to assist the lodges in forming and executing plans to address their issues and challenges.

In closing, it is my pleasure to serve this Grand Lodge and on behalf of the Committee to make the recommendations herein for the benefit of the Craft to ensure the timeless vitality of Freemasonry in Ontario.

Respectfully submitted on behalf of the committee.

REPORT OF THE LONG RANGE PLANNING COMMITTEE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The work of the Long Range Planning Committee (LRPC) has been focused on the Yearly Tactical Plan, Key Performance Indicators, and Tactical Plan Project 2014-02.

REVIEW OF THE 2013 - 2014 ANNUAL TACTICAL PLAN REPORTS

The LRPC conducted a thorough review of all project reports submitted during the 2013 - 2014 Masonic year. The committee captured and discussed all "Next Steps" and "Recommendations" contained in the reports. We followed up to ensure planned work was being completed and where appropriate included recommendations in the planning phase for future Tactical Plan Projects.

MONITORING AND REPORTING ON THE 2014 - 2015 ANNUAL TACTICAL PLAN

Following the governance model in place for Annual Tactical Plan Projects, the LRPC reviewed all committee submissions and provided our assessment and recommendations to the Deputy Grand Master. Project close out reports submitted by the Committee Chairmen were assessed based on each project's stated deliverables and measurements. Seven of the eight projects were completed by the April 15 reporting date (2014-02, 2014-03, 2014-04, 2014-05, 2014-06, 2014-07, 2014-08). Project 2014-01 is expected to be complete prior to the Annual Communication of Grand Lodge in July.

CREATION OF THE 2015 - 2016 ANNUAL TACTICAL PLAN

Input for the next Annual Tactical Plan was solicited from Members of the Board of General Purposes as well as taken from past survey results, Condition of Masonry reports, Fraternal Correspondence reports, and follow up on the 2013 - 2014 project reports. A list of potential new projects has been created and will be evaluated and prioritized resulting in the 2015 - 2016 list of projects.

KEY PERFORMANCE INDICATORS

Key Performance Indicators and Projections are intended to report on the overall health of the Craft in Ontario and focus on membership under two key headings which are within the influence of our members; Total Membership and Candidate Advancement.

The table below shows the last five years of actual membership data (2008 to 2012) plus the most current data available at the time of printing (2013). Data for the years 2014 to 2018 are projections.

Year	Initiated	Passed	Raised	Joined	Restored	Resigned	Deaths	Suspensions	Adjustments	Membership @ End of Year

2018	1069	779	779	612	117	1769	1151	1030		34529

Committee notes:

- The jump in initiations in 2010 and 2011 may be as a result of the Dan Brown novel "The Lost Symbol". These years are included in the growth function and will cause shifts in initiation projections. The influence of these years on projections will continue until 2017.
- Considering the data inputs that increase membership (Initiated + Joined + Restored) we are projecting a slow decline in number and slow increase as a percent to total membership (see table below).
- Considering the data inputs that reduce membership (Resigned + Deaths + Suspensions) we are projecting a more rapid increase in both number and as a percent to total membership (see table below).

Year	Membership @ End of Year	Membership Increase	Increase as a Percent of Membership	Membership Reduction	Reduction as a Percent of Membership	Net Change	Net Change as a Percent of Membership
2008	50802	2033	4.00%	3315	6.53%	-1282	-2.52%

ANNUAL TACTICAL PLAN 2014 - 02

The LRPC was assigned Tactical Plan Project 2014-02. The project goal was to "Reinforce the need, and communicate the methods to get Long Range Planning into the Districts and Lodges." Over the course of the year communication tools were created to reinforce the need for Planning and to create awareness of the Long Range Planning Toolkit. Several presentations were given throughout the jurisdiction and a letter was sent to all DDGMs for distribution to Lodges. The stated deliverables of the project were met.

Respectfully and fraternally submitted on behalf of the Committee: R.W. Bros. J. William Bowick, Geoffrey S. Allan, Robert E. Collins, John F. Thompson, W. Bro. D. Brent Julian.

STEVEN E. WARREN, Chairman

REPORT OF THE COMMITTEE ON BENEVOLENCE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the Grand Lodge Benevolence Committee I am pleased to issue this report for the year ended April 30, 2015.

I am pleased to report that the Committee reviewed and approved 12 Applications for Benevolence resulting in total grants paid out of \$27,350 with \$150 being returned for a net payout of \$27,200.

Many of these Applications were the result of medical issues that created financial difficulties for the subject recipient. Other applications were made on behalf of widows of our brethren who were experiencing financial difficulties.

The Committee utilized teleconference facilities exclusively to consider and review applications in a timely manner. This has resulted in decisions being made by the Committee within 7 days of receipt. Meetings of the Committee were also held at Grand Lodge, Hamilton, in September 2014 and April 2015 to review process, regulations and other matters.

The Constitution limits the amount that can be distributed in any one year to the net income from Investments (Interest and Dividends). Donations from the membership are encouraged as are legacy gifts. This year a legacy donation of \$10,000 was gratefully received.

The Committee has undertaken a review of the Constitution and Regulations regarding Benevolence and expects to have recommendations for any amendments by the fall of this year.

Detailed financial information regarding the Memorial Fund (aka "Benevolence") can be found in the Auditors Report and Financial Statements of "Grand Lodge" for the year ended April 30, 2015.

The participation and contribution of Lodges, and their membership, both in time assisting members in need and providing funding to same, at the local level, is gratefully appreciated and acknowledged.

The District Benevolence Chairmen provide a vital service by: approving applications before they are submitted to Grand Lodge; advising Lodges on Benevolence and encouraging donations to the Benevolence Fund.

The Committee would like to express their appreciation to Mrs. Stacey Birks, of our Grand Lodge Staff, for her work and diligent assistance and to the Supervisor of Benevolence, M.W. Bro. Terrance Shand, for his wisdom and guidance.

Respectfully submitted on behalf of the Committee: R.W. Bro. Leonard Bedford (Belleville), R.W. Bro. Thomas Hogeboom (Napanee), R.W. Bro. Robert E. Kerr (Grimsby), R.W. Bro. Paul Mullen (London), V.W. Bro. James A Keith (Ottawa), V.W. Joe Whiteley (Guelph), W. Bro. Michael Millard (North Bay) and Bro. Brian Patterson (Newmarket).

PAUL SKAZIN, Chairman

REPORT OF THE LODGE RESOURCES COMMITTEE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Lodge Resources Committee consists of five (5) sub-committees; namely, Brother to Brother; Friend to Friend; Mentor's; Cornerstone; and Officer Progression. The Committee's mandate is specifically aimed at the grass roots of masonry and encompasses everything from our methods of attracting new members, mentoring our new Masons, preparing officers to become Worshipful Masters, developing ways to revitalize lodges, membership retention strategies and encouraging lodges to become more engaged not only within their districts but also within their communities.

Numerous inquiries came to the Lodge Resources Committee which the Team Leaders were prompt to respond to.

The Team Leaders' summaries are as follows:

BROTHER TO BROTHER – R.W. BRO. LEYLAND MUSS

The B2B committee had four (4) objectives this year. They were:

1. Best practices for Developing New Masons.
2. Best practices in Ontario and other jurisdictions for sharing Masonic information with potential candidates.
3. Publish the results of the survey "Understanding Reduced Retention Rate".
4. Review the G.L. B2B Power Point Presentation to determine if it needs updating.

Objective 1 which was included in the Strategic Imperative Project 2014-7 has been completed. Because of its scope it was assigned to the Membership Pillar with B2B leading the project. A document, "**The Five Steps to Initiation**" was drafted. After approval, it will be communicated through the Members' Area of the Grand Lodge web site, the Grand Lodge F2F Team Leader and lodges across the jurisdiction.

Objective 2 is the second phase of Project 2014-7 and is part of a unified resource for candidates and is scheduled to be completed April 2016.

Objective 3 has been completed and is on the Grand Lodge web site.

Objective 4 has been completed. The changes considered were primarily from a District point of view and was not for general use throughout the jurisdiction.

Based on the B2B report “Understanding Reduced Retention Rate” in 2013-2014, two recommendations were made to the Communications Pillar for study and implementation as they are outside the scope of the B2B mandate.

1. That Grand Lodge review its administrative and I/T practices to automate the function of the lodges, districts and Grand Lodge.
2. That Grand Lodge routinely conduct research to its mission through the statistical analysis of the data gathered from its database.

Seven (7) B2B presentations were made in St. Thomas, Ottawa, Owen Sound and Hamilton. At the St. Thomas presentations, handouts were given to the participants referring to Section 4 of the B2B – Lodge Resources Manual for them to gather more information on the following topics:

- 4.8: 6 Easy Steps of Implementation
- 4.9: Retention of Active Members less than 1 year
- 4.11: Renewal of Inactive Members
- 4.12: Successful Planning for a Masonic Year
- 4.15: Lodge Greeters Program

Brother to Brother’s 2015-2016 objectives include but not limited to:

1. Implement the Five Steps to Initiation.
2. Draft a document to teach memorization to supplement the Five Steps to Initiation,
3. Review information from other jurisdictions, with some members of the Membership Pillar, and draft a unified resource for candidates and have it published on the Grand Lodge website.

I thank all members of the B2B committee who worked so assiduously during the year to accomplish our objectives.

MENTORS – R.W. BRO. LEONARD FELDT

Last year the committee divided the Jurisdiction into 4 Regions; this year, upon the input and suggestions received from our existing Regional Representatives, the Northern Region was divided into two parts as the area of coverage was unreasonable and impractical for one person to handle.

We now have Northern East and Northern West Regional Representatives to better serve the brethren’s needs.

We now have a total of 5 Regional Representatives to disseminate our programs and materials across the Jurisdiction, and are pleased to report that this system works and the committee believes it has improved our ability to share our information.

The committee is considering dividing other Regions based on the same Demographic and Geographic suggestions previously provided. These are just some of the “Improvements in Progress”.

After being rolled out last July during the Annual Communication, the “Introduction to Mentoring Videos” were distributed this year to our Regional Representatives and posted on the Grand Lodge Website for ease of access. These Videos have been well received, enjoyed, and are a valuable asset to our arsenal of Mentoring Tools.

It is hoped that the development of the next Video Series, “Instructions in Mentoring” will prove to be just as productive and valuable of an asset.

The committee gave several presentations to Districts as well as Lodges with emphasis on the importance of establishing a Mentoring Program. The Mentor’s Videos were the primary component of the presentation and greatly assisted in delivering the message.

The Committee received a request from a Lodge in British Columbia asking for information on our Mentoring Program and materials. They received many comments from their brethren who saw this on our Website. The BC Lodge wanted to know if we could provide copies to them for their use in their Lodges. The committee was pleased to

accommodate this request and felt rewarded that another lodge in a different jurisdiction had found these videos and believed they could benefit from them. The committee endorses the need to continue with the development of new Videos, New Materials and improved dissemination. It is important to produce and have material that is relevant to today's Masons.

CORNERSTONE – R.W. BRO. JAMIE IRELAND

The Cornerstone Project, initiated by Grand Lodge, had another very successful year. As the number of participating lodges grows, the brethren of the jurisdiction are seeing the benefits of being a part of an active lodge.

The Cornerstone Committee, consisting of nine members along with an additional team of District Cornerstone Chairman/Advisors, has been working diligently to promote and guide the lodges through the Cornerstone Project. Forty-one of the forty-three Districts have a Cornerstone Advisor at their disposal. The Team Leader, Committee members and Advisors have visited lodges when requested and presented informative talks on the Cornerstone Project. The travelling Seminars and Workshop Committee has included our team in their quest to bring the Grand Lodge Programs to the brethren. This has been a very worthwhile endeavor to raise awareness and to be able to explain the requirements and benefits of Cornerstone.

The number of lodges that are involved in Cornerstone is gratifying. The lodges that originally sent in their Letter of Intent in 2012 and missed their submission deadline were moved ahead one year; meaning that, instead of gaining Designation in 2014, they are now eligible to acquire their Designation in 2015 at the Annual Communication of Grand Lodge in July. There are 63 lodges that fall into this category. Fifty-three (53) lodges submitted Letters of Intent in for the 2013 -2015 period. The 2014 -2016 Cornerstone qualification period has seventy (70) lodges enrolled. It remains to be seen what number of lodges will submit their documentation packages for the various qualification years but we are hopeful that they all will. At this time, there are forty (40) districts in our jurisdiction involved in Cornerstone and I wish to thank all the District Deputies for supporting and promoting the Cornerstone Project in their respective Districts. We would have a difficult time spreading the word of Cornerstone without their cooperation.

The Cornerstone Committee has focused on this year on adjusting and updating the Cornerstone tools. A revised Cornerstone Manual was added to the Grand Lodge website to reflect the two newly added Standards requirements. Some of the wording in the Manual was clarified so as to be more easily understood. The wording of the Standards was also changed to fit with the two year qualifying period. The Letter of Intent and Application Form now better reflects the information that is required. The Cornerstone Manual has now been revised again to a fillable PDF document. This will enable the members to fill in the required Standards electronically which saves time and frustration in some cases and will permit a more easily submitted documentation package. The Committee has also developed a document that summarizes the Cornerstone Standards that are required. This allows a Cornerstone Presenter to describe more easily what is needed to fulfil the commitment to Cornerstone. While the Cornerstone Manual is being described, a brother can easily follow along with the presenter and make a more informed assessment of the program. The Cornerstone Power Point Presentation has been updated to reflect upon the new Cornerstone Manual. This gives a Presenter another tool in his toolbox to present and promote the Cornerstone Project.

As some updates to the Cornerstone Project have been completed, an updated video that explains the Cornerstone Project still needs to be done. The existing video is now outdated as it does not reflect the two year qualifying and designation period. The Committee will be tackling this task in the near future. The Committee Members and Advisors are also eager to continue to actively present and promote Cornerstone to the

brethren. The committee appreciates and welcomes any invitations to speak at a lodge meeting or District event will do its utmost to oblige.

In conclusion, I would especially like to extend a sincere thank you to the members of the Cornerstone Team. Your hard work and dedication to Grand Lodge, has made the Cornerstone Project the success that it is across our entire jurisdiction.

OFFICER PROGRESSION – R.W. BRO. KEVIN SMITH

Officer Progression (OP) began the Masonic year with a very successful one hour Officer Progression Seminar at the 2014 Annual Communication of Grand Lodge. Next was a participation in the Workshops and Seminars “Roadshow”, held in St. Thomas, in November. Two sessions were presented at this well attended workshop. On January 27, 2015 a 45 minute presentation was well received by the members of Landmarks/Doric No 654 and others of Hamilton Masonic District. Our final training session was presented to the Officers and members of Moffat Lodge, London who were hosting the Senior Wardens Group of London East and West Districts.

Work is being completed to address Grand Lodge Strategic Imperative: Membership, Project 2014 -01.

FRIEND TO FRIEND – R.W. BRO. WILLIAM ATKINSON

The FTF Committee held FTF talks this year in Chatham District, Hamilton “C” District and Sarnia District. The ensuing question and answer period, at the end of these talks, was a great source of information not only to the Districts, but also to the FTF Committee as well.

The committee created a questionnaire that is to be completed by Lodges and/or Districts that held a FTF event this year. As of the end of March 2015, only 20 requests for dispensation have been received for FTF events to be held in the Province. The belief is that lodges are holding FTF events without realizing that dispensation is required. Without dispensation our committee has no way of knowing who held an event and thus cannot contact them to gather information as to the results of their FTF event. This information is critical to the committee so we can establish the effectiveness of the FTF programme in its present form.

The committee is in the preliminary stages of producing a new FTF video that can be used by the Lodges or Districts when they hold a FTF event.

The early results of FTF events that have been held this year, indicate that it is a great aid in getting new prospects for their lodges.

Respectfully submitted on behalf of the Team Leaders and their respective committees.

SCOTT R. DRUMMOND, Chairman

REPORT OF THE D.D.G.M. ORIENTATION COMMITTEE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am privileged to present this report on behalf of the DDGM Orientation Committee (R.W. Bro. Paul Johnson, Norm Allingham, Tom Keith, Jim Smith, V.W. Bro. Bob Ledingham and George Pohle).

Our Committee held a total of 8 workshops at Harriston, Oshawa, Paris, Sturgeon Falls, Brockville, Ridgetown, Guelph and Vaughan. As in the past, we have presented to each host Lodge a cheque of \$75.00 to offset their costs as well as a letter expressing our appreciation for the use of their facility. This was well received.

Attendance was 120 aspiring DDGMs and District Secretaries, in addition, several current DDGMs participated adding their personal experiences and offering encouragement to the aspirants. Necessary modifications are made to our presentation to further compliment the Past Masters Correspondence Course. Therefore, additional time was required to fully present this workshop and also to make sure all questions were answered. We are pleased to report that no complaints were received regarding the new course!!

Congratulations to all DDGMs and District Secretaries and thank you for your input.

We continue to review our material and strive to make necessary adjustments so that our information is as accurate as possible and adheres to the most current Book of the Constitution, Book of the Work and other resource materials that we utilize. There is no question that there is a wealth of valuable information in this course and the Past Masters course. Information changes, important questions asked, and improvements in our delivery evolve so that we may have a better product to present to our aspirants.

Once again our book sales have diminished as many have made prior purchases to complete the correspondence course; however we have an adequate supply on hand.

The Chairman of The Condition of Masonry, R.W. Bro. Kaufman has asked that we make minor changes to our Power Point to clarify the use of the CD and how to properly fill out the forms. This was easily implemented. We thank R.W. Bro. Kaufman and his committee for assisting at our seminars.

In my humble opinion, this committee works very efficiently, effectively and respectfully together. We truly enjoy what we are presenting and fully appreciate the importance to the Craft that this workshop presents.

Thank you, R.W. Bro. Paul Johnson for providing the necessary electronic equipment and all the written data that we require.

Special thanks to our Grand Master M.W. Bro. Donald A. Campbell, our Deputy Grand Master R.W. Bro. John C. Green, R.W. Bro. Paul Todd (liaison) and our Grand Lodge office for your encouragement and support.

Respectfully submitted on behalf of the committee.

THOMAS A. SIEMIERNIK, Chairman

REPORT OF THE COMMUNICATIONS COMMITTEE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Communications Committee and its Teams are pleased to report on the progress that has been made during this Masonic year.

The committee has continued with our theme of **“Communications is a Partnership”**. Partnership is defined as – *An arrangement in which various parties agree to cooperate in advancing their mutual best interests*. By this definition alone, establishing a culture of effective communication, in our jurisdiction, is in the mutual best interests of all Brethren.

The committee has continued to forge new partnerships within the GL Committee structure, we have continued to enhance those that were developed last year and in doing so, we believe that a greater sense of cooperation now exists. However, there are still those that are not taking advantage of these collaborative ventures, so the work is not yet complete.

We are pleased to provide the following reports from the individual teams within the Communications Committee:

WEB TECHNOLOGY TEAM

The Web Technology Team continues to work with other stakeholders to ensure that information on the web site is both timely and accurate. Our team is an integral part of the Communications Committee under the Chairmanship of R.W. Bro. Iain Wates. The website is the main source of information for our jurisdiction and activities within it. In the last 12 months we have had 137,000 members and visitors accessing over 640,000 pages of information. Of these, approximately 60% are new visitors and 40% are returnees.

E-commerce is still a work in progress as technical difficulties have prevented its debut. We are now in the testing mode of the e-commerce functionality to ensure that our users can take full advantage of its capabilities. First offerings will be those publications that are supplied from the Grand Lodge office. Next, it is anticipated that the ability to obtain tickets for conferences and receptions will be available. To utilize these services, all the member will need is a "PayPal" account.

Our newer members today are very savvy with technology and there has been an exponential growth in the use of mobile devices such as smart phones and tablets. With this in mind, the web technology team is exploring optimizing our website to make it portable device friendly, together with the development of an app for those devices so that wherever a member is, directions to lodges in the area can be readily found.

Our website has also proven to be a valuable contact point for those who are looking to join Freemasonry. Since the last Annual Communication and up to April 1, 2015 there have been 456 contacts through the website, averaging 50 contacts per month. A full third of these contacts were referred to Lodges and/or Districts for further action and about 25% required no further action. The remainder were provided with the necessary specific information that they were requesting.

The Team Leader made a presentation at the Toronto Masonic Education Conference and members of our team are always available to any interested group to make a presentation on our web site. You are encouraged to contact the Team Leader to arrange for someone to make a presentation.

Our team relies on feedback, from you the member, to make changes and enhancements to our website. One area that is currently under development is a wider access to the history of our Jurisdiction and Freemasonry in general. Our Grand Historian, R.W. Bro. Michael Jenkyns, has written volumes of material that is of great interest to the Craft. The website will provide a dedicated area for his works that will be accessible to all members.

Other areas of development are locations where recipients of the William Mercer Wilson Medal and the Grand Master's Meritorious Service Award are to be listed with their biographies. If you have members in your Lodges or Districts that are in either of these categories, the team leader would like to hear from you so that these members are appropriately recognized.

Finally, I would like to extend a heartfelt thanks to the members of the Web Technology Team that have worked tirelessly to support these efforts and to R.W. Bro. Iain Wates, our Committee Chairman for his support and guidance throughout the past year.

Respectfully submitted on behalf of all Team Members.

MICHAEL LOCKE, Team Leader

ONTARIO MASON MAGAZINE TEAM

The OMM Team continues to be committed to a philosophy of continuous improvement, while at the same time ensuring that the magazine reflects the activities of the Masons in the jurisdiction, provides highlights on the communities in which our members live and offering diverse articles for our readership.

By the time this report is published, the team will again have produced four issues this year. This will be the seventh issue since the inception of the on-line version of the

magazine. With each issue, our readers provide valuable feedback that shapes the future of upcoming issues.

In the Winter 2015 issue of the magazine, a survey was included. The results of the survey indicated that the Brethren who read the magazine either read it on a tablet or on their computer, 95% of the time and only 5% of the readers use the printer friendly (PF) version of the magazine. The PDF version and printer friendly (PF) versions of the magazine appear to meet most readers' needs but as always we hear from many Masons who still wish to receive a paper copy. The survey also indicated that there was a high demand for Masonic history, education, and district events. And finally, the survey clearly indicated that there was no demand for the proposed "Epub" version of the magazine, so for the now it will be given a much lower priority. As we move forward with future issues of the magazine the OMM team will continue to evaluate every issue and use the feedback from our readers, to enhance the product that we deliver.

At last year's Annual Communication your OMM team visited many District rooms to engage the brethren and to promote the magazine. Many brethren were not aware of the new electronic version of the Ontario Mason Magazine because it is seldom spoken about in their District. The team is sorry to report that not too much has changed in the past 10 months or so. The Ontario Mason Magazine is becoming one of the great secrets of Freemasonry. To assist in achieving a greater readership, we established an E-Subscription service; to date we have almost 150 readers who receive the magazine in this way.

The OMM team is committed to sharing the magazine with all Masons in Ontario and ensuring that the content represents the lodges and concordant bodies in all 43 districts.

Please remember, if an event, celebration or activity *is important to you; it is important to us.*

Respectfully submitted on behalf of the Team.

DAN DIGNARD, Team Leader

INTERNAL COMMUNICATIONS-PUBLISHING REVIEW TEAM

The Internal Communication Team was pleased to continue its mandate to promote the dissemination of information and news through Lodge Summonses, as well as Lodge and District Newsletters. The Team also promoted effective use of websites to promote and detail the activities of an individual Lodge or entire District.

Mid-year, email "blasts" were sent out inviting brethren to nominate a Newsletter they felt deserved recognition for its ability to inform and educate members. Following a review of all submissions, a Gold and Silver Award, for Best Newsletter, was decided upon and those award winners will be announced and presented at the Annual Communication in July.

For the first time, nominations for Best Website were not required for this category. All websites were adjudicated by the Team and team members observed that websites have improved immensely over the years, with the vast majority providing current, informative and very visually appealing information. Two Districts websites were judged to be outstanding and the Gold and Silver Awards will be announced and presented at the Annual Communication.

This year, the Team took on the role of Publishing Review. The team's role in this capacity is to ensure that all documents etc., comply with the Grand Lodge Communication Strategy & Policy. Over the course of this year, the team reviewed more than 30 documents, resources, forms and power point presentations for use by our Grand Lodge Committees, and we wish to express our thanks to the committees of our Grand Lodge for responding in such a positive manner, to the new review process.

It was, once again, a pleasure to serve on the Internal Communication Team and I thank its members; R.W. Bro. Jim Thornton, W. Bro. Robert Leffley and W. Bro. Carl Kristensen for their dedicated work this year.

Respectfully submitted on behalf of the Team.

JAMES SERCOMBE, Team Leader

In closing, the Communications Committee and its Teams wish to express their appreciation to M.W. Bro. Donald A. Campbell – Grand Master, R.W. Bro. John C. Green – Deputy Grand Master and R.W. Bro. John L. Hay – Management Liaison, for their support in promoting the great need to create a diverse and multi-platform approach, from which to communicate to the membership at large.

I personally wish to express my sincere gratitude to all Team Leaders and Members of the committee for the time and effort they have committed to the vision of enhancing communications within our jurisdiction through the concept of *Communications is a Partnership*. Without their great personal desire to serve the Members of this jurisdiction, the progress that continues to be made, simply would not be.

All of which is respectfully submitted on behalf of the Committee.

GRAND LODGE OFFICE TECHNOLOGY REPORT

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Seminars

We have conducted several seminars throughout Ontario this Masonic year. The attendance and interest has been rewarding, and will bolster our plans for continuation.

July 16, 2014 Grand Lodge (3 seminars)

October 25, 2014 Chatham, Erie, Sarnia, Windsor districts

Computer Resources Disks Produced and Distributed

Over 250 CDs and DVDs were produced and distributed throughout the jurisdiction to the brethren via the seminars and to the District Deputy Grand Masters. The disks contained a significant amount of information including all current Grand Lodge forms as well as significant other resource material for the benefit of not only the lodge Secretaries and Treasurers, but the three principle officers of the lodge as well.

Grand Lodge Forms

Several Grand Lodge forms, including the Semi-Annual Return, DDGM Forms, Return of Officers, degree and installation set-up forms were update and posted to the Grand Lodge Forms site. These forms have been added to the Computer Resources Distribution CD and postings are made to the Forms Site as updates are applied so that these are available in a timely manner.

Most of the forms and the Semi-Annual Return may be completed on a computer using Adobe Acrobat Reader, available as a free download from www.adobe.com or from your Computer Resources Representative. Approximately 10% of the Lodge Secretaries requested and used an electronic copy of the Semi-Annual Return.

Site and Hearing Challenged Brethren

The lodges who have members who are sight impaired may apply for a special CD designed to be used by a voice synthesizer in their computer. There are also several publications available in large print format.

Both of these items are available to any member who suffers sight impairment. Application to Grand Lodge for this CD or large type books must be made by the lodge on behalf of the member, on lodge letterhead and signed by the Master. The following publications are available:

1. Book of the Work – 2013
2. Book of the Work [EA] - 2013
3. Book of the Work [FC] – 2012
4. Booklets No. 1, 2, and 3 - 2010
5. Book of Installation -2012
6. Book of Constitution -2014
7. Guide and Mechanics – 2014
8. Meeting the Challenge – 1998
9. Several other Grand Lodge Publications

These files are password protected and formatted in either Microsoft Word and/or Adobe Acrobat formats as required by the standards set down by the manufacturers of the voice synthesizer equipment.

I would like to thank V.W. Bros. Kris Nickerson, Eric Lakien and W. Bro. Robert Lipic for their support and assistance throughout the year.

I would especially like to thank M.W. Bro. Terence Shand, Grand Secretary for his navigation and management skills provided to the committee.

Respectfully submitted on behalf of the committee.

ROBERT KLIAMAN, Chairman

REPORT OF THE YOUTH INITIATIVES COMMITTEE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The three Masonic Youth Groups are the DeMolay Ontario who meet in a Chapter, the International Order of the Rainbow for Girls who meet in an Assembly and Job's Daughters International who meet in a Bethel. Young people from the ages of 11 to 20 are eligible to join. At 21 they age out and often become advisors to their group. They hold their meetings in the various Masonic lodges where they are located which are currently located in Ottawa, Port Hope, Ajax, Mississauga, Brampton, Hamilton, Guelph, London and Windsor. These groups offer young people an opportunity for personal growth and leadership development all the while experiencing fraternal bonds that can last a lifetime. The ideals and values taught are based on the fundamental principles of Freemasonry. To see these young people doing ritual is most impressive.

The Youth Initiatives Committee has been very active this year. We started in August attending International Order of the Rainbow Girls Grand Assembly where the Grand Worthy Advisor Emily Leutri and her officers were installed. At this meeting the Grand Master, M.W. Bro. Donald A. Campbell and I presented the Youth of the Year Award to Janine Magilson. In addition to the plaque Janine received a check for \$500 and her Primrose Assembly # 8 received a check for \$300. Janine was very surprised to hear her name announced and at first didn't realize she had won. She is a fine young lady deserving of the award and she very much appreciated winning. Interestingly I have known Janine and her family for many years, so it was very special for me to be a part of that presentation.

The DeMolay Ontario Provincial Convention Banquet & Installation of Officers was held in October. Provincial Master Councillor Michael Ticknor and his officers were installed. The DeMolay also elected Rebecca Wellon as their Provincial Sweetheart.

We attended the Rainbow Grand Officers Reception, Dinner and Dance in November.

In March we attended the DeMolay's Initiation Degree where the youth end the evening with the Sweetheart's Ball, a dinner and dance.

In addition to the above the many of the YIC members attended the January Installations, various monthly meetings and other special events of the three groups.

As you may know the youth run their own meetings and the adults act as advisers and are referred to as the moms or dads. A number of YIC members are in fact advisors with the youth groups.

We are truly grateful and acknowledge the dedicated efforts from members of the Masonic family to support and assist by providing lodge rooms, financial aid, attending meetings and being advisors to the Youth Groups.

That said they need our help. Much more needs to be done as these youth groups need our participation at their meetings. We are underrepresented at their meetings giving the number of Masons in our jurisdiction and we are in danger of losing some of the groups.

What has surprised us is the lack of knowledge or even knowing the existence of these Youth Groups by many Ontario Masons regardless of how long they have been part of our Grand Lodge. We do need more Masons to show their support for the youth by attend their meetings if we are to be successful in keeping them in our Masonic family.

The goals of the YIC this year.

To raise the profile of the Youth Groups within our Jurisdiction, and let the Youth see our commitment to them.

So the YIC set out to bring to the attention of the Ontario Masons the fact that there are three Masonic Youth Groups operating in Ontario, DeMolay for Young Men, Job's Daughters and Rainbow Girls.

While we will not be a recruiting agency for these groups, I believe that Masons having knowledge of these Youth Groups will be in a better position to inform their sons, daughters, nieces, nephews, and other young people about these great Youth organizations.

In order to implement this goal V.W. Bro. Gerry Ouellette took on the task of putting together a new brochure highlighting the Aims and Ideals of these Youth organizations. We had positive input from the leaders of the Youth Groups being, Ernie Loiselle of DeMolay, Melissa Brown of Jobs Daughters and Luanne Walton of Rainbow Girls, to make sure their message on the brochure accurately reflected their organizations ideals.

We hope that the distribution of these brochures would help raise awareness of the Youth Groups to our brethren and encourage them to attend some of the Youth's meetings, for by our presence the Youth will know they are apart of our Masonic family. While the brochure has been well received, it is too early to say if it hits the mark.

The YIC announced there will be two Youth of the Year Awards;

(1) One award for any member in good standing of either the International Order of Job's Daughters or the International Order of the Rainbow for Girls residing in the Province of Ontario.

And one award for any member in good standing of the International Order of DeMolay residing in the Province of Ontario.

(2) The two recipients will be presented with a cash award of \$300.00. In addition, the recipient's home Bethel, Assembly, or Chapter will receive a cash award of \$200.00

(3) A plaque with the recipient's name & the youth group inscribed will be presented to the recipient for display at their Bethel, Assembly, or Chapter. The plaque must be returned to the Youth Initiatives Committee Chairman at the Grand Lodge Communications in July.

(4) A smaller plaque will be given to the recipient to keep.

Criteria for winning include Active Participation in their Youth Group, Community Involvement, Volunteer Service and an Essay based on the Question:

"What changes would you make to your group in order for it to be more attractive to new members and/or to keep exiting members"?

Any and all ideas/ suggestion are on the table. For example, they could relate to ritual, protocol, etc. Their essay will not be judged on the idea but solely on their ability to defend and support that idea(s).

The YIC will pick the winners and the presentations will be made at the Rainbow Grand Assembly in August and the DeMolay OPC in October.

Along with the Order of the Eastern Star Youth Group we supported the DeMolay Awareness/Fundraiser which benefited the three Youth Groups. Many thanks to W. Bros. Ernie Loiselle, David Doherty and Horst Benoit for their efforts.

The Youth Groups like the Masons have a fluctuating membership and a few are struggling for members and advisers. As a Grand Lodge we have to make the Youth a priority. We recommend;

DDGM's appoint a Youth Chairman for their District to help the YIC identify potential youth and advisers locally.

Mandatory visits to a Youth Meeting within a reasonable distance as part of the Cornerstone Project.

When Lodges visit a potential applicant for Masonry they should make them aware of the Youth Groups and I would add the Order of the Eastern Star.

We believe that Masonry should be seen as a family affair with something for all.

It cannot be understated that Masonry is in the hands of the Youth, they are the future leaders of our Craft. Our involvement now will pay dividends later, for as the Youth age-out of their respective groups the young men from DeMolay may very well become Masons. The young ladies of the Rainbow Girls may end up in the Eastern Star.

They will no doubt refer their friends to consider joining Masonry based upon their own favourable opinions on the Craft. We can achieve this by our example of support and guidance. I invite you to attend one of their meetings and see for yourself how impressive their work is and the pride demonstrated by the members and officers.

The members of the Youth Initiatives Committee: R.W. Bro. Allin Brown. V.W. Bros. Gerry Ouellette, Refik Yoney, John Black, Clinton Sturgeon. W. Bros. Richard Loomes, Blake Kennedy and Bro. Derek Friesen are to be commended for their work with the youth and we thank the Grand Master for the opportunity to serve Grand Lodge.

Respectfully submitted on behalf of the Youth Initiatives Committee.

KEITH JONES, Chairman

REPORT OF THE LEADERSHIP TRAINING DEVELOPMENT COMMITTEE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Core Project:

In the 2014-15 Masonic year, the leadership development committee has continued its exploration of the nature and importance of leadership. We have come to accept the previously published list of Key Competencies as the de facto definition of leadership in our Grand Lodge context. We would hope that every Mason has a degree of proficiency in some of these competencies and that people in high positions have a high level of proficiency in most of them. Everyone has a role, however small, in the leadership of the organization.

How to build proficiency in these skills becomes the challenge. Some of the things we've done to meet this challenge include:

- Identification of leadership roles associated with different positions in the organization,

- Reaching out to other Grand Lodge committees to identify common ground,
- Proposal of a leadership learning model that recognizes (a) elements which lend themselves to an education process, (b) others best dealt with through apprenticeship and (c) yet others best learned through mentorship and example and, finally,
- A search for leadership lessons to be gleaned from our routine lodge business

A major conclusion to be drawn from this work is that:

Freemasonry is the world's oldest Leadership Development Program

Further, it is unique in being soundly based in morality and ethics. What this means is that within the values and scope of our own activities, we are capable of developing the leadership strengths that we need.

To this end, we have undertaken two initiatives:

- Prepared a paper for delivery at the Grand Lodge communications in July of 2015. This will address a number of leadership issues and present a learning model for building proficiency in the Key Competencies and
- Drafted a developmental program for building a deeper understanding of leadership issues and introducing related management skills.

Reference Guide

The Reference Guide for New Members of the Board of General Purposes was delivered and explained at the meeting of committee chairs in August. The document will be reviewed and the process continued in 2015.

Biographical Profiles

In 2014 and 2015, the Leadership Development Committee has again acted as a clearing house for biographical profiles of those seeking elected positions with Grand Lodge. The profiles are intended to provide information about the skills and experience of the candidates so the membership can make informed voting decisions. The LDC role is to ensure consistency in length, format and presentation style. It is expected that in future years this work will be conducted by Grand Lodge staff.

Recognition

In closing, I would like to thank the Grand Master and Deputy Grand Master for allowing me to act as chairman of this committee. It has been an honour to serve in this capacity and a pleasure to work with a very fine committee. The committee consisted of R.W. Bros. Jeffrey Baker, Tim Barber, Joe Demello, Giles Loshaw, Marvin Switzer (secretary) and Elliott Zovighian along with W. Bros. John Bezant, Dan Hutt (Vice Chairman) and Dale Porter. I should also recognize the very able assistance of Dr. Ken Jones who, while not a Mason, has offered invaluable advice to our fraternal organization on this committee as well as in other capacities.

WILLIAM BOWICK, Chairman

REPORT OF THE PROTOCOL AND ETIQUETTE COMMITTEE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Ritual is the foundation and framework of our Order. As directed by Section 7 of our Constitution, no individual Mason can change it, (with the exception of the Ritual Committee). It is sacrosanct, unerring and inviolable.

In contrast, Protocol and Etiquette is nothing more than a set of guidelines – but they are not ordinary guidelines. As described in *The Masonic Manual*, most are necessary. Certain traditions, landmarks, customs, usages, laws, edicts and regulations have evolved through the ages to form these guidelines. They are meant to govern our behaviour in

Lodge and even in life. These rules of good manners are designed to make our lodge meetings pleasant and respectful for everyone.

No one can dispute that some P&E guidelines carry more weight than others. Some guidelines fall into the realm of mere common courtesy. Others are simply rules based upon a long and successful usage. Where no such rules have been formulated at all, whether in writing or by tradition, the good taste and sensitive feelings of the individual Brother remain as our only guidance.

P&E, therefore, has no distinct and unvarying boundaries. You may think of P&E as a concept, an agreed set of standards so everyone does the same thing, a set of rules to govern our behaviour in most situations, to bring about uniformity throughout our Grand Jurisdiction.

As was so eloquently expressed by the late R.W. Bro. Henry G. Meacham, a former Grand Lecturer of the Grand Lodge of New York, who was such an inspiration to me and a countless number of other Masons:

"There is a certain grave beauty in the practice of Masonic etiquette. The Masonic life as it is lived out in our assemblies is a conscious work of art, with each and every part coordinated to every other, and instinct with the feeling of the whole.

If a man enters into that system without preparation or forethought, and trusting only his instincts, his manner will strike an awkward note, like a discord jangling across a strain of music; but if he has trained himself in his part and caught the spirit of the whole, the genius of Freemasonry will shine through his actions, and will express itself through ritual, symbol, law, philosophy, fellowship and daily deed.

To have one's self thus become a part of a great and living whole is a kind of satisfying pleasure nothing else can give, a participation in the very life of beauty, appreciated as much by the beholders as by the actor. This ability to confer pleasure upon one's fellows when gathered in communication or in ceremony is not the least of etiquette's rewards."

The mandate of the P&E Committee is to communicate those standards of Protocol and Etiquette which are applicable in our Grand Jurisdiction, thereby creating a heightened awareness of them and to assist the brethren in becoming competent in them.

We endeavour to carry out our mandate by making presentations throughout the Province, by preparing and distributing educational material, and by responding to a multitude of questions from the brethren.

Our most successful initiative to date has been the electronic distribution of a monthly educational bulletin called ***P&E Essentials***. It is estimated that over 10,000 brethren read each Issue, including Masons in Newfoundland, Nova Scotia, Quebec, Saskatchewan, Alberta, British Columbia, the United States, Europe, and even in Asia. The key to its success has been its easy-to-read, easy-to-download, and easy-to-distribute format. We are most grateful for the assistance of our District Deputy Grand Masters and so many of our Lodge Secretaries in the distribution effort.

Now that the committee's eighth year of activity is coming to a close, it is a pleasure to report that there is a very strong awareness of the importance of Protocol and Etiquette in each of our 43 Districts. Our standards have definitely improved.

The questions asked by brethren – at our presentations, by telephone and by e-mail – about all aspects of P&E, reflect their genuine desire to learn our standards and to practice them correctly. This year we also witnessed a commendable depth and complexity to the questions that were raised.

Formal requests for the Committee to conduct a P&E presentation reached an all-time high this year. Over 30 separate P&E presentations were given by Committee members over the past twelve months, throughout the Province. Both the interest levels and the attendance at these workshops and seminars were heartwarming.

The Committee continues to address the importance of specific aspects of Protocol and Etiquette in our presentations, namely:

- The Masonic Memorial Services
- The Reception of Grand Lodge Officers
- Banquet Hall Protocol
- The Ceremony of Installation and Investiture
- The Committee of Inquiry
- How to Conduct the Ballot

Comprehensive educational guidelines have been developed by the Committee for all of these topics. These guidelines are designed to complement and expand upon those contained within our Grand Lodge's two primary texts: *Meeting The Challenge* and *The Masonic Manual*.

Hard copies of our Committee-produced educational documents are made available to brethren who attend our presentations. They can also be found on the Grand Lodge web site, as well as on several District and Lodge web sites. Many copies have been distributed electronically.

The task facing the Committee since its formation in 2007 has been an immense one. It will likely never be complete. However, our approach of using the electronic medium of web sites and e-mail messaging, together with the more personal "hands-on" venue of District and Lodge workshops, appears to be fairly effective.

The pleasure of addressing this formidable task was considerably enhanced by the opportunity of working with an outstanding and accomplished Committee. The following brethren have deservedly earned my deep appreciation – and hopefully yours as well – for all their efforts and contributions: R.W. Bros. David Purvis (*Secretary*), Howard Adams, Art DiCecco, Saliem Khoury, Michael Litvak, George McCowan, David Neave, James Pearson, David Stevens, together with V.W. Bros. David Fernandes, Bryan Middleton, George Pohle, and Refik Yoney.

The P&E Committee reports directly to the Custodian of the Work. All of our material is reviewed by him before it is disseminated. A significant number of the questions we receive from the brethren are referred to him. We also endeavour to keep him fully-informed about all our activities.

On behalf of the Committee, I would like to express our appreciation to M.W. Bro. D. Garry Dowling, Past Grand Master and Custodian of the Work, for all the assistance he has provided to us during this and previous Masonic years. He has been a wonderful resource, mentor, and friend.

Respectfully submitted on behalf of the Committee.

GORDON CRUTCHER, Chairman

REPORT OF THE BROCK UNIVERSITY PARTNERSHIP COMMITTEE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This year the Committee focused on the following parts of its mandate:

- In partnership with Brock University, encourage research into the significant impact fraternalism in general and Freemasonry in particular have made on society here in Canada and throughout the world.
- To assist Brock University with the series of annual lectures by world renowned and local Masonic scholars, with options for periodic multi-day conferences.
- To promote the project to the brethren and encourage donations to Project 2937 of the Masonic Foundation of Ontario.

The sixth lecture in the Charles A. Sankey Lecture Series took place on Sunday, March 22, 2015. Dr. Susan M. Sommers, Professor, Department of History, St. Vincent College, Latrobe PA, was the keynote speaker. Dr. Sommers talk was entitled *The Masonic Empire of Thomas Dunckerley: England to Quebec and the Broad Oceans In-between*. Dr. David Schimmelpenninck Van der Oye, Professor, Department of History, Brock University was the Master of Ceremonies for the Lecture. Despite a number of masonic events on this date, the lecture was well attended with over 200 in attendance. Dr. Schimmelpenninck gave a brief overview of the extensive Masonic Book Collection housed in the James A. Gibson Special Archives at Brock. Of the collection 308 works (annual proceedings and out of copyright books) have been digitized and placed online in Brock's Digital Repository and the Internet Archives. The books currently in the collection can be found on-line at <http://www.brocku.ca/library/collections/special-collections-archives/masonic-book-collection>.

In addition, the Gibson Library would like to update their collection with more recently published Masonic works (2000-2015). As such, they have undertaken a survey of Masons and Masonic Scholars to: 1) Provide the author, title and date of up to five Masonic works that have been published since 2000 that are worth having in a research library, and 2) Provide the author, title and date of two 'classic' Masonic books that every library should have. The survey can be found at <http://tinyurl.com/MasonicBookSurvey> and is available until December 2015. This initiative will be paid for from the endowed funds already provided by the Grand Lodge of A.F. and A.M. of Canada in the Province of Ontario and Heritage Lodge No. 730 which have grown to a sum that will allow the addition of a number of books to the collection.

The Committee is indebted to Dr. David Schimmelpenninck Van der Oye, Professor, Dr. Renée Lafferty, Associate Professor and Dr. Michael Driedger, Associate Professor all from the Department of History, and Ms. Jana Boniferro, Development and Communications Officer, in the Faculty of Humanities, Brock University for their time and effort in making the 2015 lecture such a success.

Sankey Lecture Website (www.sankeylectures.ca): There is a twofold purpose to the site: to provide information about current lectures, as well as an archive of previous lectures. The video of the sixth lecture given by Dr. Sommers was made available on the website in May 2015. The video was accompanied by a number of photos taken at the event.

Future Sankey Lectures: In September 2014, the agreement with Brock University was renewed for a further 5 years of Sankey Lectures. The Committee is indebted to the College of Freemasonry who are funding the Sankey Lectures. The 2016 Sankey Lecture will be presented by a celebrated lecturer on Freemasonry, Dr. Andrew Prescott, Professor of Digital Humanities, University of Glasgow. He is a research collaborator with Dr. Sommers who is expected to join Dr. Prescott for this special occasion. Dr. Prescott will be presenting on the Anderson Constitution.

The Committee continues to review the timing, promotion and other aspects of the lecture series to improve future lectures. From the discussions with the Department of History, it is felt that the March timeframe is most advantageous to attract students and faculty as part of the outreach of this program.

On direction from R.W. Bro. John C. Green, Deputy Grand Master, the committee worked on developing an outline for a Conference in 2016.

At the request of M.W. Bro. Raymond S.J. Daniels and with the approval of the Management Committee the funds raised for Project 2937 during M.W. Bro. Daniel's term as Grand Master have been transferred to Brock University at a May 8, 2015 meeting. These funds will assist Brock University in their efforts regarding Masonic Studies.

During Committee meetings, the longer term goals of the partnership with Brock were discussed as well as possible mechanisms for ongoing support and funding of the initiative at Brock.

The Sankey Lecture has already delivered dividends while remaining focused on the academic credibility it brings to Freemasonry in general.

Respectfully and fraternally submitted on behalf of the Committee, R.W. Bros. Arthur Di Cecco, Dale A. Graham, Patrick McGrenere and Charles H.M. Reid, Charles A. Woods and W. Bro. Gordon Bouchard.

REPORT OF THE GRAND HISTORIAN

This Report was presented by V.W. Bro. S. Michael Jenkyns, Grand Historian, and on motion of the Deputy Grand Mater, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I would like to thank you, Most Worshipful Brother Campbell, for honoring me with the office and title of Grand Historian. And to thank both you and Grand Lodge for honoring me with the rank and title of Right Worshipful Past Grand Senior Warden (Honorary).

This report is submitted in accordance with the book of Constitution which requires the Grand Historian "to record matters that are connected with the history of Freemasonry in Ontario."

This year we will receive a report on the life and times of Canada Lodge, UD, which has now closed. It was established by, and for, our brethren serving in Afghanistan. Formed in a time and place of extreme challenge, sometimes under fire, and far from the quietude of the solace we can achieve in our masonic lodges, they may well have paralleled the circumstances encountered by the early masons in present-day Ontario. A thought further stimulated with last year's bicentennial celebrations of St. George's Lodge No. 15 of St. Catharines.

As of 2015, we have 11 bicentennial lodges in our Grand Jurisdiction consisting of the following (in the order of their present warrant numbers):

- Niagara No. 2 at Niagara-on-the-Lake, instituted 1792, bicentennial celebrated June 27-28, 1992;
- The Ancient St. John's No. 3 at Kingston, established 1794, bicentennial celebrated August 6, 1994;
- The Barton No. 6 at Hamilton, warranted 1795, bicentennial celebrated April 8, 1995;
- Union No. 7 at Grimsby, warranted 1799, bicentennial celebrated December 17, 1999;
- Union No. 9 at Napanee, established 1812, bicentennial celebrated May 26-27, 2012;
- Norfolk No. 10 at Simcoe, warranted 1812, bicentennial celebrated October 27, 2012;
- Moira No. 11 at Belleville, established 1801, bicentennial celebrated March 10, 2001;
- St. George's No. 15 at St. Catharines, established 1814, bicentennial celebrated May 3, 2014;
- St. John's No. 17 at Cobourg, established 1801, bicentennial celebrated October 6, 2001;
- Prince Edward No. 18 at Picton, instituted 1811, bicentennial celebrated June 18, 2011;
- and
- King Hiram No. 37 at Ingersoll, established 1803, bicentennial celebrated June 28, 2003.

At the end of the American Revolution many Loyalists moved into the area of Canada Colony and settled along the north shore of the St. Lawrence River and Lakes Ontario and Erie. The masons amongst them brought with them their masonic teachings and sought out other others to form new Lodges. In the west, at Niagara, Loyalist masons such as Col. John Butler and Lieutenant Ralph Clench (of the Rangers) and Captain Joseph Clement Sr. and Joseph Clement Jr. (Terrebonne Division, militia) affiliated with existing lodges such as St. John's Lodge of Friendship at Niagara (now Niagara Lodge No. 2). In the east,

brethren such as Army Captain Richard Porter, superintendent of navigation William McKay and Artillery Corporal William Burrell were brought together as part of the personnel who occupied the French fort at Kingston. They became the first Master and Wardens of Kingston Lodge (now The Ancient St. John's Lodge No. 3). Not all masons were military, many were farmers (Robert Land from southern New York), or in religious orders (Davenport Phelps, a missionary under the auspices of Trinity Church, New York City) and also included Indian allies (Thayendanegea, aka Captain Joseph Brant), all three being founders of Barton Lodge (now The Barton Lodge No. 6).

These men put their efforts into making new homes and villages in Upper Canada such as Colonel Robert Nelles, who donated the land and supported the construction of St. Andrew's Anglican Church at Grimsby. He was the first WM of Union Lodge (now Union Lodge No. 7). Others were involved in the formation of local policing in Upper Canada, such as Bro. Aaron Greeley of St. Johns Lodge (now St. Johns Lodge No. 17) in Cobourg. He later became sheriff of Hastings and Northumberland Counties.

These men and their descendants, with their close-relations and far-relations, friends and neighbours, would contribute to the development of the area and the maintenance of peace. For almost a century they would join militia units which in turn would form the core of the military forces which defended Upper Canada against invasion in the War of 1812. They maintained peace through the unsettled conditions which would erupt in the Rebellion of 1837-38. Even after the creation of the new Dominion of Canada, masons served the colours when the need arose. These service efforts continued through The Great War, World War II, Korea and the police-keeping actions in which Canada has since participated.

Our brethren would become involved in the evolution of the judicial and political systems of the future province of Ontario and Dominion of Canada. Bro. William Mercer Wilson (of Norfolk Lodge No. 10) followed a militia career as well as a legal one and became our first Grand Master. Sir Alan Napier MacNab (of The Barton Lodge No. 6) would advance through the militia and the legal and political systems to become Premier of Canada West as well as Grand Master of the Antient Grand Lodge of Canada. Other masons were active in the political life of Ontario and Canada. Of the thirty-seven fathers of Confederation, 11 were freemasons and of these, three were from Ontario: Sir John A. Macdonald, our first Prime Minister and Sir Alexander Campbell, later 6th Lieutenant Governor of Ontario, were both members of The Ancient St. John's Lodge No. 3 and Sir John's brother-in-law, Hewitt Bernard, who supported him through the period of forging the new Dominion, hailed from Ionic Lodge No. 25 of Toronto.

Over this time period Freemasonry would expand (the Jarvis and McGillivray years) and contract (in response to the William Morgan affair). Attempts at forming grand lodges (to use that term in an organizational sense) was not an effort to create schisms, rather it was an effort to organize the administration and maintain high levels of ritual in the colony's lodges. In these years our ritual was "mouth to ear" and the issue of "Books of Work" was not universal in Ontario until the mid-twentieth century (and there are still some Grand Lodges which do not permit of a written ritual). In 1855 the majority of bicentennial lodges supported the formation of the Grand Lodge of Ancient Free and Accepted Masons of Canada.

This need for regularity was an underlying force requiring organizers of a new lodge to seek and secure the support of nearby lodges. In 1851, Moira Lodge No. 11 at Belleville supported the formation of Trent Lodge No. 38 at Trenton and provided the first 10 founders of the new lodge. In turn it was Trent which provided key support for the formation of Canada Lodge including an official copy of its Warrant under which the Dispensation for Canada Lodge allowed it to operate, the copy being present at each meeting of Canada Lodge.

As we look through the histories of our bicentennial lodges we see that they have not just been active in providing support to the formation of new lodges but also, through our Grand Lodge, to the formation of new Grand Lodges such as Quebec and Manitoba.

Many early lodges are referred to as “moon Lodges” and met on nights near the full moon. In days of difficult travel, before electricity and street lighting, certainly even before streets were in vogue, this ensured members would travel with (hopefully) enough natural moonlight to see their way to lodge meetings and back home. Lodges were often at a distance from members’ homes and many elected and installed their officers twice a year on the meetings closest to the feasts of the two Saints John (the Evangelist and the Baptist) who have always been important for masons.

The records of bicentennial lodges indicate that they met in a wide variety of places: in a private room in traditional taverns and hotels, or a vacant room in a members’ home or an adjacent outbuilding. Specific lodge halls were not normally the vogue for many years and the Masonic Hall at Newark (today’s Niagara-on-the-Lake) is an exception. Built in 1791 as a two-storey stone Masonic Hall, its ground floor was first used for public meetings and held the offices of Governor John Graves Simcoe and his Secretary, William Jarvis, who were both Freemasons. The upper storey served as the Lodge room and ancillary storage areas for St. John’s Lodge (today’s Niagara Lodge No. 2). In another interesting development, the original Lodge 26 (now Norfolk Lodge No. 10) met in Murphy’s Tavern in Townsend (about three miles north of Waterford). As many of the members lived within a fifty mile radius of Waterford, the Lodge voted to hold its meetings in many of the small towns in the area, and was considered as a “travelling lodge”. It was known to meet at the “Red Tavern” on the Brantford Road and at Waterford, Simcoe, Brantford, Port Ryerse, Port Dover and Port Ryan, in the London and Talbot Districts. After temporary residence in each of these places Lodge 26 returned to Murphy’s Tavern.

Masonic summonses were often issued openly in local newspapers, suspensions were written up and published and notices issued for festive events. In the ongoing unsettled conditions, with men moving with the militia, newspapers were frequently the only way of communication and that was more by luck than design.

Our bicentennial lodges have been active in their communities most of which were, for many years, of a small population. Large cities are much more of a post World War II phenomenon. Our early masons were often publicly visible in lodge parades when they proudly wore their regalia. These were often held in connection with funeral processions and grave-side masonic services (which ceased in 1972); cornerstone laying ceremonies (only occasionally performed today), to and from Divine Service and festivals of the two patron Saints John. Today our regalia is seldom seen in public except at Remembrance Day services.

Lodge charitable and benevolence activities have existed “since time immemorial.” Lodge support has grown from the immediate vicinity (help to widows and indigent brethren) to cover a larger area. In one early interesting episode dating from 1802, Union Lodge No. 7 at Grimsby decided to acquire bees and to harvest and sell the resulting honey. The funds were to be used to provide support for widows of lodge members. In hard times some members undertook to pay their dues “in bees.” The enterprise did not survive the War of 1812. Over time, though, our lodge charitable activities have expanded to regional and province-wide efforts and beyond. From student scholarships to provision of medical equipment and furnishings for local hospitals, and so on. Lodge and district efforts today are often complemented by the Masonic Foundation of Ontario.

* * * * *

What do we learn from the actions of our bicentennial lodges? That man can find common ground for collaborative work in a friendly atmosphere. That persistence and perseverance will prosper in the long term. That people of different races, religions, nationalities and language can find common ground beneficial to all. That we can

accommodate diversity in society. That there are many different paths to achieve the same benefits.

So mote it be!

All of which is respectfully and fraternally submitted.

MICHAEL JENKYNs, Grand Historian

SCOTLAND

Annual Year Book, Grand Lodge of Scotland, Freemason's Hall, Edinburgh, 2014.

Grand Lodge of Scotland and 26 Districts worldwide.

**Abridged from the Address of Brother Charles Iain Wolrige of Esslemont,
Grand Master Mason.**

"I accept that the Grand Lodges of England and Ireland were formed before that of Scotland. I would, however, agree with the generally held view among Masonic historians that Scotland is the birthplace of Freemasonry. The three Home Grand Lodges of England,

Scotland and Ireland co-operate well together, which is as it should be. There are obviously differences of opinion from time to time, particularly as we share territories in many regions of the world, but these matters are usually settled amicably. In 1938, the three Grand Lodges each agreed upon and issued a statement identical in terms, entitled "Aims and Relationships of the Craft." It sets forth in precise form the aims of Freemasonry as consistently practiced by our respective Jurisdictions, the oldest in the world, and define the principles governing the relationships with other Grand Lodges throughout the world with which they are in fraternal accord.

At a conference held in 1949 between the three Home Grand Lodges, this statement was unhesitatingly reaffirmed, and nothing in present day affairs has been found that would cause us to recede from that attitude. We are convinced that it is only by rigid adherence to this policy that Freemasonry has survived the constantly changing doctrines of the outside world, and we place on record our complete disapproval of any action that may tend to permit any departure from the basic principles of Freemasonry. We are strongly of the opinion that if any of the three Grand Lodges does so, it cannot claim to be following the Ancient Landmarks of the Order, and must ultimately face disintegration. On matters of Regularity, Recognition and Aims of the Craft, we speak with a united voice.

This has been another successful year for Grand Lodge, both at home and overseas. Highlights included installing a new District Grand Master in Zambia, and in India we carried out a rededication ceremony in celebration of that District's 175th Anniversary. We journeyed to Beirut to consecrate our new District of Lebanon and install the first District Grand Master. While in Kenya, we discussed the idea that, just as we have a bi-annual conference of our own Scottish Provincial Grand Masters, we should also have a conference for our overseas Lodges and Districts. This resulted in the first All Africa and Asian Conference on Scottish Freemasonry, held in Mombasa, the theme being, "Scottish Freemasonry and its Traditions and Protocols." We consider this an innovative and exciting initiative.

Brethren, we are only the Trustees of the Scottish Craft, and it is our duty to ensure that we hand over to our successors a financially strong and robust structure well able to face any challenges that lie ahead. In this regard our Freemason's Hall and our Charity Care Homes have never looked better, and it is encouraging to learn that our Districts in South Africa, Guyana, Barbados, Sierra Leone and the Bahamas are also developing new Temples and Masonic Centres.

On the Home Front, I have emphasised over the last year, the need to concentrate on Masonic Education. I am pleased to say that there have been encouraging developments. A "Mentoring" or "Intenders" scheme is in the process of being developed by one of our Provinces, and they will be running courses for prospective candidates in the coming year. On the basis that there is no point in reinventing the wheel, this Province has agreed to share the experience they have developed with other Provinces, and in conjunction with the Information and Communications Committee, will be arranging a seminar in Grand Lodge at the end of March, with the ultimate aim of rolling out an Education Program across the Scottish Craft. This is an exciting and long term initiative which potentially will benefit all Brethren.

Our charitable activities continue to surge ahead, at home and all over the world, and are something we can justifiably be proud of. We support local and national charities worldwide; to medical facilities in Haiti and Australia, to Cancer Research, local schools, hospitals and orphanages – last year a total exceeding 750,000 Pounds.

All these things are very positive and clear statements of the way the Craft is developing in Scotland. However, there is still work to be done. The old chestnut of having a public registration of Masonic membership for certain professions has again risen via a petition lodged with the Public Petitions Committee of the Scottish Government to require membership of "Secret" organizations to be mandatory for all those connected with the Courts, Police etc. The individual petitioning for such a register is well known to us, as he has attempted this unsuccessfully several times over the years. The Petition Committee is once again considering the matter and has asked various organizations for their views. They did not however deem it necessary to request our views.

We have lodged a submission with the Committee pointing out that the European Court of Human Rights has on three recent cases ruled that Freemasonry is NOT an illegal organization, and to require Freemasons to register their membership publicly is a breach of our human rights. I doubt whether this requirement will ever become law in Scotland. I believe the time is coming when we should not just be content that this Petition is kicked into the long grass as before, to pop up in the future. Perhaps we will have to go to the not inconsiderable expense to obtain a Judicial Review of the Status of Freemasonry in Scotland. Even the name of the Petition being considered – Secret Society Members of Decision Makers – I regard as offensive and discriminatory.

We should be more open about our membership and be proud of it; proud of our charitable works, our achievements, and proud of our role in society. In this environment we live in of political correctness, it is remarkable that we can be labelled a secret society, with all the sinister implications attached to that description, without challenge.

Finally, there has been a lot of talk over the recent years about the decline in numbers attending and a drop in the number of new members. This seems to be a national problem, and not unique to Freemasonry. Recruitment to almost all forms of group activity is probably in decline. But despite these trends, some Lodges still do grow. The reason for declining membership is a fairly complex one and we are not alone in facing declining numbers and reduced recruitment. Even Rotary and Round Table, organizations once with waiting lists, no longer have buoyant membership in many towns.

However, Freemasonry has much to offer, and by maintaining our ancient traditions and practicing the great Tenets of Brotherly Love, Relief and Truth, we can once again take our place in Society, but we will all have to work together towards that goal."

NEW ZEALAND

117th Annual Communication, Wellington, New Zealand, November, 2013.

254 Lodges

8,134 Members

The Government of New Zealand established a Charities Commission, requiring the registration of all charities. After legal challenges, the Freemasons Charity received registration but Freemasonry itself was deemed not charitable. As a result, the Board of General Purposes, along with all Craft Lodges, lost their previous entitlement to exemption from taxation. This subjects the Board and all Lodges to the same rules and financial oversight as a private corporation, and are consequently subject to a tax audit. This gives the Grand Treasurer's Report the proper perspective.

The Report of the Grand Treasurer outlined in stark detail, the effect of declining membership upon the two main sources of income for the Administrative Board of Grand

Lodge, the Per-Capita Fee and the Deposit Scheme, which provides funds for publicity and development of the Craft. Both sources are determined by the number of members of the organization. Over the past three years, anticipated income has declined by 40%, and a further loss was predicted for the year ahead.

“When I assumed the role of Treasurer in 2008, membership was over 10,000. Today, it is less than 8,000. The Per-Capita covers the cost of administration and management services and expenditure in this area is tightly controlled. Although the Deposit Scheme still generates a surplus, this source of income has dropped by \$400,000 in the same period of time, also affected in part by a reduction in investment interest rates, brought about by the global financial crisis. So expenditures in this area had to be severely reduced. We will of course to endeavour to make further reductions in costs in all areas.

This year, we face a shortfall of \$114,000. This negative balance is financially unhealthy. We do have a Reserve Fund of \$1,500,000, but financial prudence dictates that we should maintain it at that level. We need to realise that membership will continue to fall over the next three years, and any financial gains made over the first year will be quickly eroded in the next year. Income will continue to fall at the current rates. Therefore, any Per-Capita must at least compensate for some of these losses if Freemasonry is to continue in New Zealand as a viable organization. The past five years have been very challenging for the Craft. We no longer have the numbers or the members to absorb continued losses and simply adjust for inflation. We are now in the position of needing to ameliorate the lost income from declining membership by making a compensatory increase in the level of Fees.

We are aware of the current burden on individual Lodges in the current financial climate, and on our members, the majority of whom are over 65 and on fixed incomes. We must, however, face the realities of our financial situation. Therefore, an increase of 10 cents per week per member is proposed. This figure should be affordable for everyone. Brethren, the solution to having to make increases in Capitation Fees is to adjust the other side of the equation, and that is to increase membership, and this is a task for each and every one of you as members of your Lodge.

In contrast, and to off-set what may seem like doom and gloom, all separate Funds, such as the Building Fund and the Freemason's Charity, have had record financial results. There has been a large rise in the value of the investment portfolio. The Charity continues to be a major provider of benevolence to the community and members. This asset has been built up over the years and is a tribute to generations of Freemasons who have individually provided these funds for the charity. We are the guardians of these funds and it is our responsibility to maintain them and to use the income wisely for the benefit of our community and members within New Zealand.”

A change in the Precedence of Members of Grand Lodge was initiated to place the Office of President of the Board of General Purposes after that of Deputy Grand Master. Formerly a Very Worshipful position, it is now regarded as a Right Worshipful position. The role and responsibilities of the President have steadily increased as the governance of the Board has developed. Substantial work on setting and developing the strategic direction of the Craft; building issues throughout the country following the earthquakes of 2010-2011, whereby many Lodge buildings suffered severe damage, resulting in huge increases in insurance premiums; the restructure and development of Grand Lodge, are only some areas where the President has direct responsibility. In keeping with the policy of term limits, the appointment runs for a maximum of 6 consecutive years. Commenting on his future role, the President said:-

“Brethren, over the last 18 months, the board has been engaged in a process of setting a strategic direction for Freemasons New Zealand. We have a challenge ahead of us, and whilst many in the past have talked doom and gloom, I and the Board see a bright future if we can get a few things right and nail a few problems. Every Freemason in our Jurisdiction will have a personal copy of it so they know where our journey will lead us between this Grand Lodge meeting and 2018. The implementation of this plan is a challenge we are looking forward to, and with your engagement, Freemasonry will grow, not only in membership, but in relevance and activities throughout New Zealand.”

M.W. Bro. John W. Litton, newly installed Grand Master, focused on the issue of relevance in his Address to Grand Lodge:-

“Sigmund Freud said that adults need to cultivate the “radiant intelligence of children.” I believe he meant that adults need to have fun and be happy and that being happy is enjoying what we do. One way we can encourage communicating happiness is to get ourselves more involved in the communities around us. Before getting involved, we need to be clear and confident in our minds about Freemasonry. With this comfort and confidence we can explain to our friends and communities how we fit into the 21st century. In today's world, no thinking man is going to join an organization that cannot talk about itself openly and with clarity. It is beholden on us to as Freemasons to know what is being done in our name whether by our Freemason's Charity or by the myriad of Masonic Trusts around the country.

We display a quality of benevolence and charity to those in need. We value people. We have a tradition of caring and trust. We tolerate diverse views and encourage learning and advancement. Knowledge of our activities will lead to a confidence to talk openly about the Craft and raise our profile in the community. The best way to attract a member to a local Lodge is for the Lodge to be seen doing something positive in its own neighbourhood. I want each District to get involved in a community project during 2014 to raise our local profile and demonstrate the pride we have in Freemasonry. It will be up to each one of us to adopt my message and make this work.

As Grand Master, there are steps I can take to assist you. I am delighted to announce that the Freemason's Charity will make available to each District the sum of \$5000 to be used as they see fit for a carefully chosen charitable purpose. Used wisely, the \$5000 will lift the profile of Freemasonry in the neighbourhood and encourage the Brethren to talk proudly of all the other activities we undertake throughout the country. So the focus for the forthcoming year will require Lodges to concentrate on two objectives:-

1. To disseminate knowledge about the benevolent activities undertaken by Freemasons in New Zealand so we can justly take pride in our accomplishments on the national stage.
2. For each District to become involved in a local project in its community, using the \$5000 seed money I have announced today.

The Strategic Direction developed by the Board of General Purposes has set the goals the Craft needs to accomplish over the next 5 years. Lodges will be taking part in a practical way towards starting to achieve some of the goals. It is important that the Brethren embrace these objectives by becoming involved in a community project. Surely in this way you will attract men of calibre to join our organization.

There is much to be proud of in the Craft. So my message to you all is to cultivate that radiant intelligence of children. Let us learn about ourselves and our achievements. Let us

gain confidence to talk openly, positively and proudly about Freemasonry. Let us become proud of this wonderful organization.”

“A century is over.

A new century begins.”

In this manner, M.W. Juanito G. Espino, newly installed Grand Master, addressed his theme for the forthcoming year, “The Renewal and Continuity of Philippine Freemasonry.”

“A bygone era has brought the Craft to its pinnacle of prestige and glory. A future era threatens to obliterate it. We lie at the demarcation of two eras of time. To say that dark clouds are gathering over the horizon is not baseless at all. Today, our membership stands at approximately 24,000. A Fraternity that has grown this big occasionally runs out of control, for the rise in quantity adversely affects our quality. We paid for growth with backslides and reverses among our members. Now we must administer the long-delayed quality control measures to shape the Brethren up and strengthen the Craft inside and out. I am not alone in this observation. Kindred spirits in the succession of Grand Lodge Officers are similarly driven by a fervent love of the Craft and a sense of mission to renew it.

Freemasonry needs no NEW introductions. It is complete in and by itself. Rather it is the MEMBERSHIP who need it – to consummate their Masonic instructions or to infuse the Masonic spirit which has been stalled or aborted in the course of their Masonic years. We have identified the issues pestering the Blue Lodges. We assembled our deliberations into, and agreed on, A FIVE YEAR DEVELOPMENT PROGRAM. Central to it are the issues we read as the source of a host of problems, which, if remedied on time, can launch the Craft on a stable course of many bright possibilities. These issues are:-

Selection Process for Petitioners for the Ancient Craft Degrees.

Mentoring of Candidates for the Ancient Craft Degrees.

Continuing Masonic Education for all Regular Masons.

Family Involvement in Masonic Affairs.

Strengthening of Ties with Appendant Bodies and Allied Organizations.

Administrative and Financial Reform.

Grand Orient Electoral Reform.

Brethren, allow me briefly to expound on one of these issues in particular, the understanding of Masonic principles. This comes under the function of Masonic Education, which has been a sporadic affair over the last 10 or 20 years. It comes and goes with every Grand Master who has sponsored it. No Masonic Education Program, however sound or sorrowful, has lasted. No edict is powerful enough to compel Masons to study, at least wilfully. One takes a Masonic Education Course because it is a requisite for holding Office in a Lodge or District.

What interests me is a kind of Masonic Education that tells us what Freemasonry is about; that explains not only the Rituals and Liturgies, but the reason behind them; to know the meaning behind the words we memorize and just automatically speak out; the elaborate symbols that stupefy us; the strange and simple acts we do inside the Lodge. It is the kind of Education that persuades a Mason why Freemasonry is worth dedicating his life to; the kind of Education we hope will draw Masons to enroll voluntarily, without administrative compulsion or material gain, except for the sheer pleasure of learning.

This is a tall order. The job comes with a long list of considerations, such as the contents of the Course and the method of instruction. But with the information explosion that has marked the advent of the 21st century, teaching the usual stuff of Masonic History, Philosophy and Ritual is certainly NOT enough.

This has led me to another question. How come the Brethren rarely speak or expound upon Masonry in terms of "IDEALS" or "KNOWLEDGE?" Is it because we Filipino Masons are intellectually backward, incapable of comprehending or articulating these concepts? Masonic Education IS universal. But the Philippines is NOT the United States; nor is it England. A Filipino Mason is not as privileged in a Liberal Arts Education as his American or English counterpart. Philosophy, the backbone on which our Masonic principles have been constructed, is central to the Liberal Arts.

It is the knowledge of the Liberal Arts that has given rise to the old saying that "ONLY INTELLIGENT MEN CAN BECOME MASONS." But sadly, we have an educational system that is hostile, if not inhospitable, to the Liberal Arts. Since the 1980s, the expansion of the professional, technical and vocational courses has conversely seen to the gradual abolition of the Liberal Arts from the educational system. With the exception of the large universities, a good Liberal Arts education has virtually vanished from most schools in the country today. I am so particular about the Liberal Arts because they give off a civilizing and humanizing effect, making their devoted students into cultured individuals. They are deeply structured into Freemasonry and make up the "INVISIBLE MECHANISM OF MAKING GOOD MEN BETTER."

So, you now see, Brethren, the immense complexity that undergirds the issue of Masonic Education alone. But it is Masonic Education that precisely mirrors WHERE Freemasonry stands today. And it is Masonic Education which holds the crucial KEY in securing the longevity into the next century, perhaps even into the next millennium, of our Fraternity. That longevity is attainable by a restoration, a return, to good old Freemasonry. Interestingly, we will move forward by RETURNING to the basics. We are a SPECULATIVE society, where the members use BRAINPOWER to ponder and reason about the Craft, the world and life. We were deep thinkers before we became do-gooders. But sadly, I think, Masons today are increasingly losing the WILL and the ability to speculate, to think.

For this I have directed a couple of Brethren to study and prepare Masonic Education Courses that are fit for Candidates of Masonic Degrees and Regular Masons. When over, the results will be placed under a series of pilot tests and evaluations until they are good to

go. We have been down this road before. We are going down this road again. A return to Speculative Masonry will bring the forgotten habit of mind back to the Fraternity, a habit founded on right-minded actions and squared-and-angled decisions. This habit of mind will filter down to other contemporary issues, those that hound the men of today's world.

A Continuity of Freemasonry means a Restoration, a return, to good old Freemasonry. It is a Restoration, not because we have deviated too far; rather, it is because we have forgotten too long."

The Keynote Speaker at the Annual Communication was a member of the Government, Senator Miriam Defensor-Santiago. She discussed in a very candid and forthright manner, the political relevancy of Freemasonry in the Philippines, and the influence it can have in positively affecting "those contemporary issues that hound the men of today's world."

"Freemasonry and its values are highly relevant to a developing country like the Philippines, which has been described as a damaged culture because of endemic political corruption and the political influence of the Church. Historically, Philippine Masons have been involved in the political future of their country since the 19th century. In 1899, one of your Lodges, the 'LOGIA REVOLUTION' protested and published in print the newspaper 'LA SOLIDARIDAD' in opposition to the Spanish regime, and produced four national heroes at the time of their independence. Masonic Lodges have also produced four Presidents, two Prime Ministers and three Chief Justices.

The values of Freemasonry constitute an accurate profile of the ideal Filipino politician. While discussion of politics is forbidden in the Lodge to preserve harmony, I strongly urge that all politicians should assume and observe the obligations of Freemasonry whereby the Candidate promises to act in a manner befitting a member of civilized society. In the conduct of our political campaigns, we are far away from the true values of Freemasonry. I would characterize Freemasonry as a significant part of the evolution of human consciousness and the power of that. As an esoteric organization, it aims to influence civilization not from above, but from below, thus leading to a tolerant and prosperous society."

Abridged from the Address by M.W. Grand Master, Russell R. Davis, Sr.

"There is no such thing as a self-made man. You only achieve your goals with the help of others."

"Brethren, I truly believe this quote, and I ask every one of you to work hard to achieve your goals and make this Grand Jurisdiction the best it can be. I make the following suggestions:-

All Lodges should write articles for the 'RHODE ISLAND FREEMASON' magazine each month. Appoint someone responsible for this duty. Brag about your Lodge. Let everyone know about your upcoming events and let people see the good things that it does in your communities.

Potential candidates applying for membership through the Open House and or the Internet need to become involved in Lodge activities such as dinners, special projects, or meetings which are open to the public, for at least six months before they petition a Lodge for membership. They will therefore establish interest in becoming a Mason and allow you to get to know them on a personal basis, How can you sign a Petition if you do not know the person applying? Remember, he who signs the Petition is declaring himself as responsible for the new applicant. Signing a Petition for the sake of a new member is not the answer. Make sure this is what he really wants and that he will be able to contribute to Freemasonry.

Once a candidate becomes a Master Mason, I ask all concordant bodies to wait one year from the signing of By-Laws before offering an application for membership. I know this is not a popular position, but I believe this will strengthen the Craft and give the Lodge a member who will continue to grow in Freemasonry. We need to first inform the new Brother of what Blue Lodge Masonry is all about. There will be plenty of time for further light.

I have instituted 'THE PASSPORT PROGRAM', which requires that a Brother visits all Rhode Island Lodges and has his Passport signed, stamped and dated. Once the Passport is complete, the Brother will return it to Grand Lodge and will receive a framed certificate signed by the Grand Master, to be presented to him in his Mother Lodge. This program exists to promote additional visits to Lodges, to see the sidelines filled with new Brothers in attendance. This will afford the new Brother with further light in Masonry.

All other programs that are in place will remain in effect, including the 'WARDEN'S WORKSHOP.' This is designed for appointed Lodge Officers, especially new Junior and Senior Wardens and Senior Deacons. The goal is to provide them with insight and knowledge about the duties and responsibilities that will be required of them as they prepare for their ascent to the Worshipful Master's chair. They include the honing of communication skills; the preparation and running of an efficient Meeting; an understanding of Lodge finances. There are four Workshops spread over two years to allow a Brother to attend the Course. It is a MANDATORY requirement for all who wish to become the Master of their Lodge, including Past Masters currently in a Deacon's or Warden's chair. If you fail to attend one of the Courses, you will forfeit your right in becoming Master of your Lodge. There are no exceptions!

This year we have spent a lot of time and effort updating our computer system to make things easier for both Grand Lodge and Blue Lodge Secretaries. We have also placed on our Grand Lodge Website, a feature called 'BECOMING A FREEMASON', whereby an individual may petition, on-line, a Lodge of interest. The Application goes directly to Grand Lodge, who, if the potential candidate is approved, will send an Application Form from the Lodge the individual wishes to petition. All normal requirements of the Interview and Ballot apply. This site will also assist us in gauging how effective our communications strategy is by asking the questions:-

HOW DID YOU FIND OUT ABOUT FREEMASONRY?

TELEVISION AD?

RADIO?

INTERNET?

CHIP EVENT?

A FRIEND IS A MASON?

We are further promoting public awareness through our television program 'SPOTLIGHT ON FREEMASONRY', which is produced by Rhode Island Master Masons who volunteer to write and produce these programs and make up the production crew, assisted by the staff at PEG-TV, a full-channel cable system in Cranston, Rhode Island. They provide the facilities to Grand Lodge at no cost. The plan is to release two shows per month, to be broadcast on every Tuesday morning. There are a wide variety of programs in various stages of production, such as:- INTRODUCTION TO FREEMASONRY; FAMOUS FREEMASONS; MASONIC PHILANTHROPY; MASONIC SYMBOLISM IN WASHINGTON D.C.; FREEMASONS IN SCOTLAND; which includes an interview with the Past Master of the oldest Masonic Lodge in the world, with records going back to 1599. The hosts for each production vary from a Junior Warden to a Past Grand Master.

Our public image is enhanced by our '**MEDICAL EQUIPMENT CENTER**', the initiative of our Past Grand Master, Robert J. Allen, designed to assist those in need with donated medical equipment, from walkers and canes to wheelchairs and hospital beds. All are available to Masons and non- Masons alike, at no charge. Our **CHILD IDENTIFICATION PROGRAM, (CHIP)**, has been extremely busy this year due to more and more organizations requesting our participation at these events. This is one of the best avenues we have for being in the public view. I ask each one of you to join forces and get involved with this worthwhile endeavor.

While a positive public image is vital to the Craft, the future success of our Fraternity lies in our ability to engage and integrate our new members into the activities of the Lodge, so that they become the best prospects to attract other new members for that Lodge.

The '**MASTER MASONS ROOKIE AWARD**' is an official means by which we can achieve our membership goals. It is an ongoing commitment to membership engagement. It is exclusively for those members just entering the Craft, and outlines 11 requirements that must be completed within 12 months of their raising. Of the requirements, 6 are mandatory, 5 are alternative choices.

The mandatory requirements are:-

- ATTEND EACH OF THE BLUE LODGE DEGREES AT LEAST ONCE - IN ANOTHER LODGE.
- ATTEND THE DDGMs VISIT TO ANOTHER LODGE.
- ATTEND AT LEAST 7 STATED LODGE COMMUNICATIONS OVER THE SPACE OF A YEAR.
- WORK ON AT LEAST ONE LODGE SOCIAL OR CHARITABLE EVENT.
- ASSIST IN SETTING UP A LODGE ROOM FOR A MEETING OR REHEARSAL
- .ATTEND A GRAND LODGE EDUCATIONAL PROGRAM.

The 5 alternatives include:-

- SPONSORING AT LEAST ONE CANDIDATE.
- ASSIST IN THE SERVING OF A TABLE LODGE WITHIN RHODE ISLAND.
- ATTEND A CHIP EVENT

- ATTEND AN OPEN HOUSE
- VISIT A LODGE MEMBER IN A NURSING HOME OR HOSPITAL.

Progress and completion is monitored by the Worshipful Master. The framed completion certificate is presented by the Grand Master at a dinner in honour of all Master Masons who have completed the requirements for the award.

The goal is to keep new members ACTIVE for 12 months. This is to counter the age old problem of new members losing interest in Freemasonry, and to stem the tide of members looking to concordant bodies because of dissatisfaction with their current situation.

In closing, my Brothers, I thank you all for taking this seriously. May we all walk uprightly in our daily routine, squaring our actions by the square of Truth and Virtue, for the good and improvement of our fine Fraternity.”

UNITED GRAND LODGE OF ENGLAND

**Quarterly Communication, Freemason’s Hall, London, May 2014.
Abridged Address of Pro Grand Master, MW Bro. P.G. Lowndes.**

“It is the unity of the English Constitution that I wish to talk about today. That unity is crucial to our survival as a relevant organization in society for men of quality. In particular I want to emphasize the importance of all the component parts of our organization working together. Enormous progress has been made in the liaison between the Centre, here in London, the Provinces and all the Districts. The approach from the Centre is now very much a consultative one, working directly to seek views before making proposals for consensus approval. This is typically done through our Grand Secretary, the ten members of the Board of General Purposes, and by the Provincial Grand Masters championing or being members of Committees looking into and ensuring the future of Freemasonry. All are active contributors. They not only bring a wealth of experience, but also an understanding of the issues facing the Provinces. This inclusive approach is working well. I am keen that it continue. The Craft is being run with increasing professionalism with standards you would expect to find in a successful business.

I mentioned that this is an exciting time for Freemasonry with several initiatives dealing with future recruitment and retention, two of our key tasks, as well as the business effectiveness required in running a large membership organization. One, for example, is the newly formed Membership Focus Group, which includes eight Provincial Grand Masters. Their brief is to advise the Board of General Purposes on how best Freemasonry can concentrate the minds of members, Lodges, Provinces and Rulers, to work in a collaborative and focussed manner in stemming the decline in membership and meeting the long term needs of the Craft. These tasks are more important than ever before. I am particularly concerned to hear that the majority of recruitment is carried out by a relatively small number of members. At an individual level, consider the fact that the more members there are, the better chance Grand Lodge has of keeping the dues down.

There is an unacceptably high rate of loss after each of the three Degrees, and indeed during the first ten years of membership. It is already clear that the Mentoring scheme is going to play a vital role as we move forward. It is therefore essential that Lodge Mentors appoint appropriate personal Mentors to look after each new candidate, rather than trying to do all the mentoring themselves. I look to you all, as Grand Officers, to support the Mentoring Scheme.

I have talked about Provincial Grand Masters being involved with helping to set the future strategy as members of committees. But, Brethren, wider views are sought, using our information technologies, to conduct online surveys which are quick and informative.

For example, we have run a survey seeking opinions on communications strategies for the English Constitution. More recently, we have had a survey on potential new branding of the Craft as we move forward towards our Tercentenary Anniversary in 2017. The open exchange of ideas and opinions is invaluable.

The Board has also appointed a Committee which is considering how electronic systems and methods might be used to streamline operations, and produce economies in the way in which Freemasonry is administered at all levels. It is expected that some of the methods which may be recommended will require amendments to the Book of Constitution.

So, Brethren, we are working more closely together than at any other time in our history. At a strategic level, I believe that continuing to work together, on the home front and with all the overseas Districts, who form an important part of a united English Constitution, we will not only stem the decline in membership, but start to increase it to ensure the future of Freemasonry.”

One of the Resolutions presented for consideration at Grand Lodge was moved by the Grand Chancellor: “That recognition be restored to the Grand Loge National Francaise (GLNF).”

In September of 2011 the United Grand Lodge of England voted to suspend relations with the GLNF in view of the widespread disharmony then existing within that Grand Lodge. The GLNF traces its roots from English Freemasonry in France following World War 1. It is one of the three Principal Grand Lodges in France, and is the one most recognised as Regular by a majority of the world’s Freemasons. Like the majority of Anglo-derived Freemasonry, the GLNF had long followed the rule that politics and religion are not the business of Lodges or Grand Lodges - until 2010.

An official letter sent in 2010 on GLNF stationery and with the Grand Master’s signature, pledging support to the French President and the ruling political party, was made public and published in L’Express magazine. Members were enraged by this, and by the disclosure of Masonic Ritual on national television; the endorsement of questionable political figures outside France; and the promotion of membership increases without regard to the quality of candidates for Initiation. As a result, the Deputy Grand Master resigned from the Board of Directors, following resignations in protest by other high ranking Officials. The Provincial Grand Master of the Loire was expelled from the Craft for his strong vocal opposition to the Grand Master’s actions, which he, and other Grand Lodges in Europe, considered a violation of the most basic tenets of Freemasonry. Members of GLNF resorted, unsuccessfully, to the Civil Court System to force the resignation of the Grand Master.

The response of the Grand Lodge of England was that these actions by the GLNF would seriously affect the close relations that had always existed between both Grand Lodges. In 2012 the Board reported that the situation within the GLNF had deteriorated to the point whereby it was impossible to determine the true state of affairs, and reluctantly recommended that it was in the best interests of the Grand Lodge of England that recognition be withdrawn from the GLNF.

The Board has continued to monitor the situation and noted that changes have been made in the Constitution and Rules of the GLNF, with the full support and participation of the members, which should in future prevent any individual or group of individuals usurping power, and that significant numbers of former members are returning to the GLNF. As a

result, they have submitted a request to the Grand Lodge of England that recognition be restored

The Board believes that the problems which led to the withdrawal of recognition in 2012 have been actively addressed by the new Grand Master and his executive and that harmony and stability have been restored. Accordingly, the Board recommended that Grand Lodge restore recognition to the Grand Loge National Francaise.

IRELAND

Quarterly Communication, Freemason's Hall, Dublin, March. 2013. Annual Report, Grand Lodge of Ireland and Overseas Districts.

The Annual Report placed a great emphasis on the charitable activities of the Grand Lodge of Ireland. During 2012, they celebrated 125 years of caring for Widows and Distressed Orphans through the Victoria Jubilee Masonic Benevolent Fund, which strives to provide a proper level of assistance to its annuitants. More than 450,000 Euros were paid out to 455 of these individuals, an increase of 17% over 2011. Less than 3% of the beneficiaries are Brethren, although the Fund is open to any distressed Freemason of the Irish Constitution. The removal of the 5 year membership rule and the age limit for annuitants enabled a number of younger widows to avail of assistance.

The Masonic Boys Benefit Fund and the Masonic Girls Benefit Fund provided support to 346 beneficiaries in the amount of 800,000 Euros for School Fees and Maintenance, which encompasses assistance for everything from bus fares to tuition. That this amount was available during a recession is due to the generosity of the Brethren and sound financial management.

The Masonic Welfare Fund is designed to directly assist Brethren and their families. The type of applications being received are changing and reflect current economic conditions. One of the main problems being faced is applications from Brethren who have lost their jobs or businesses. Marriage breakdown in these circumstances is another growing problem, and while the Fund cannot bail out families with mortgages or debts, it can help with educational costs, smaller bills, and ensure that there is always food on the table. The Report paid tribute to all those involved in administering the Masonic Charities and acknowledged the contributions of all those Brethren who recognised that there may be a Brother or family with a problem, and brought those concerns to the attention of the Lodge Almoner. It is through these efforts that sorely needed assistance is provided.

The Grand Lodge of Instruction reported that they had a very successful year travelling throughout the Jurisdiction, exemplifying all three Degrees and the Ceremony of the Installation and Investiture of Lodge Officers. Attendance at all these events showed an upward trend. Teams of Master Masons and Fellow Craft take major roles in these expositions, their work being very well received. This once again proved that the Ritual in the classes throughout the Provinces still maintains a very high standard of uniformity, and demonstrates the commitment of the Brethren to the rulings and workings recommended by the Grand Lodge of Instruction. The Board considers this program essential, and requests all Lodges to encourage their incoming Officers, particularly members taking office for the first time, that they attend Ritual Classes to give them the confidence to carry out their duties effectively and continue the long tradition of quality Ritual within our Lodges.

The Metropolitan Board has been working very hard on the various aspects of its Development Plan, entitled, "Vision for the Future." There has been considerable progress in many areas covering:-

- Communication/Public Relations.
- Governance.
- Membership.
- Ritual.
- Social.

It is expected that during 2014 and 2015 the benefits of all the work that has been undertaken to lay the foundations for the aims of the plan will be evident.

The Reports on the Condition of Masonry in the Provinces express optimism. Overall, membership remains steady; in some areas a slight increase; in others, a slight decrease or holding steady. Most of the Lodges welcomed new members, and Meeting attendances showed improvement. One Report noted that as Freemasonry is an organization where so much is rooted in history and should never change, that we can lose sight of the need to keep abreast of the changing times in which we live. As part of this change it is necessary that we should maintain our buildings to an acceptable standard, so as to make the Masonic experience an enjoyable one for new and old members alike. This is happening, and is made possible by re-payable financial assistance from the Grand Lodge Loan and Grant Fund to Provinces and individual Lodges for this purpose. This is more than mere renovation; it is the preservation of many historic premises, as some Lodge buildings date back 250 to 275 years.

The contrast between two overseas Districts were highlighted in the Reports of the Southern Cape District, which is a success story, and Zimbabwe, where, in spite of great political and financial difficulties, they keep the candle burning. The Southern Cape Province shows that membership numbers are increasing steadily. In spite of resignations, retirements and strike-offs, numbers are still positive. The support of Provincial Grand Lodge Officers, Worshipful Masters, Wardens and Past Masters has been exemplary. Inter-Constitutional visitations (Scotland and England), are at an all-time high. The public perception of the Craft is enhanced by attendance at Remembrance Day ceremonies at the invitation of the Mayor of Cape Town. Charitable ventures focus on the needs of children in orphanages or hospitals; widows and Brethren; the South African Constitution's Home for Seniors; and contributions to the Masonic Education Fund of South Africa from all Irish Lodges. They have turned the corner on declining membership and the financial situation of the Province is slowly gathering momentum. They expect to build on this success in 2014.

Despite the difficult situation in Zimbabwe, the Province has managed to keep Irish Freemasonry alive and rewarding for its members. Although younger members are coming into Lodges and are keen to follow a Masonic future, the financial difficulties in the country leave them with no option but to seek employment over the borders, and they are thus unable to attend many meetings. The incumbent Master of one Lodge missed many meetings as he is working in Zambia. As is so typical of Irish Freemasons, the Brethren go that extra mile to keep the Lodges running. They receive tremendous assistance from Sister Constitutions, who are often called upon to open Lodge. As always, they receive fantastic support from the Grand Lodge of Ireland. Until circumstances change, they will remain caretakers of Freemasonry, and look forward to a positive future.

The recurrent theme in all the Overseas Reports is the commitment to charitable works on behalf of local, needy, community projects. They comment that it is logical, as all Lodges

are comprised of members of the same social fabric that makes up the greater society they live in. They demonstrate the aims, objectives and traditions of our ancient and honorable society. By doing so, they gain the respect of the general public and the recognition that they are indeed contributors to the greater good of the communities in which they live.

Deputy Grand Master's Thanks to Mr. Chief Blair

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

It is my distinct pleasure to thank you Chief Blair for your informative presentation to us here assembled. When I first heard you were asked to address us, my first thought was "THE LIFE AND TIMES OF DONALD CAMPBELL" at which I thought after several years together if that was your topic I might now be suicidal.

However that was not the topic and we all thank you. Your subject was informative and interesting to all of those assembled. There is one aspect of your working life that we as masons envy and that is you always got a lot allocation in the media and I wish our fraternity could get recognized in through the various venues available today.

Chief Blair on behalf of those assembled I thank you for taking the time out of your schedule to share some of your wisdom with us. We wish you well in the future now that the pressures of policing is off your regular routine.

Chief no matter how powerful you are, no matter what title you hold or how important you: The Attendance At Your Funeral Will Be Dependent On The Weather.

**SUMMARY REPORTS OF THE
DISTRICT DEPUTY GRAND MASTERS 2014 – 2015**

Algoma District – 9 Lodges**R.W. Bro. Gordon E. Carr**

Being District Deputy Grand Master of Algoma District has been a very uplifting experience for me. I found the year to be very enlightening and also very challenging. The lodges in the district are very busy with many bringing in new members and others just putting on nights of enjoyable education.

Although we have one lodge in the district trying to amalgamate with another due to a declining membership, we have a few who seem to be doing initiations quite regularly. The spirit of masonry is still alive and well. The work I see being presented during my visits is always up to par and even the candidates are doing excellent work.

All of our lodges in the district have completed the fire and safety inspections in their buildings and have handed in the inspection reports from the fire marshal's office. Most lodges are involved in some volunteer work in the communities such as the masonic chip program, refurbishing camp Duncan for cancer kids through the camp quality program.

Most lodges need to invest more time in downloading grand lodge programs not only to educate themselves but also to inform the new brethren how to get this and any other instruments of information needed to become a better mason therefore a better person. I feel more workshops in this area would be beneficial in enlightening not only the newer members but refreshing the minds of some of the older brothers.

To sum it all up masonry in the Algoma District is alive and well but could use a visit from the Grand Master.

Algoma East – 8 Lodges**R.W. Bro. John A. Richer**

I would like to thank the Grand Lodge for affording me the opportunity to serve Algoma East District as the Grand Master's representative. It has been an education not available at any university or college. The Lodge of Instruction under the guidance of R.W. Bro. Bob Schroeder was an unqualified success and on the Official Visit, it showed proof positive.

During this term, I learned to listen without forming any type of opinion until I had the opportunity to research the subject. After my research, I then felt more informed and able to respond to the question with the proper answer, not an opinion.

I also learned that we have many knowledgeable brethren in the District. Unfortunately, we do not always use their expertise in our endeavours. The outgoing District Deputy Grand Master might prepare a list to give to his successor, in order to use this expertise to the District's advantage and I might add, to the brothers' own gratification.

This term, I asked of Lodge secretaries to send out all e-mails to themselves and to all others under the BCC address. This is to protect people's privacy by not sharing addresses with all others.

The District Divine Service was well attended, followed by the District Lunch with our families, then onto the District Meeting with W. Bro. Harry Lewis declaring his intention to let his name stand for the position of DDGM for Algoma East, for the 2015-2016 term.

I tried to emphasize the importance of practicing the Memorial Service. This is one of the few opportunities we have to show the public a little of what we are about and how important our belief in the immortality of the soul is.

This year, due to illness and work schedules, some of our District Chairs were unable to do justice to their positions. Possibly, a solution might be having co-Chairs, or failing that, ensuring that delegation is a possible solution in case of emergency or illness.

In closing, again, I say thank you. This has been a very rewarding yet challenging portion of my Masonic education. I can recommend this challenge to any Past Master, it is **WELL** worth the time and effort.

Brant District – 13 Lodges**R.W. Bro. Robert L. Bailey**

Interest in Masonry among the brethren in Brant District is flourishing, and the work within the Lodges is well performed. Membership in some of the lodges has dropped slightly, as deaths and suspensions have taken their toll. However, the increases in initiations in some other lodges have offset any losses in membership. The lodges in this district that are active in inter-lodge visitations and attendance at district functions are the same lodges that also show the most increase in growth.

The finances in most lodges are in excellent condition, as are the buildings. A few lodges could benefit from budgetary and long range planning programs.

The district has sponsored several programs outside of the lodge room a Lodge of Instruction orchestrated by the Custodian of the Work; a Lodge of Discussion on Long Term Planning was conducted by the District Chairman. We have hosted the Deputy Grand Master in the District on two separate occasions for speaking engagements. There was a large turnout of members and family at the District Divine Service which was held at the Mohawk Chapel in Brantford. The service was followed with a talk given by the curator on the history of the chapel and that of Chief Joseph Brant, who was also a Mason.

This year, we have stressed long term planning. Until now, most lodges think of long term planning to be the WM's 12 month plan. This procedure does not leave enough time to be effective as it leads to starting over from scratch as a new Master is installed. We have also considered the procedure of interviewing and investigating a prospective candidate, to ensure that he understands what Masonry is.

I had the pleasure of presenting a 25 year and a 50 year Membership pin as well as a 60 year Past Master pin.

On the whole, I feel that Masonry is making progress in our district.

Bruce District – 12 Lodges**R.W. Bro. Timothy A. Rock**

I would like to report that Masonry is alive and well in Bruce District. I am happy to report that there have been 14 initiations in the District of which I have been able to attend 13 to present the Masonic Maple Leaf lapel pin with 2 more initiations planned for June. A pleasant change has been some lodges that have gone a few years without a new applicant have had two or three initiations this year. New initiations have offset losses due to deaths. Demits and suspensions due to non-payment of dues continue to be a problem and account for any decrease in total membership.

Over the course of the year, I have attempted to direct my talks to revitalizing and rejuvenating the interest in masonry. Having a positive outlook and a keen interest is not only good for oneself; it can also rub off on others around whose interest may have waned. This is especially important when encouraging your brethren to visit other lodges within and outside of the district. I can proudly say that the average attendance at my official visits was around 65 and I was warmly received at each and every lodge meeting, both official and fraternal.

Other highlights of my year were the many 25 and 50 year pin presentations I attended to this year. It is an honour to present these masons with a pin marking such a milestone reached. I also had the pleasure of having R.W. Bro. Bruce Whitmore, past D.D.G.M. South Huron, preside at the Bruce District Divine Service in an exemplary manner and was enjoyed by all.

On the other hand, it was with great sadness I had to attend many Masonic Memorial Services for our departed brethren. Losing such stalwarts such as R.W. Bro. Jim Scarborough is a loss not easily filled. One thing that disappoints me is when the family of departed brethren is unsure of the wishes of the mason, and therefore a Masonic Memorial

Service is not always held. I would encourage all to ensure your loved ones know your wishes before it is too late.

In closing, it has been an honour and a privilege to be the Grand Master's representative in Bruce District and I am proud of the members of the district.

Chatham District – 11 Lodges

R.W. Bro. Robert M. McNaughton

There have been several historical events that occurred in the Chatham District this past year:

- (a) as District Deputy Grand Master, I have been the Grand Master's representative for 2 years.
- (b) V. W. Bro. Tom McNaughton was the first V.W. to sit in the East with the same District Deputy that he served as Secretary for
- (c) the District Deputy and the Very Worshipful were relatives. Sadly the Very Worshipful was only able to attend 2 official visits before his health failed.

There were no closures or amalgamations of Lodges in the District. There were a number of new members. But there are several smaller Lodges that will require new membership to maintain their viability.

All the Ritual Work witnessed was delivered as intended throughout the District.

There were a few issues that arose in the District, but they were all dealt with timely.

During this Masonic year I had the privilege to assist in the presentation of Long Service pins for many 25 and 50 years' service and two 60 year pins that marked wonderful Masonic journey milestones.

Chatham District was graced by a fraternal visit of the Deputy Grand Master to a banquet held in his honour at the home Lodge of the District Deputy.

March saw Chatham District host a Grand Masters' reception for M.W. Bro. Donald Campbell, with good attendance, fabulous entertainment and great food and fellowship.

The District Divine Service was held on a Sunday evening. It was very encouraging to see so many out to partake in the service and enjoy the fellowship that followed.

I would like to thank all the Brethren for their continued confidence, encouragement and support.

A special thank you to our District Secretary, W. Bro. Wayne O'Sullivan, for his invaluable assistance, time spent and a job well done.

Finally I would like to thank my wife for her support and allowing me to fill the District Deputy role for a second year. Without it, I would have never achieved the success again in this office for a second term.

Eastern District – 12 Lodges

R.W. Bro. Jack A. Shields

Thanks to the Brethren of Eastern District for allowing me to serve as the Grand Master's representative and for the respect and fraternal hospitality shown to me throughout the year. I am pleased to say that the condition of Masonry in Eastern District is strong and the future looks bright.

My theme for the year was "Living Life as a Mason" and I have had the privilege of seeing this theme acted out in every Lodge and every District event held during the year including the District Picnic, Curling Bonspiel, Golf Tournament and Breakfast with Santa. Over 100 Masons and their families attended a Divine Service in Upper Canada Village with 5 different religions singing praise to the Great Architect of the Universe. Two days later the Ingleside Masonic Centre was filled to capacity with Masons for the Grand Lodge of Instruction.

Our District Ladies Night and Awards Gala gave us the opportunity to thank our Ladies for their continued support of our Masonic commitments and to recognize individual Masons for their outstanding year's work. The District Charity, Prostate Cancer Research,

has been well supported and we will exceed our financial target. I have witnessed benevolence acts that made me proud to be a Mason: a helping hand and generous contribution to a young family that had just lost their home to fire; financial support to a cancer patient for travel costs for weekly treatments and a Masonic family to upgrade their two children's cochlear implants.

New initiatives put in place this year for Official Visits and regular lodge meetings increased attendance and provided mutual opportunities for members to share "Best Practices". I had the privilege to assist in the presentation of a 70 year, two 60 year, and three 50 year, long service pins. Although there was an amalgamation of two District lodges in 2014, the good news is that the District membership has plateaued this year.

I thank my District Secretary, W. Bro. Gordon White for all his work conducting District business and the District Team for their untiring support and confidence in me as District Deputy Grand Master.

Erie District – 7 Lodges

R.W. Bro. David J. Charette

Erie District consists of seven Lodges. Six are very active and one is faltering. The Worshipful Master and brethren, of this Lodge, are considering their options and the direction they will choose. I have visited the District Lodges for Official Visits, Installations, Degree Work and Special Presentations. I find their Ritual work as excellent. Protocol is well maintained. Seven Brethren in the District have passed to the Grand Lodge above. The overall membership in the District has increased through Initiations and Affiliations. Erie and Windsor Districts are involved in their amalgamation. They have formed committees and are receiving input from the members from the Districts. A positive conclusion is imminent.

All Lodges are utilizing Grand Lodge Programs. The Mentors Program is well used involving Candidate instruction and Lodge Officer Progression. Many Lodges have social events and invite non Masonic friends which give them exposure to the membership and their Lodge buildings. One Lodge is nearing completion of their Cornerstone designation. Several members are enrolled in the Past Masters' Course.

Erie and Windsor Districts maintain a War Memorial in Windsor and a Heritage Lodge exhibit building in Heritage Village in Essex County. These provide great exposure and information to the public. Many members of the District are involved in supporting community events under their Lodge banners and anonymously.

Erie District has an excellent weekly newsletter which publishes Lodge, District and Grand Lodge information. Our District also has a website which is a source of general information about the Lodges in the District.

It has been an honour and a privilege to be the Grand Master's Representative in Erie District. I appreciate all the advice and support I received from my Brethren of Erie District.

Frontenac District – 16 Lodges

R.W. Bro. Peter B. Byer

Frontenac District had the honour of the presence of our Grand Master, and many Officers of the Grand Lodge, several times during the course of the year: particularly, the re-dedication of Rideau-Minden Lodge No. 253 was presided over by M.W. Bro. Donald A. Campbell and nearly all of his Grand Lodge Officers; the Installation of R.W. Bro. Tom Hogeboom of Maple Leaf Lodge No. 119 as Worshipful Master of Heritage Lodge, with M.W. Bro. Campbell performing the role of Installing Master; a well-attended reception for R.W. Bro. John C. Green, Deputy Grand Master; and both the Grand Senior and Grand Junior Wardens presiding over their respective degree teams.

As DDGM, my focus this year on education and mentorship was met with excellent efforts by the lodges: a Lodge of Instruction, based entirely on the First Degree, was held at Leeds Lodge No. 201; and a presentation was given by the College of Freemasonry at

Albion Lodge No. 109. It is my hope that a renewed interest in intellectual stimulation will aid the lodges in retaining the memberships of the current generation of young men, who live in a knowledge-based, technological world.

The state of the Craft in Frontenac District is one of extremes: a few lodges are stable, well-managed and thriving while others have declined in membership and vitality, and have precarious futures. The change in demographics over the past few decades has led to the more 'rural' lodges – while not necessarily low in numbers of members - finding Initiations to be the exception rather than the rule. This has led to reduced attendance, poor ritual, and subsequent challenges in retention, filling chairs, officer progression, financial health, and long-range planning. The more 'urban' lodges have not escaped this reality: amalgamations, poor retention, and low member attendance, is having a similar impact on a few.

I thank the Brethren of Frontenac District and my home lodge, Albion Lodge No. 109, for their support and enthusiasm during my term. The experience has been worth every challenge and reward along the way.

Georgian North District – 10 Lodges

R.W. Bro. Robert B. Phillips

Georgian North District currently consists of 10 Lodges spread out geographically in the Northern Section of Simcoe County. We started the year with 11 Lodges, however due to ongoing issues within Granite Lodge No. 352 in Parry Sound which spilled out into the community; the Grand Master suspended the Lodge's Charter. Unable to resolve these issues to the Grand Masters satisfaction, the Lodge went dark on Dec. 31st, 2014.

I attended 8 out of the 10 Masonic Memorial Services held in this District this year. I wish to thank the Lodges for keeping me informed of these services. There were far too many.

We have 10 active Lodges with most doing degree work with an abundance of candidates. The ritual for the most part is being done well. The members of Georgian North are enthusiastic Masons and work very hard to confer the various degrees with dignity and class, while upholding the ritual.

Three Lodges of Instruction were held this past year. A District Lodge of Instruction on the Mechanics in the 3 degrees, and the same was held in Grey District. A District Lodge of Instruction on the Mechanics of the Ceremony of Installation was also held. All 3 were well attended.

The District Devine Service and the District Golf Tournament were well attended.

The District Charity project this year is the Children's Wish Foundation of Canada, Ontario Chapter. All money raised by the Brethren in Georgian North will stay in Simcoe County.

In conclusion I would like to thank our District Secretary, W. Bro. Gray Watters for all his efforts this year, and for being my constant travelling companion. He is a dedicated Mason. His administrative skills were exceptional. I would also like to thank my wife Susan for her Love and Support this past year. If I achieved any success it is in a large part due to her.

Finally I would like to thank the Brethren of Georgian North District for electing me to be the Grand Masters representative this past year. It has been an honour and a privilege to serve you.

Georgian South District – 10 Lodges

R.W. Bro. Kennard W. R. Pratt

Georgian South District has had a very good year. It is a direct result of having an active and involved Masonic and Warden's Associations, where leadership is both exemplified and promoted. The year started with the District hosting the 2015 IPM in Ivy, assisted by many volunteers of Masonic bodies from both Georgian Districts and across the Grand

Jurisdiction. A common goal created a common success. It was also our year to host the Georgian Districts Grand Master's Reception. It finished off with hosting the Ontario Masonic Education Conference in Barrie. I presented 25, 50 and 60 years a Mason and 25 years a Past Master pins. We had sons of Masons being initiated and advancing in the Craft. I was invited to every lodge to see Initiations, Passing's and Raisings enabling me to meet a great many good men who someday will rule our Craft. The Lodge Masters are promoting Masonic Education. Of note is the Wednesday open practice nights held at the Barrie Masonic Building where Past Masters and Mentors meet with any brother to help with the ritual, floor and memory work. The public awareness of Freemasonry was enhanced due to the fact that we have not just active Masons but inter-active Masons who participate in many events. From being Secret Santa to many seniors who have no family in area nursing homes, to regularly hosting and donating at Blood Clinics, assisting in the purchase of an electric mobility chair for an elderly man who did not have the funds, operating Masonic ChIP programs, and participating in local parades. The District Charity was well supported from lodges holding a Wild Game Supper; Newfie Night boiled meal and dance, a Tribute Artists concert, a Raffle and personal generosity. The members are taking leadership roles in their local communities and churches, our Masons are good men making a difference in the world. Many are active in the concordant bodies of Freemasonry and the Widow's Sons raising thousands of dollars for charitable projects. As the Lodges are taking more time to have their candidates get to know what and who Masons are the candidates are more ready to embrace Freemasonry. Due to the hard work of the DDGM's who served the District the Lodge buildings are in good repair and financial planning is part of long range planning. Many Lodges reviewed their Lodge Bylaws and are committing to achieving or maintaining their Cornerstone designation.

I thank W. Bro William Thomas for his dedication to the District and his organizing skills. The District Communication Chairman has been remarkable at getting the information out there and along with the Webmaster is helping to bring the District into this millennium. I thank the District Librarian and other Committee Chairmen for their support and work.

Thank you for the honour of serving as your D.D.G.M.; it has been a real pleasure to get to know so many Brethren. I look forward to continuing to contribute to the District and Grand Lodge in the future.

Grey District – 12 Lodges

R.W. Bro. Michael G. Wood

It is with great pride that I report that we have had a very successful year here in the 12 lodges of Grey District. By promoting registration in the Canadian Blood Services, Partners For Life Program, by our Blood Donor Chairman at all of the Official Visits, we have seen a very steep increase in both participants and blood donations in Grey District. Another highlight of each Official Visit this year was a presentation by each lodge of their history, a copy of which is being included in a more complete History of Grey District. This District History and the individual lodge documents to be posted on the district website.

Being a rural district where drive times for visiting other lodges can be upwards of 90 minutes, in good weather, more focus was placed this year on how we can improve the visitation between lodges and thereby increase the opportunities to enjoy the warm hospitality throughout Grey District. I feel that we succeeded here and the turnout for Official Visits was strong and inter-lodge visitation was as well. Being located in very small communities places some limitations on gaining new members so one message this year was to get out and visit lodges near where we live. Five or six visitors at a regular meeting can make the world of difference in the atmosphere of a small lodge!

Luckily, we have a strong contingent of masons in Grey District that support our district events such as our Curling Bonspiel, Ladies Night, Golf Tournament and this year, our Reception for our Grand Master, Most Worshipful Brother Donald A. Campbell. It was

an honour for us and a particularly special treat for many of our new masons in Grey District to have the opportunity to meet the Grand Master in person.

It was a pleasure for me to serve as the D.D.G.M. for Grey District and to have the opportunity to present many Long Service awards this year in my travels around Grey District. It was truly inspiring to see that these dedicated brethren are still active in their lodges to support and mentor the officers as well as new members. We all appreciate their continued participation!

Hamilton District A – 14 Lodges

R.W. Bro. J. Michael Kirk

It has been an honour and a privilege to serve as District Deputy Grand Master. It was a year of personal growth, challenge and reward far and above expectations.

During the year many presentations were made as Lodges actively recognized worthy brethren. It gave me great pleasure to take part in presentations for 50 and 60 years of service not to mention many 25 years Past Master pins as well as the presentation of Grand Stewards Regalia to three most deserving brethren.

I am pleased to report that the fourteen Lodges of the District are all on firm financial ground. Membership appears stable with some lodges experiencing growth. The challenge with membership is not in finding new members but in retaining and keeping the members we already have. A future goal must be to retain members through meaningful engagement on terms that acknowledge and complement the abilities and aspirations of each member.

The three Hamilton Districts introduced Traveling Volumes of the Sacred Law to increase awareness of and participation in the Divine Services. The Traveling Gavel was again used as a tool for promoting visitation within the District.

The twin operational challenges that will face some Lodges in the future are the viability of single occupant Lodge buildings and retrofitting to provide accessibility. Lodges must embrace the process of Long Range Planning in a meaningful way and place all options on the table for active consideration.

The District was honoured with visits from both the Grand Master and Deputy Grand Master during the year; the former for the initiation of a new brother and the latter for an Installation.

The quality of the Work continues to improve. I found a strong inclination to adherence to both the words and mechanics of the Work and am confident the trend will continue in the pursuit of excellence.

The role of District Deputy Grand Master is one that no individual can attempt to fill without solid and consistent support. This year the support of the District Committee Chairmen was invaluable. I would like to especially thank R.W. Bro Jeffrey Baker for filling in at official functions while I was ill.

Lastly I wish to recognize the District Secretary who has gone above and beyond in his service to the District. His tireless efforts and wise counsel kept the year focused and on track.

Hamilton District B – 11 Lodges

R.W. Bro. Thomas R. Young

As I reflect back over the course of my year as D.D.G.M. of Hamilton Masonic District B, it is something I could have not done without the support of my wife, Maxine, and W. Bro. Randy Haining, the District Secretary. When I approached Randy about being District Secretary, he immediately said, “sure, no problem”. Knowing I had Randy's support gave me great confidence for the year ahead.

My theme for the year was “Positive Action Creates Enthusiasm”. I borrowed it from a speech a Past Grand Master of Alberta gave. I said if ever I got the opportunity to be D.D.G.M. of Hamilton Masonic District B, I would use it.

My year was focused on our Youth Masons, E.A.s and F.C.s, making sure they are welcomed and nurtured through the three degrees. I was most pleased to see many white aprons at my Official Visits. At the Official Visits, the Masonic Education Chairman, W. Bro. Norm Madill, gave excellent presentations aimed at our Youth Masons on items in the 1st Degree.

My talks this year were, for the most part, directed at our Youth Masons. They began with, “**hear these words from Norman Vincent Peale**, 'those who are fired with an enthusiastic idea and who allow it to take hold and dominate their thoughts find that new worlds open for them. As long as enthusiasm holds out, so will new opportunities'”. From the many comments I received, I believe that I made a good decision to stick with it.

It was a very exciting year for two (2) of the 11 lodges, as Wentworth Lodge No. 166 celebrated their 150th Anniversary and Battlefield Lodge No. 714 celebrated their 60th Anniversary.

It was a very enthusiastic year for the promotion of the Cornerstone programme in Hamilton District B, ably led by W. Bro. Graham Tait. Also, plans are underway for the forming of a Demolay Chapter in Stoney Creek, sponsored by Wentworth Lodge No. 166. W. Bro. Les Vass has put much effort into this.

Maxine and I attended seven (7) Grand Master's Receptions ... what a treat it was to socialize with many present Grand Lodge Officers who I have gotten to know over the years. Speaking of Grand Lodge Officers, Hamilton District B had five (5) Present Grand Lodge Officers this year – R.W. Bro. Ed Standish, member of the Board, V.W. Bro. Norm Lampman, Assistant Grand Chaplin; and, V.W. Bros. G. Wyatt Lowry, Ron McClung and Stew Alexander, Grand Stewards.

The one area that needs improvement in the District is the support of the Lodges at all 11 Official Visits. This is a great opportunity to introduce our new brethren to the wonderful tool of visiting. Masonry is not one night a month – it is a way of life.

I concur with our Grand Master that we must raise the Bar and make our meetings relevant to the men we are attracting today.

I extend my sincere thanks to all 11 lodges for the respect shown to Maxine and me over the year.

Hamilton District C – 13 Lodges

R.W. Bro. Glen J. Notman

Masonry in Hamilton District ‘C’ is on the upswing. There are 13 Lodges meeting in 5 Lodge halls, of the 13 Lodges, 11 are in a strong situation, and unfortunately 2 of them struggle with attendance and execution. These 2 are working to resolve these issues, developing long term plans, and installing past masters in the Chair to lead and develop good habits to attract and retain new members. As a District we are determined to hold a long range planning meeting in the fall to bring all the lodges together, share strengths and discuss what needs to be done proactively to head off issues before they become terminal.

My goals have been to encourage involvement from all the Brethren, emphasize the value of our privileges, make execution of the Work a priority, and maintain the tradition of excellence which allows us to act towards each other as gentlemen and brothers. It seems to have worked, this year I have seen the new members getting engaged in degree work. Visitation is up, we had fellow crafts and entered apprentices participating in degree work and using the district webpage to look up degrees and pop in on lodges to see the work. We had good attendance at the Lodge of Instruction and there has been a real focus at the individual lodge level on practice and making the Work meaningful.

Focus on the Work, with practices and mentorship has brought results in the Ritual delivery. A Grand Lodge of Instruction was co-chaired with Hamilton Districts A and B and was well attended by members of the District. The lessons learned from this session are evident in the deacon floor work. One of the lodges made a real commitment to education around the Grand Lodge programs and hosted each of the committees, presenting lectures

on Cornerstone, Brother to Brother, Officer Progression, and Friend to Friend with Mentorship is to be presented in September. These were open to all members across Hamilton and lodges were well represented. Individual Lodges are delivering meaningful evenings to the brethren, performing “masonic minutes”, presentations and other educational elements as part of their overall programs.

Visitation between lodges is up, with 60 -70 % of the lodges represented at official visits and installations. An end of year district Barbecue, Upcoming Golf Tournaments, Robbie Burns events, lodge parties, ladies nights and a Hamilton District ‘C’ Hockey team offer varied opportunities for fraternal visitation.

Finally, The District is getting online, from a beginning of 5 of the 13 Lodges using the District website, we now have 10 (and sometimes 11) of them making regular updates for upcoming events and degrees, and more than 50% of all summonses are emailed to brethren.

In closing, I have been overwhelmed with the support and encouragement received from the members across the District. It has been an honour and a pleasure to serve the Brethren of Hamilton District ‘C’.

London East District – 13 Lodges

R.W. Bro. Richard B. McLeod

London East saw the closing of King Solomon Lodge No. 394 during the year. A wake up call hopefully heard and acted upon by the other lodges of the District. We have had some fine Masons affiliate with other lodges in and outside the District. One of the biggest successes in the District is with the Cornerstone project. We have come in the last couple of years from 0 participants to lodges with the Cornerstone designation, lodges who will be achieving the designation shortly and lodges starting the process. Masonic Education is alive and getting better in the District. Our Long Range planning is about to get going and we are developing an education plan for the lodges on the Role of the DD, District Secretary and Resource Team Functions to encourage interest and participation for these roles.

The State of the work in the District. I was disappointed in seeing more than one lodge with open books, other than the Secretary, expressed the appropriate method of presentation and my expectations, followed up with another visit and was pleased with the improvement shown in presentation and the overall experience for the candidate.

While many lodges recycle one or more PM’s in the chairs I was pleased to see a large number of new Master Masons moving through the chairs. Care must be taken to ensure the lodges do not push their Master Masons through skipping too many chairs or his effectiveness will be diminished due to lack of experience.

While there are many success stories in the District I feel that the next few years are crucial in its long term success. We must carefully monitor and analyze the District activities and programs. We need to have an active DD and Resource Committee. We need to better communicate the GL programs to the lodges, actively educate and recruit potential members for the Resource Committee and offices of DD and District Secretary.

London West District – 12 Lodges

R.W. Bro. Edward J. Burt

Over the past twelve months I have visited all lodges and attended all installations. Masonry in London West District is alive and well. Masons in the London West District are very committed and enthusiastic. Some lodges have had numerous candidates and are regularly performing ritual work. Other lodges are struggling to attract new members. Ritual work in London West is of good quality and always done with care and pride. Participation at official visits has been fair; however greater attendance by the Ruling Worshipful Masters would be appreciated. This year I have worked to create the position of District Historian and also attempted to engage the lodges in Long Range Planning. London West District lodges all create a friendly and welcoming environment and there

are few disputes and quarrels. I would recommend that future DDGM's consider a Lodge of Instruction or education program focused on Protocol and Etiquette. Lodge facilities in the London West District are generally well maintained and the members take great pride in their Masonic homes.

The London Districts were honoured to host a Grand Master's Reception this year. The event was well attended and enjoyed by all. Several Lodges in the London West District are participating in the Cornerstone Project. This has improved attendance at district and lodge events and increased enthusiasm within the respective lodges.

I have had the pleasure of presenting a number of long service awards including 50 and 60 year pins as well as participating in a 70 year pin presentation. On a sadder note, I have attended a number of Memorial Services. These events are sad, but at the same time appreciated by the families of the deceased. Over the course of the year I have had the opportunity to travel to official visits, Grand Master's Receptions, and installations in surrounding districts. I was always warmly welcomed and these visits have provided lasting memories.

I thank my secretary, W. Bro. Myles Leach for his assistance over the past year. It has been a pleasure representing the Grand Master in the London West District and I thank the District and my lodge for affording me this opportunity.

Niagara District A – 15 Lodges

R.W. Bro. Norman E. McLean

This past year has been a very busy, yet most rewarding time for me in Masonry. The fifteen Lodges in Niagara A District are healthy and well supported by their members and the sister Lodges in the District, with the exception of a couple. A few of the Lodges in our District have had a drop in membership, while others are on the increase with a young and keen membership.

It has been my extreme pleasure to have attended twenty four (24) Entered Apprentice Degrees, and welcomed the brethren to The Craft while presenting each with a Grand Lodge lapel pin. Niagara A has a fine group of young, up and coming officers as well as Masters, all of whom do high quality ritual work with much pride.

I also wish to extend my sincere thanks and appreciation to the 2014/2015 Worshipful Masters, The District Secretary and The District Team, along with the newly appointed Grand Lodge Officers that have supported the District and myself with the impressive turn out at each Official Visit and Installation.

Our charity of choice this year was Autism Ontario (Niagara Chapter) which was registered with The Masonic Foundation of Ontario - Project #2581. I wish to thank all the lodges along with the individual brethren and non-masons that have generously donated. A presentation will take place in September.

A Masonic Charities Golf Tournament also took place to benefit Autism Niagara and Shriners Hospitals. The event was run by Bro. Rob McLennan and W. Bro. Tony Brandon. My sincere thanks; to them both for a job well done. Thank you to all the Brethren & Nobels and their Ladies for supporting this very successful event.

This past year it has also been my pleasure to partake in (8) eight long term service pin presentations and a William Mercer Wilson award presentation in the company of The Grand Master.

The highlight of the year for me was the banquet hosted by Niagara Districts "A" & "B" to honour The Grand Master M.W. Bro. Donald A. Campbell.

In closing I would once again like to thank W. Bro. Douglas J. Pollard and Lady Chris for the support given to Lady Kathy and myself this year. A friendship and bond that will last forever. I would also like to take this opportunity to thank The Grand Secretary, M.W. Bro. Terence Shand along with Stacey & Kathy at the front counter for the patience, guidance and assistance given me during my term as a District Deputy.

Niagara District B – 11 Lodges**R.W. Bro. Trevor Beattie**

Two lodges in Niagara B District Merrit Lodge No. 168 and Macnab Lodge No. 169 celebrated their 150th anniversary in a joint meeting, with RW Bro. John C Greene, Deputy Grand Master in attendance. A luncheon followed and a most enjoyable day was had by all. Members and visitors were asked to bring a non-perishable food donation to be distributed at Christmas to the needy families of Port Colborne. Donations received were matched by local food store owner and past master of Macnab Lodge W. Bro Brent Tarabalka and approximately 1500 lbs. of food was distributed. This was a tremendous achievement and an excellent way to give back to the community.

The MasoniChIP program in Niagara B is being accepted by more and more schools and school boards alike, as well as the general public and has gained the full support of the local Regional Police. In fact, some local police have invited our volunteers to run our program as it seems to be superior to theirs. Most lodges in the District have supported the program either by sponsoring an event and supplying volunteers or by making a financial donation.

Blood donor clinics are being well supported by volunteers and donors alike. Of course, there can never be enough support given to this very worthy cause.

There are times when a lodge holding a degree does not have the quality or availability of brethren to successfully conduct the degree. To this end, we have developed DART (District Assistance Resource Team). The team headed by W. Bro Martin Vanderkant, is a group of brethren expert in certain parts of the degrees who are available at a moment's notice to fill a position to allow the candidate to have the degree given properly and sincerely. A list of names, their contact information and their specialty was distributed to each lodge.

In support of the Grand Master's charity, Prostate Cancer Research, I initiated the Dime a Day program. What I asked was that every brother in the District was to take a Mason jar and deposit a dime every day into it. We have had some success and some lodges have developed their own take on this with great results. The program will be continued for 2015-2016. It is an excellent way of raising money without missing it and for such a worthwhile cause. It is also an excellent way of getting the brethren that can't get out to lodge to become involved and feel part of the fraternity.

Three past DDGM's of the District were called to the GLA. R.W. Bro Donald Dixon, R.W. Bro Barry Douglas and R.W. Bro Richard Schular. A lot of experience and leadership disappears with the loss of these three great men. We will cherish their memories in our hearts.

Over two hundred people attended the Grand Masters reception, hosted jointly by Niagara A and B districts. The evening was a great success and a credit to the organizers.

Whilst I see resurgence in the membership of some lodges, I can also see several lodges in distress with a dwindling attendance. Some of this is caused by older buildings that are not elderly friendly or do not have easy access to lodge or banquet rooms for those with some disabilities. Another reason is that the buildings are becoming a financial burden to the membership, as they are requiring substantial investment into repair or renovations. This burden is being afflicted onto the reduced number of members and can possibly be the cause of some of them taking their demit. Serious discussion/action is required if these lodges are to avoid going dark.

The average attendance of lodge meetings in Niagara B is between 20-25% of the membership. I challenged the Masters and Wardens to try and increase this figure to 30%. This could be as simple as having 2 or 3 non-attenders become attenders again. In business, it is said that it can take up to ten new customers to make up for 1 lost good customer. We need to look after what we already have!

In closing, I would like to thank all the brethren of the district for their support throughout my year. To my District team and advisors for their dedication, friendship and

support, I cannot thank you enough. To the four GL officers who accompanied me on my official visits a special thank you to you also.

It has been a privilege and an honour to be your representative to Grand Lodge on behalf of Niagara B district.

Nipissing Muskoka District – 7 Lodges

R.W. Bro. Terry P. A. Taylor

The Masonic year 2014 – 2015 has been a good year for representing the new District of Nipissing Muskoka. The attendance at all of the Official Visits increased in good numbers over the last few years.

Lodges in the district have had an increase of 16 new candidates and Raised 14 making it a successful year. Some lodges are getting an increase of affiliations from nearby lodges outside of the district.

This year at my Official Visits my address to each lodge contained Masonic Education. I felt the lodges do not get enough Masonic Education; at meetings lodges excel at degree work but there is little or no explanation of the work. Good Masonic Education strengthens a lodge at the grassroots level.

One of the district goals was to see that all members were recognized with their long service pins from 25 yrs to 60 yrs also including past master pins which were achieved with success.

Travelling in the new district has increased because of the new re-distribution of lodges and attendance is good. The Travelling Gavel which belonged to the two previous districts have been retired. R.W. Bro. Beverly G. Roberts has made a new travelling Gavel and Case. R. W. Bro. Terry P.A. Taylor has presented the finely crafted case and gavel to the new District. It is a program that helps promote visitation and will keep the district strong.

R.W. Bro. Garnet Schenk has accomplished an excellent task on the District Website and the District Newsletter, the Round Table. The Round Table covers all the events and news provided to the Editor from the district and I thank him for the coverage that he has given me as the District Deputy Grand Master during the past year.

We do have some Lodges in our district that are struggling with the recycling of Past Masters, which hopefully will correct itself in the future.

I would like to thank those brethren that supported me on the official and fraternal visits throughout my year as the representative of the Grand Master. I would also like to thank the brethren that were part of my committees.

We had a sale of one of the Lodges and the lodge is going to rent from a neighboring Lodge until something comes available.

On the whole I had a very successful year as the first D.D.G.M. of the new Nipissing Muskoka District.

North Huron District – 9 Lodges

R.W. Bro. Roy R. Douglas

My current year has been a great success and learning experience and wonderful lifetime opportunity. I would like to thank the North Huron District brethren for the opportunity to represent them as there D.D.G.M. and thanks to our District secretary, W. Bro. Dale Edgar for his work and involvement in the lodges and his travelling time with me. Also, to the M.W. Grand Master and Deputy Grand Master I thank you for your support and guidance over the year. Forest Lodge No. 162 has been very supportive throughout the year.

North Huron is very active in Masonry with its leadership from the Worshipful Masters of all the lodges and the fellowship, hospitality to the visitors at every lodge makes one feel at home and I encourage this to continue as time moves on. We have had several Degree work this year and on the happy note several applications for membership to enter Masonry have been received which is pointing to an up lift in the Craft. And I encourage the members to treat this with pride so it may continue.

The floor work of the degree is well presented and applied, but in some cases a little

more practice would defiantly help to smooth out the rough spots, but all and all as I travelled to Lodges in my area and out of the area they all are run about the same which is why I am encouraging everyone to travel and get as much out of every Lodge's proceedings as possible.

The lodges of North Huron District all put a great deal of dedication and work into keeping them running smoothly. The buildings are in good shape and of course safety is a big factor which is and always and will be a concern to every Mason. The lodges are currently being brought up to code.

I had a very successful Grand Masters Reception, Curling Bonspiel and Divine Church Service. The blood donor's clinics continue to be quite successful and I enjoy volunteering there. Coming up in June we are have a CHIP program which everyone is working quite hard to make it a success. We have had a Friend to Friend night on two occasions and it has been quite successful as we have had three new candidates out of this and I encourage this practice to be continued throughout the lodges.

I have had quite busy this year with fraternal visits, official visits, Installations, and presenting members with 25, 50 and 60 year pins. It was a great honour to present the pins to my Brethren. I also did the dedication of a newly installed Mosaic pavement at Bernard Lodge No. 225 in Listowel.

As my year is coming to a close I look back and think of what a wonderful and exciting year it has been and I wish my successor and his team all the best for their upcoming year.

Ontario District – 15 Lodges

R.W. Bro. Michael E. Elliott

Ontario District consists of 15 Lodges that range in size from 50 to 190 members. It stretches from Whitby to Cobourg, and is very strong on visitation, support of the other Lodge's functions, and the ritual.

The district has been blessed with an abundance of candidates this year, with a lot of the newer members participating in degree work. There is only one PM sitting in the chair of K.S.

The annual District Gala held in March, at the Newcastle Town Hall was a huge success. The 184 brethren, wives, friends and family that were in attendance, thoroughly enjoyed this formal affair. We raised approximately \$4,000, for the District project, "Prostate Cancer". The project has surpassed the goal we set of \$10,000, and we still have the District BBQ on May 31, 2015.

The District Pipers performed excellent at all functions their cable-tow would allow. A special Thank You to the 6 Pipers who performed at this year's District Divine Service. We had approximately 75 attend plus the regular congregation, who all had positive comments about the service.

Our Masonic Education Committee held two great events with primary focus on the Masonic Memorial Service, which showed vast improvement in conduction of this beautiful ceremony. On a sad note we had to perform this service 13 times.

The MasoniCHIP had significant success with over 80 children processed. The only negative comment was on the fact that the computers could not keep up due to malfunctions.

One of the Lodges purchased a Defibrillator with help and support of the Mikey Network program from Grand Lodge.

One of the most prestigious duties as DDGM, I was honoured to present a 70, 60, numerous 50 and 25 year pins.

There were also many other events in the District, such as a Curling Bonspiel, Golf Tournaments, Christmas Parties, Scotch Tastings, Specialty Degree Teams, an evening with a comedian and hypnotist, which provided great opportunities to meet and socialize with other members and their families, and friends.

I would like to thank the W. Masters, and Brethren for the dignity and courtesies afforded to the District Secretary, W.B. Gary Gifford, our wives, and myself, during the

course of events this year.

It has been a true honour and pleasure to represent the Grand Master M.W. Donald A Campbell within this great District.

I sincerely thank you all for that opportunity.

Ottawa District 1 – 15 Lodges

R.W. Bro. Allen B. Wright

I would like to take this opportunity to thank the Ottawa district 1 membership for the opportunity to act as their representative this year. I also want to thank our WMs and District Chairmen that have made my job so much easier through the support they gave the district in their various capacities.

A reward system, “The Ritual Certificate Program” for performing ritual was instituted. This is optionally either self or lodge administered with details for participation posted on our district website:

<http://www.ottawadistrict1masons.ca/component/content/article?id=90> the program has made recruiting for parts much easier in several lodges.

A DDGM continuity system was developed this year by inviting all those who have indicated they will allow their name to stand for election to the office of DDGM over the next few years to informally meet to discuss various aspects of the job. The initiative follows the same path as mentorship for other ranks. Several Past DDGMs have been invited to these get togethers which has been well received by all involved.

District lodges for the most part are stable. We have lost several Great brethren to the Grand Lodge Above. Many new brethren have also joined to strengthen our ranks. Their greatness will shine in years to come.

Some disharmony was reported to me from within a few lodges. This is constantly a threat to all lodges. One lodge overcame differences within that lodge with a very moving “5 points of fellowship” exemplification ceremony early in the year.

Once again Ottawa 1 and 2 came together for several events including co-hosting a Grand Lodge of Instruction event, two Divine Services. We also worked together putting on a Valentine Charity Ball with Ottawa 1 and Ottawa 2 charities along with Roger’s House being the beneficiaries. Collectively we also hosted a night to highlight the Cornerstone Program as well as Long Range planning. All of these events were well attended by both districts.

The Ottawa 1 District Charity this year was Epilepsy Ottawa Carleton. This is a small group with a very small budget. For over 25 years, Epilepsy Ottawa has been providing information, referral, peer support and social opportunities for those living with epilepsy in the Ottawa region. They also work to educate the community and raise awareness about epilepsy. With the combined efforts of Private, Lodge, and District initiatives we have raised over \$8500 for this cause.

I offer my support and best wishes for my successor and his team. Thank you.

Ottawa District 2 – 13 Lodges

R.W. Bro. Jeffrey W. A. Barrie

It was a great honor to represent Ottawa District 2 as District Deputy Grand Master 2014-15 I am thankful for the opportunity and grateful to the brethren for their support.

Ottawa District 2 is made up of a mix of city and rural lodges with the farthest being 160km from each other. Interestingly, Pembroke Lodge No. 128 which had one of the farthest distance’s to travel won the traveling trowel for having the most visitors at official visits throughout the year. Encouraging visitation was a consistent theme during my tenure. I did my best in act as well as in word to visit every lodge multiple times and to carry the Ottawa District 2 banner to eight different districts across the Province. The respect for the office and receptions received was humbling and more importantly the friendships made will last a lifetime.

There were many district activities and initiatives that I would consider a success. It was a pleasure to receive M.W. Bro. Donald A. Campbell early on at Ionic Lodge No. 526 for their Centennial celebration. Along with an active structured officers mentoring program to better prepare them for progression a picture collage of all principal lodge officers was circulated to facilitate recognition and encourage visitation and comradery amongst traveling companions.

The district publicist pulled salient points from every summons that was included in a weekly email blast from the DDGM, "What's going on in Ottawa District 2." The hope was that having this summary information in a brother's inbox would again encourage visitation. The assistant district historian initiated a project to publish each lodge's history on the district website.

The year was not without some unfavorable tasks including contraction from 14 lodges to 13 with the solemn ceremony of Extinguishing the Lights of Atomic Daylight Lodge No. 686. Ottawa Districts 1 and 2 continued to work well together with many reciprocal inter-district visits among DDGMs and brethren including 2 District Divine services and a combined Lodge Resources workshop that seen over 100 brethren participate and tackle the long range planning topic of declining membership across both our districts and our Grand Jurisdiction in general.

The Cornerstone program is alive and well with 10 of 13 lodges participating and 9 in total will have achieved the designation by July 2015.

The district project in support of the Ottawa Regional Cancer Foundation was well supported by the annual Ottawa Masonic Association Valentines Charity Ball and a season ending District wide family BBQ at the Barrie cottage on lake Madawaska that also celebrated; the years success's as well as to kick off to the ensuing Masonic year for newly minted WM's and officers.

Many thanks to District Secretary John F. A. Smith for his exceptional diligence and attention fulfilling the administrative affairs of the district.

Peterborough District – 11 Lodges

R.W. Bro. Robert A. Keay

It has indeed been a privilege to serve as DDGM for Peterborough District under the direction of M.W. Bro. Donald A. Campbell, and I thank him for his leadership and guidance this year.

Peterborough District is comprised of 11 Lodges and 960 active Masons spread across the County of Peterborough. We have 6 country Lodges that meet in their own buildings located in smaller municipal centers and 5 city Lodges that meet in the Peterborough Masonic Temple building.

The year commenced with a review of 5 of the eastern Lodges who are facing some difficulties in updating and maintaining their buildings. After many discussions, led by the District LRP Chairman, the Lodges voted to stay put for now but will consider a move to a centralized Masonic Center at a later date to be decided.

Several Lodges struggled this year with dwindling membership and a lack of new candidates. Those Lodges with capacity were generous in sharing out their degree work to these Lodges with the end result being that the District was busy and felt successful.

Most Lodges are on a strong financial footing and, if careful with their budgets, will be able to hold the status quo. However unforeseen expenses and repairs could severely deplete those resources and it will take fiscal responsibility in setting realistic dues structures to ensure they remain viable. A few of the Lodges continue to seek alternate means of raising necessary funds through community events and membership support.

We celebrated two Lodge anniversaries of 100 and 150 years respectively and were appreciative of the attendance of our Grand Master and other Grand Lodge Officers on those occasions. The District saw a number of individual celebrations with the presentation

of a scroll at a breakfast on the occasion of a 70 year Past Master anniversary and pin presentations for 25, 50, and 60 year milestones.

My theme this year was “Masonry, That Great Light”, light being the continued search for Masonic knowledge. All speeches were developed on this theme and the importance of education through coaching and mentoring was stressed at every meeting. For the individual Lodges to thrive they will need to make greater use of the available Grand Lodge Programs, like B2B, F2F and Mentors. For Peterborough District to maximize its potential and be successful into the future, we will need to assist every Lodge to become a Cornerstone Lodge to attract new members and to retain the ones they are currently losing.

In conclusion it would be fair to say that the vital core of Masonry in Peterborough District is strong; made up of energetic younger Masons and enough experienced and knowledgeable Past Masters to ensure they have a vision to follow.

Prince Edward District – 13 Lodges

R.W. Bro. Raymond D. Gayton

This has been a busy year in Prince Edward District. On October 1st, 2014, M.W. Bro. D. Garry Dowling and his team of Grand Lodge officers held a lodge of instruction in Prince Edward Lodge No. 18, which was well attended by a large number of junior officers. There are more practices for the ritual ceremonies and memorial services. The mentors have the candidates well prepared as they progress.

This year, as in the past, our Lodges have worked hard to promote masonry in their various communities. The breakfasts, coffee clubs, fish fry's and community dinners are well attended by the general public.

Grand Lodge Programs such as MasoniChIP, Friend to Friend, and Blood Donors are always ongoing within the district. Masons helping Kids with Cancer, our District Project was well received and we are coming close to reaching our goal. Long service awards were presented through the year in different lodges. On May 3rd, 2015, W. Bro. Reverend Brian Webber, District Chaplain, assisted by Rev. Sue Fleming officiated at an inspiring joint divine service held at Consecon United Church, along with the congregation.

On May 9th, 2015, the Grand Master, M.W. Bro. Donald A. Campbell dedicated the new Mosaic pavement in Consecon Lodge No. 50 the builders being present informed them of the work involved in its completion. Later that same day, a reception was held for M.W. Bro. Donald A. Campbell in Belleville. A large number of masons and their ladies were on hand to honour the Grand Master.

All the Official Visits are completed, as are most of the initiations. The new Masters and their officers are setting in and I can see that Prince Edward District is in good hands.

My year is winding down and it has been a fantastic and memorable year. I would like to thank the members of Prince Edward District for their support, M.W. Bro. Donald A. Campbell and Grand Lodge for their assistance in making this a year that will be long remembered and cherished.

St. Lawrence District – 17 Lodges

R.W. Bro. W. Jack Smith

Masonry in St. Lawrence District remains strong and vibrant due to the commitment and hard work of our Executive, District Chairmen and brethren throughout the Lodges. While there are challenges within some of our Lodges to remain active, I believe we have the commitment and energy to manage our way through these challenges.

Many of our Lodges are initiating new and energetic members who are presenting us with opportunities and challenges to keep them engaged and active. There is a great deal of energy in our ritual delivery but there is room for improving the quality. Our Lodges need to put more focus on the Mentoring Process which provides a structured method to engage and teach our new members in their Masonic journey.

Visitation and fellowship among the Lodges of the District have increased as evidenced by higher attendance at D.D.G.M. Official Visits, Fraternal Visits and our District Divine Church Service.

The use of Grand Lodge Programs remains limited with B2B/F2F, MasoniChIP and Mentoring being most widely used. The Cornerstone process is now gaining energy with close to a half of our Lodges either involved or preparing to become involved in the process.

The success of the online D.D.G.M. reporting tool is a great step towards a digital environment. There is a need for more online reporting and information management to eliminate the use of paper documents.

On behalf of myself and the District Secretary W. Bro. Evan Gillespie, I would like to thank the brethren of St. Lawrence District for their encouragement, support and friendship during the past year. Thank you for electing me as your District Deputy Grand Master for 2014/2015. It has been an honour for me to serve as the Grand Master's representative. This has been an once-in-a-lifetime experience.

St. Thomas District – 10 Lodges

R.W. Bro. Wayne E. Dunn

Masonry has been declining in the St. Thomas District. The past 40 years has seen membership drop from 1816 brethren to just over 800 members today. Resignations, deaths and suspensions have been much greater in each of those years than initiations and affiliations in almost every lodge.

It was sad to see Talbot Lodge No. 546 report the loss of 9 brethren to the Grand Lodge above since last year. As a result of this declining membership Talbot Lodge No. 546 and the St. Thomas Lodge No. 44 will amalgamate in September 2015 thus reducing the number of lodges in the St. Thomas district to 9 lodges.

As our ranks swell with members in their senior years, including myself, I believe we must do more to retain our aging membership and to attract new masons. The new barrier free Masonic Centre in the St. Thomas District has enabled a brother who has been confined to a wheelchair for the past decade to return to Lodge and be involved with work in the craft. In fact he has not missed a meeting since the lodge was moved to this new location. Other physically challenged brethren with canes and walkers regularly attend the 4 lodges which call the Masonic Centre home. For over a century the lodges were hidden, located on the second floor of an obscure downtown building. The Centre is very visible to the public and used by the community for banquets, weddings, funeral receptions and other uses. The four lodges have held Joint ladies nights and Christmas dinners inviting friends to attend. One Lodge hosted a very successful classic car show. This has generated more interest in Masonry and in the past year, ten initiates have joined St. Marks Lodge No. 94 who might otherwise not have known of our great fraternity.

In general I am pleased to say that all Lodges in the district are financially sound and the Lodge buildings are well maintained and have been inspected and comply with the Ontario Fire Code. Work ranges from average to excellent.

I am proud to have served as the Grand Masters representative in the St. Thomas District and can only say that my term has gone by much too fast.

Sarnia District – 15 Lodges

R.W. Bro. Christie W. Johnston

Sarnia District has been very busy this year, with most Lodges Initiating, Passing or Raising many Masons. The work in general was very well done by all Lodges with both new and older Masons involved. I had the pleasure of presenting 25 year pins, 50 year pins and Master Mason Certificates to Masons throughout the District.

There are Lodges in the District that have achieved Cornerstone status and others that are enrolled in the program. The use of Grand Lodge Programs such as the Brother 2

Brother Program, the Friend to Friend Program and the Cornerstone Program have vitalized some of the Lodges in the District. Other Lodges have modified these Programs to suit their individual Lodge. Many Lodges visited throughout the District, this I feel is a direct result of these Programs. We have had several MasoniChIP events held in the District, these have proven to be well received throughout the District. Lodges held Widows Teas, Fish Fry's, BBQ's, and Christmas Dinners and were about the District assisting at many events.

There was a great turnout at all of the Official Visits this year. We had several Grand Lodge Officers attend these Visits and it was greatly appreciated by all in the District. On a sad note there were many Masonic Memorial Services throughout the District this past year which were well attended. The families were very impressed by our Fraternity.

One of the highlights this year was a presentation by the 18th Century Degree Team from Wellington District. It was well received by all present. The Sarnia District Ladies Night was very successful; all present enjoyed the Pie Olympics. Once again St. Joseph's Hospice was the recipient of the night. I personally had the opportunity to meet many Masons outside Sarnia District, this I will cherish for many years to come.

My thanks to the District Chairmen for their support this past year. I wish to thank the Masons of Sarnia District for allowing me to become their DDGM. Without their support and guidance this would not have been the year that it was.

My thanks to W. Bro. Ed Nicol, District Secretary. I enjoyed our time together and the conversations while travelling. To my wife Anne, thank you for your love and support over the past several years. Without you this would not have been possible.

South Huron District – 10 Lodges

R.W. Bro. John W. Gibson

Masonry has survived many challenges through time successfully! In South Huron although there are some lodges doing well with new initiatives joining, there are some functioning by recycling Past Masters! This past Masonic year has witnessed a coming together of the Lodge Masters to share, and discuss their roles, and challenges and how best they can improve append their meetings and public exposure. This has been a positive step in bringing the district into a tighter bond. At District meetings we have had many enlightening discussions on taking our District into the next era .Building membership, community recognition and pride. For which a District management committee (Think Tank) is being reformed. To assist the DDGM and provide a consistent driving force to make positive improvements in support of suppliant DDGM's and the lodges. Our District Website was revamped, it is a refreshing change, it provides for more relevant information from the lodges and it is my hope that the Lodge summons will be shared each month so that all the brethren will have access to timely information.

Ritual is presented well throughout the district, as is protocol. I have much respect for the individual lodges and the core of Brethren that keep each Lodge running smoothly. It is essential to recognize that although these lodges are strong now, they all need the support, programmes and strength of the District and Grand Lodge to help them interest the membership they need for survival!

I have been blessed to have had this opportunity to serve as DDGM for South Huron! I have felt like a King! The brethren have treated me with the upmost of respect. I have had the distinct pleasure of getting to know many of my district brethren better and growing my association of brethren from outside our district. I have learned beyond comprehension, of myself, of my district and of Grand Lodge! I have witnessed the true strength of our Fraternity, it was sadly demonstrated with the sudden passing of R.W. Bro Sandy James McTavish, DDGM of South Huron 2013, our District Piper, a personal friend of myself, and many, many more. Sandy was a mentor to us all! He truly understood the principals of "Making Good Men Better" His Memorial Service witnessed the attendance of well over 200 Brethren from across Ontario, including in attendance 3

Past Grand Masters. Brethren that is the Power of Brotherhood demonstrated in its purest form!

Presenting pins marking Masonic milestones was on going most of the year ,and what I enjoyed most on these presentations was the one common conclusion these brethren shared in how Masonry was the driving force which they felt took them the farthest in their careers and life!

Britannia Lodge No. 170 hosted the Grand Masters reception May 2, 2015 which was in conjunction with their 150 anniversary celebration. The day started with a luncheon for 120 at Northside United Church in Seaforth where a Drama was presented afterwards depicting the History of the Lodge and Seaforth area. The Grand Master M.W. Bro Donald A Campbell rededicated Britannia Lodge No.170 that afternoon as well (as they have renovated the Ground floor of their building into a new Accessible Lodge) in a History making first .M.W. Bro Donald A Campbell closed Britannia No. 170 Lodge in "Ample Form" and then opened Heritage Lodge in "Ample Form" for them to conduct their business meeting.

Brethren I close out my year as South Huron's DDGM with renewed optimism that we will survive, thrive and continue to "Make Good Men Better"!

Sudbury-Manitoulin District – 9 Lodges

R.W. Bro. David A. Hodgins

Freemasonry continues to thrive in the Sudbury-Manitoulin District. Ritual conducted at most lodges is at a high average level. There have been 16 initiations this year and 15 members have passed to the GLA at the time of this submission. This would indicate that the District membership remained constant, however after several suspensions and demits were processed, the overall membership of the District declined somewhat. While all lodges are financially sound, a couple are experiencing low membership and are concerned for their future. I've expressed the benefits of lodge amalgamations over warrant suspensions whenever this topic has been discussed.

My District Project was to increase our Bursary Fund at the Northern Ontario School of Medicine. The target value was exceeded and as a result our name will advance to a higher, more visible category on the donor list. MasoniChIP. conducted several clinics this year and 140 kits have been processed. Veterans Appreciation Night is hosted by the lodges on rotation. It improves each year, with significant attendance by masons and non-masons alike.

All lodges are active in their communities with a wide variety of events and they participate in the annual CTV/Lions Children's Christmas Telethon. Several lodges also provide educational bursaries to students. The District Newsletter lapsed at the beginning of my year however it was revived in May and is expected to continue. To fill the void, I added photos of my activities to an album which is posted on the Grand Lodge website. The weekly Java Guild (coffee and lunch) in Sudbury remains well attended every Tuesday morning. Other lodges are hosting either coffee clubs or open breakfasts on various days during the week.

Our District had the pleasure of welcoming the Grand Master twice during this Masonic year. The first occasion was in April, where he participated in the Centennial Celebration for Espanola Lodge No. 527 and the second time in May at Sudbury to attend a reception in his honour during his Northern Tour.

It has been an honour to be the Grand Masters representative to Sudbury-Manitoulin District. I want to thank all members of the District Team for their hard work and support. Finally, I must acknowledge W. Bro. Gordon R. Fraser, the District Secretary, who made this all possible on many levels. A special thanks to you, my friend and brother.

Temiskaming District – 5 Lodges**R.W. Bro. Ian B. MacPherson**

Temiskaming District welcomed back two of its founding lodges following the realignment of Masonry in Northern Ontario this year. Members of Temiskaming Lodge No.462 and Elk Lake Lodge No. 507 were warmly received and often put to work in the other 5 more northerly lodges that together comprise our district. An unusually hard winter hampered long distance travel through March but Spring installations brought a revival in the level of visitation not witnessed in recent years.

I note that the quality of the ritual this year has shown improvement within all seven lodges. One Worshipful Master who enthusiastically made good ritual his top priority led his lodge through one of the busier agendas. Two lodges called off for very moving and memorable Memorial observances during their November regular meetings, keeping their promise to “Never Forget”. I also note the oratory skills of several senior brethren who treated their lodges with absolutely masterful renditions of the General Charge near the close of their installation ceremonies.

Two member lodges, Golden Beaver Lodge No. 528 (Timmins) and Englehart Lodge No. 534 will be celebrating their Centennials in 2015. Both have carefully made ready over the year for ‘going gold’ this fall and have invited Grand Lodge and our Grand Master be a part of those celebrations. I have asked all lodges to consider making 2015-16 their year for planning and have distributed the Long-Range Planning Tool Kit for Lodges provided by Grand Lodge. I had further volunteered to act, if asked, as a moderator for any individual “lodges of discussion”. I have since accepted the first invitation.

All of this comes in preparation of a long range plan for Temiskaming District, originally Masonic District No. 22, which will be celebrating its Centennial in 2016. The ground work will be ready for approval at the first district meeting in the fall. Included in these deliberations will be a modernized set of guidelines for the District’s Deputy Grand Master to follow during his term of office.

Temiskaming District’s biggest problem is attracting new members. I began my term convinced that the visibility of the lodges was key in finding a solution to this problem. I am now convinced that it is the enthusiasm instilled in each individual brother by the experience of his monthly lodge meetings that will revitalize our numbers. Good work, correct protocol, a touch of mirth and a relevant segment of Masonic education are key ingredients. The lodges that have focused on enlightening their membership in this way seem to be enjoying a Renaissance. Not only are they initiating new members but they have attracted affiliated members from darkened lodges.

At the time of the submission of this report it would seem that I will not have a successor to my post as DDGM for 2015-16. If that is the case, it is not an ill reflection of Temiskaming District. I have talked to many active and qualified brethren and their consensus is that they can serve Masonry better by devoting their skills and effort to their mother lodges and concordant bodies. After a decade of withering decline, our numbers have finally stabilized across the district thanks to this loyal core of very dedicated Past Masters. It has been the practice of our district to select our DDGMs by lodge rotation. Should it be necessary for me to serve our Grand Master for a second term and with his consent, I would be honoured and delighted to do so. I have personally found my term this year very satisfying and rewarding.

Toronto Don Valley District – 19 Lodges**R.W. Bro. Sydney T. Schatzker**

This was a year of change and experimentation with a number of “firsts” for this district. No plan, event or methodology no matter how successful at its onset, will continue to engage the brethren as time progresses. The challenge is how to plan for the future while maintaining our brethren’s involvement in the present.

The goal was to increase the level and quality of communication and activity by the DDGM, the District Secretary and the Committee Chairmen which included phone calls, emails and frequent updates to the website and the trestle board.

Socially we hosted the following:

- Fall 50's-60's Sock Hop dance
- Burns night – hosted by St. Andrew's Lodge No. 16
- Valentine's Day Party formal dinner & dance
- "Cruise-Aiders" boat cruise black tie Gala
- "Deli with the DDGM" – informal Sunday lunch open to all!

All were successful – "something for everyone!"

Our charity project was in support of "Prostate Hope" and Childhood Cancer Canada. While the social events raised funds for the charities, we also raised awareness from:

- First ever district calendar
- "Movember" contest
- District logo t-shirt and coffee mug sales

We were active in our Blood Donor Program and received a Certificate of Recognition from Canadian Blood Services and hosted a successful MasoniChIP Program.

We reinvented education this year with the establishment of the "TDV College of Knowledge" to explain the history, traditions, degrees, symbolism and meaning of the eloquently written ritual. Our professors in gowns and mortarboards, engaged over 200 students/brethren in three sessions. A new approach and a great success! We also held a Lodge Resource Day and a Lodge of Instruction.

"Cornerstone Lodges" are the most active with four qualified and another four who could. Unfortunately, some lodges lack the manpower or commitment to plan for the future and will not seek assistance.

In summary, it was a very productive and memorable year and we must continue to focus on keeping the brethren actively engaged.

Toronto East District – 19 Lodges

R.W. Bro. Peter J. Sialtsis

Freemasonry in Toronto East District continues to thrive. As we mark the conclusion of our Grand Master's term, we express our tremendous pride in being his home district and gratitude for his invaluable and continued leadership.

Although widely dispersed among diverse communities, our brethren have continued to exemplify brotherly love and service. The unity of the District continues, inspired by strong and active wardens groups. Our committees, ably led by strong chairmen, continue to implement Grand Lodge programs and district initiatives within our lodges, who continue to diligently utilize these valued resources.

With strong administrative leadership in place, our emphasis was to ensure a positive Lodge experience for our newer members. The long-term viability of our lodges depends on the development of strong future leaders; properly encouraged and suitably inspired to embrace the principles of Freemasonry. The engagement of these younger men in the active leadership of our Lodges ensures they ultimately pass on our ideals to their successors. Younger members throughout the District engaged the work, assuming leadership roles within their lodges. Programs such as mechanics of the work and mentorship, ensured these brethren acquired tools necessary for success as future craft leaders. While pleasing to see many young Masons in leadership roles, it was equally encouraging to witness Past Masters and senior brethren mentoring and assisting them to succeed in their endeavors.

The condition of our lodges is generally strong, with proper observance of the work and protocols. Financial responsibility continues and many lodges are welcoming new membership. I do have concerns over the viability of a couple of our lodges; however friend-to-friend and brother-to-brother initiatives are being utilized to assist.

Our community involvement and charity continues through support of the Prostate Hope initiative recognizing the 50th anniversary of the Masonic Foundation, and continued support of the Mikey Network, supplying defibrillators to lodge buildings throughout the province.

I commend our brethren for implementing a strong and busy program of Masonic activity and thanking them for their tremendous support. In particular, I thank W. Bro. Charles E. Frankland, District Secretary, for his dedication, tireless efforts, skillful administration and friendship.

Toronto Humber Valley District – 20 Lodges

R.W. Bro. Tony R. Fernando

May I thank the Brethren of Toronto Humber Valley District for giving me the honour, privilege and opportunity to serve the District in the Masonic Year. I wish to thank you as well for your warm welcome into your lodges, your great hospitality, your fellowship and kindness throughout my tenure.

My theme for the year was, “How can I help?” and “How can I serve?” and I trust that I have served you well.

It was a distinct honour and privilege to serve under the leadership of our Grand Master, M.W. Bro. Donald A. Campbell and to work with our Grand Lodge Executive.

Our main objective for the year was to provide a seamless Masonic knowledge experience to the brethren, anytime, anywhere by utilizing communication technology for active brethren, inactive brethren, brethren with distance issues, rusty masons, shut-in-brethren, shift work brethren, multiple job brethren. We achieved this by posting and forwarding weekly news PLUS showing ongoing two months events for our brethren’s planning convenience. As such, our brethren were able to access information, knowledge, knowledge links in our website, District and Grand Lodge events in seconds from their smartphones or tablets. We have effectively utilized e-newsletters, video newsletters, video email and web conferencing as our communication channels.

Other objectives included, supporting Grand Lodge and Toronto Humber Valley Strategic and Long Range Planning initiatives, to serve the brethren of Toronto Humber Valley, with commitment, reliability and servant leadership, to support the Masters and Wardens Association, to mirror the Grand Lodge programs, to promote Cornerstone Project, hold mini- lodges of instruction and masonic education, Friend to Friend events, our annual Super Saturday Pancake Breakfast, MasoniChIP, Hot Dog lunch and Rummage sale, Annual Divine Service, Annual Golf Tournament, Social and Community events, Annual Robbie Burns Night, Annual Turkey Give-Away, Masonic Baseball, Annual Gala Ladies Night, Dinner & Dance, Awards & Bursary night, Travelling Gavel Award and other events and social events that have enhanced Masonry in our district.

We were able to achieve our objectives effortlessly with a team of committed District Committee Team Leaders and Team Assistants. My many thanks are extended to my Advisors, our Past District Deputy Grand Masters, Brethren, Past and Current Masters and Secretaries of our lodges, our future District Committee leaders who demonstrated “Getting Things Done” as a personal and Masonic commitment.

Our District has a diverse group of members in our lodges, giving us the opportunity to learn more about other cultures, their traits, food, and commitment to Masonry and truly practice our Masonic ideals as we visit our lodges.

The challenges of aging brethren is a reality. However, our Past Masters are taking the challenge and are mentoring our younger and new Master Masons to take on more responsibilities.

We have a few lodges where the Masters have volunteered to be the Worshipful Master for a second year to ensure that young lodge officers are ready to take on more responsibilities and to obviate skipping officer progression. On the whole, due to the resurgence of brethren in most lodges, we are seeing more Fellowcraft and Master Masons

in our lodges. In addition, two lodges have re-vitalized with an influx of new affiliates and new brethren.

There has been an effort in our District to enhance ritual work and I can state that most lodges' ritual work was above average and a couple were satisfactory. The Cornerstone lodges continue to improve the quality of ritual work and I hope that all non-Cornerstone Project lodges seriously consider incorporating Cornerstone Project.

For lodges to sustain growth, lodges must focus on their brethren and retention of members, revenue and expenses, asset strength and utilization, revenue growth, cash position and cash flow.

The District Charity this year "Teen Challenge" is a registered charitable organization with a history of fifty years. It is a twelve month faith based residential alcohol and drug addiction rehabilitation program. The centre we directly supported is a women's residence in King City.

The District Secretary was indeed a major force in supporting the Lodge Secretaries and the District ensuring that reports were submitted on time. It was a pleasure to work with him.

I can state with confidence that Toronto Humber Valley will continue to be vibrant, continue to focus on sustaining growth, engage in community projects and enhance Masonry in our District.

Let us continue to show our leadership that is mentally and behaviorally flexible, have special insights into the needs of our brethren, a commitment to changing ourselves in directions that are consistent with evolving needs and expectations of our brethren, recognize that human energy is the greatest untapped resource in our lodges and a corresponding high value for "stakeholder" participation, a culture that is caring and sharing and drive to be the best and a commitment to continuous improvement in all aspects of Masonry.

Toronto West – 23 Lodges

R.W. Bro. James G. M. Lawson

Three District Meetings were scheduled for the year. District events included four receptions for the Grand Lodge Officers elected and appointed within the District; A 100 year celebration was held by Mississauga Lodge No. 524 in September; an excellent Grand Lodge "Lodge of Instruction" was held in October.

The District Project this year was "Aid Prostate Cancer Research" and the events which supported this initiative included: the sale of 2015 Masonic Calendars; Theatre Night; a Walkathon and cash donations by various Lodges throughout the District. The Grand Master's Reception was held by the Toronto and York Districts in March and with dispensation, a very successful District Divine Service was held in April.

All District Chairmen worked diligently to fulfil their particular areas of responsibility, some of the more visible initiatives taking place in Toronto West District were in the areas of: Blood Donors with several clinics held; Cornerstone Project showed increased interest with several Lodges working towards certification; successful Masonic Chip events held; the Masonic Foundation, with communications being re-established with the Lodges and information about donating through the District or Grand Lodge websites being encouraged.

The overall health of Toronto West District is good, with the majority of Lodges demonstrating proficiency in their performance of ritual work and Protocol and Etiquette. In the area of Lodge management, the majority of Lodge Secretaries and Treasurers are maintaining very good records. Some Lodges still suffer the residual effects of Life Memberships. The utilization of Grand Lodge programs, such as Friend to Friend, Brother to Brother, the Mentors Program, Cornerstone Project and The College of Freemasonry, varies by Lodge with those who participate clearly reaping the rewards. I thank the District Secretary, W. Bro. Efren Recuenco, for his undeviating support throughout the year. I also thank the Advisory Board for their guidance and support.

I feel privileged to have represented The Grand Master, M.W. Bro. Donald A. Campbell, this year.

Victoria District – 14 Lodges

R.W. Bro. Richard W. Wackernagel

It has been an honour and a privilege to serve as District Deputy Grand Master for Victoria District. I would first of all like to take this time to thank all the brethren who have guided and helped me this year and especially W. Bro Stephen O. Kyle our District Secretary, who despite some health issues at the start, has always been able to help. My time as the Grand Masters Representative has gone by quickly and will always be remembered as one of the highlights in my life.

My Motto this year was “Be A Mason at Heart” and I had 2 Charities which we raised funds for during the year with the assistance of the District Broken Column which I carried to all my events and meetings. The brethren of the District have been generous and at the time of writing this we are on our way to meeting my goal. We will have a charity golf tournament and a poker run to help with raising funds for the Kawartha Lakes Humane Society and the Navy League Cadets in Fenelon Falls where The Spry Lodge No. 406 is located and the members there helping in the running of the Corps. One of the Past Masters of the Lodge was the Commanding Officer of the Corps as was I a few years ago, but they are both charities that need help and the brethren have shown their belief in Charity with their support.

I have had many interesting evenings in the district and beyond, while visiting all the Lodges of the district were special evenings, I had the honour to present a 50 year medal to a Past Grand Master of Nova Scotia who was raised in the district, and also to my Father, which was another memorable night. Banquets were always plentiful and the fellowship was always warm and friendly. The President of our Wardens Assoc. organized a ladies night to remember which was sold out. The brethren of the district have at all times put their best foot forward when it comes to helping a brother putting on a degree and many stepping in at the last moment when life has made a change to a members plans and he is unable to attend. All Lodges are well kept and some have made some major renovations as did Arcadia Lodge No. 440 with the addition of the local food bank to their building as well as a banquet room.

As we have some Lodges with a small membership we have started a long range planning committee with members from every lodge to help with ideas to increase the involvement and numbers of the brethren, and to help with our involvement in the community. Some lodges have really stepped up with community involvement with the CHIP program and also participating in Town Fair Parades on occasions and events such as Canada Day. Our district has had a busy year with preparation for our district centennial next year and many individuals and the committee working on the project.

I believe that our district has many brothers who are truly Mason's at Heart.

Waterloo District – 15 Lodges

R.W. Bro. Kenneth M. Elligson

I want to start this message by thanking the Brethren of Waterloo District for allowing me to represent them as their District Deputy. This year has been the highlight of my Masonic journey thus far and I have thoroughly enjoyed it. The District Secretary, W. Bro. H. Markle and I were able to visit extensively in our District and beyond. The warm Fraternal greetings received wherever we went were much appreciated.

Waterloo District is a strong, active District despite having two lodges go dark this year. Congratulations to all the District Chairmen, you did an outstanding job this year and your efforts have helped make the District even stronger and more united.

The District Website Committee reinvented the District Webpage, making it more user friendly and much easier to navigate. I have had numerous inquiries from prospective

Masons who visited the site and many of them are now new Masons. We developed an electronic District Weekly Newsletter which is Smartphone friendly and it now goes out to the majority of our members and is a huge success.

The newly formed Membership and Lodge Resources Committee has been extremely busy visiting with all the newly Initiated and Raised Brethren immediately following their degrees to explain what they just went through and offer them support to attend another lodge to see the degree done there. Well done Brethren.

The District Divine Service was held with Wellington District for the first time this year and it was a great night of worship and fellowship. The District Charity Committee has done an excellent job raising funds for the National Service Dogs and the District Golf Tournament was a great day of golf, good food and fellowship.

Brethren, it has been a pleasure and an honour to serve as the District Deputy Grand Master of Waterloo District and I wish my successor all the best in the upcoming year.

Wellington District – 12 Lodges

R.W. Bro. Brian M. Poole

What an unbelievable year this has been, not only was I given the opportunity to serve as Deputy District Grand Master, I was also presented with my 25 year pin in November, and to top everything off my son Mathew was raised in the third degree. I was allowed, with permission of the custodian of the work, to do his obligation. I had the privilege of, assisting in the presentation of 25 and 50 year pins to some of our veteran members as well as giving the red maple leaf pin to several new members of the craft. It was an incredible honour to be in the company of both the Grand Master and the Deputy Grand Master on several occasions in and outside of a lodge room. Our Grand Master's Banquet, in April, was a huge success. Thank you to those who, organized, helped or attended, it was much appreciated.

The Four District Night, in Conestogo Lodge, was once again very successful, with two Past Grand Masters and five current District Deputy Grand Masters in attendance. The Wild Game Night, held in Wellington Lodge, was a huge success, raising \$2,700 for the N.R. Richards Bursary Fund. Both of these evenings are a must see. Wellington District had the privilege of having the travelling masonry exhibit, "A History Hidden in Plain Sight", stop for a few months in our area, on loan from Bruce District. This was an excellent display of freemasonry available to the public. Wellington District joined with Waterloo District for a combined divine service, in Kitchener. It went over very well, and I hope our district will continue to participate. All twelve lodges were very committed to the craft and their surrounding communities. The Masonic Chip Clinics are supported very well by the members of several different lodges.

To all the members of Wellington District, I want to thank you for the fine hospitality you have shown me throughout the year. To many members of my mother lodge, Trillium #724, I extend a special thank you, for your support in travelling with me. I was blessed with a great District Secretary, W. Bro. Peter G. Carberry. To those who sought advice, I hope I helped and to those I sought advice from, my advisors, thank you.

Our district is fairly healthy, with only a few concerns, that I am sure will be overcome in the next couple of years. When you read this our new Grand Master will be M.W. Bro. John C. Green. This is a great honour for Wellington District. The next couple of years are going to be very busy, fun and exciting. Wellington Brethren, hang on tight, it is going to be a great ride. Cheers.

Western District – 10 Lodges

R.W. Bro. Knowles E. McGill

This was a most memorable year for me as W. Bro. Dean Osmond and I usually accompanied by a number of other brethren from Sioux Lookout Lodge, made our "Official Visits" to all of the 10 Lodges in Western District.

To say that we were warmly welcomed throughout the district would be a gross understatement. Fabulous Masonic hospitality was on display everywhere, and the warmth of the greetings, and receptions could not have been improved upon.

The highlight of the year though, was the “Fly Past” of the Grand Mater, accompanied by several Grand Lodge Officers. Dryden, Golden Star Lodge No. 484 provided the landing strip so that the Grand Master could present the William Mercer Wilson Medal to a most deserving Bro. John Kennedy. Thank you Golden Star for hosting a most memorable evening.

And finally I must express my gratitude for all the support we received and especially thank W. Bro Dean for his exemplary work on behalf of the District.

Wilson North District – 11 Lodges

R.W. Bro. Michael de Belleval

It has been an honour and a privilege to serve as the Grand Master’s Representative in Wilson North District. Our District is very involved in the community, helping with Fair Boards, MasoniChIP, holding B.B.Q.s, Ladies Nights, parking cars at the Farm Show, Blood Donor Clinics, Spaghetti suppers and a variety of special events and fund raisers to support many local charities. Three lodges also held their own Divine Services and this year the District held a Divine Service in conjunction with Wilson South District at which a very capable Masonic Choir “performed” seven beautiful hymns.

Our Lodges are all inviting, supportive and welcoming for everyone. Our Masters and many members of the District for the most part, have done a great job visiting each other’s lodges. Seven of our lodges have attracted new members and initiated or affiliated them, while others, at present, are working at finding candidates. There are challenges, but we shall rise to the occasion to succeed.

Also of note in our District was the participation of 3 Past Grand Masters at the Installation and Investiture Ceremony at Oak Branch Lodge No. 261. The Deputy Grand Master was also in attendance, where in April he became an honorary member. In November Tavistock Lodge No. 609 held its annual well attended District Remembrance Day Memorial Service to celebrate and remember those members in our District who have passed to the Grand Lodge above in the last year.

Our District newsletter, produced 4 times in our Masonic year by R.W. Bro. Ron Findlater, is always a show piece for Masonic Education and a summary of the highlights of the activities of the District. Thanks go to him and to the photographers. At our 11 Official Visits the District team members very capably shared Masonic Education. Thank you to each of you.

A very special thank you to our District Secretary W. Bro. Richard Carney for his astuteness; and caring while completing his many duties. To the lodge Masters and Secretaries of our lodges, thank you for your diligence and kind cooperation. And to all of the past R.W. Bros. who were mentors and advisors - thank you. Together I feel that we had a successful Masonic year, and we all look forward to the richness that the Masonic experience will continue to provide for us all.

Wilson South District – 10 Lodges

R.W. Bro. Andrew G. Longridge

Membership in Wilson South District is still quite strong, with lots of enthusiastic brothers attending their lodge meetings, and visitation is also evident, district participation in the sharing of degree works and candidates is common practice, a common phrase is often spoken (all you have to do is ask) New Masons to the district has been quite successful, with some lodges having emergent meetings to accommodate newcomers. Several of the lodges are making good use of Grand Lodge programmes, such as the mentoring of new members and brother to brother, officer training, cornerstone participation, one lodge in particular

hosting a monthly family breakfast within the community, the proceeds of which they are using on building upgrades.

All the lodges in district are community focused, participation in Friend to Friend, Blood Donor clinics, ladies nights, Fish fries, Steak BBQ's, masonic ChIP Programme, work parties for the district charity Camp Trillium Rainbow Lake, Waterford, Ont. An Annual Pilgrimage to the gravesite of our first Grand Master Mercer is hosted by Norfolk Lodge No. 10. Unfortunately from what I have been informed that to lack of participation this year will be the last visit. On a sad note we had two masons in the district join the grand lodge above and two who were suspended for non-payment of dues, however on a happy note we added Seven New freemasons to the District.

Walsingham Lodge No. 174 are having a 150th year anniversary celebration planned on the 18th of July of this year, unfortunately they are struggling in membership numbers, but are confident they can turn things around, and I believe with help from the district they will be successful, as they had a new mason join this year, so a few more will help.

I would like to thank all the lodges in Wilson south District for the wonderful reception they have extended to me during my visits, and I hope I have made a good impression of what is expected of Grand Lodge representative, and also I would like to thank Grand Lodge for their support during my 2014-2015 term.

It is with sincere gratitude that I also thank the chairmen of the district committees for their support and attendance, traveling with me on fraternal and Official Visits. A very special thank you to the Wilson South District Secretary for all his support over the year, I couldn't have done it without him, if you are familiar with the Book Robinson Crusoe, he has been to coin a phrase "My Man Friday" and he never missed a meeting in and outside the district. I am looking forward to the presentation of his Grand Lodge Appointment he has without doubt earned it.

I also hope I can continue to serve the districts as a past DDGM setting a good example of what Masonry means to me, and the importance of Grand Lodge to Freemasonry in general.

Windsor District – 7 Lodges

R.W. Bro. Terence D. Roberts

Windsor District has supported two charities as part of a yearlong initiative. They are a glove and hat collection/donation for all demographics in need and an ongoing food bank drive. District communication has been maintained in its coordination through the District Secretary and additionally the maintenance of focus as in the last term, on the empowerment and accountability of the Masters of the lodges in their respective roles of leadership.

There has been a noticeable decline in attendance through the district in lodges and social events. An apparent downturn in comparison to the previous year. Unfortunately, no one or cumulative variable pinpoints the reason why.

Windsor district partnered with Erie district this year in the Grand Masters reception and the forming of an amalgamation committee to move forward with amalgamation of the two districts to become one district again. An item that has proven to be expected and supported by the members of both districts at this stage of the process.

York District – 19 Lodges

R.W. Bro. Wayne Dobson

This has been a busy year for York District. Each lodge has been visited for the Official Visit and Installation with more to come after the writing of this report. All lodges were well attended with members and visitors. The travelling gavel went to Malone Lodge #512. I would like to congratulate the following R.W. Bro. George Burt on receiving the Grand Master's Meritorious Service Award also Bro. Terrance Alderson William Mercer Wilson Award, and two Grand Stewards V.W. Bro. Nick Jubran and V.W. Bro. Brian Stapley. True Blue Lodge No. 98 had the honour of hosting M.W. Bro. Larry Grandy Grand Master of

Newfoundland & Labrador for a fraternal visit.

This year's functions were all well attended. Starting with L.O.I. , MasoniChIP Program, Chili and Information Night, Curling Bonspiel, Ice Fishing, Robbie Burns, 2 Divine Services, a host of Christmas Parties ,Ladies Nights and the District Gala (yet to take place). With 2 business meeting (September and May) a BBQ was provided by the Wardens Association. In May a presentation was made to the Women's Shelter of York Region who had been selected by the DDGM and the District Secretary as the charity for the year. With proceeds from district functions, fundraising projects, and members, a cheque exceeding \$12,000.00 will be donated.

A special poster was generated to represent York District with the help of W. Bro. Paul MacLean and presented to M.W. Bro. Donald A. Campbell at the Grand Master's Banquet. Great interest was shown resulting in more prints being obtained and sold to the brethren. A district calendar was sold with the addition of a pocket size calendar.

I have discovered that the positive, progressive, community orientated lodges seem to maintain or increase their membership. These lodges are encouraging each other's ideas and allowing the Master and Officers to prevail. However we still have a couple of lodges within the district that are struggling with membership and lack of visitation.

On a final note I would like to Thank W. Bro. Paul HJ Laureyssens (District Secretary) for his guidance and commitment to York District. A Special Thanks goes out to my wife Julia for her constant support.
